Lal Kitab Astro Palmistry M.H.K. Shastri Laxmi Kant Vashisth,2023-11-07 Astrology and Palmistry are the two poles of all occult teachings and wisdom; whereas Palmistry is the positive pole, Astrology necessarily is the negative pole and vice versa. On this basis, no power or factor of repulsion or interruption can spoil or disturb their team work, mutual functioning, and cooperation. They are welded together by some mysterious soldering element which is beyond the human brain to probe. That is why any student of occultism who can fortify himself or herself with sufficient and adequate knowledge of both Palmistry and Astrology, will be in a strong position which will protect him or her from ignorance, illusion, deception, or criticism; he can also dispense with other methods of prediction such as the telling of fortunes with playing cards, cup-reading, crystal-gazing, etc.

The Science of Palmistry and Its Relations to Astrology and Phrenology Irene Smith,1996-09 1901 Contents: What are signs of the zodiac?; the elements, systems and temperaments of grand man; Why should we learn the signs of the zodiac?; the planets; Two brain centers; Duality of forces; Head and its relation to the hand; Minor, and variant line.
