The Holy Numbers of God Shaolin Abrams Sr,2016-02-24 In this book, I am going to bring to you the revelation of the Holy Numbers of GOD; a revelation which I have received from the LORD JESUS CHRIST through the power of the HOLY SPIRIT for HIS GLORY. The LORD wants them to be known by all those who seek to know HIM through HIS WORD in power; because I believe that numbers have a lot to do with the power and understanding of the WORD OF GOD. The HOLY SPIRIT told me that it would open up the revelation of truth of the Scriptures, and yes, I believe it to be very, very important! The Scriptures reveal GOD to be a GOD of numbers; and the Psalmist said of the LORD, -HE counts the number of the stars; and HE calls them all by name.- That's Psalm 147 verse 4. The modern telescopes show that there are millions of stars reaching out into space and so infinite that men do not have numerical figures sufficient to measure their distances. Yet the WORD OF GOD tells us the number of these stars and -HE calls them all by name.- Job said, -For now YOU number my step...- You'll find that in Job 14 verse 16. If it were so in the case of Job, is it not so in the case of all people? When we think of all the steps taken by all the men who ever lived and then realize that GOD numbered them all, then we can better understand the words of the Psalmist when he said, -Great is our LORD, and might in power; HIS understanding is infinite.- That's Psalm 147 verse 5. Again Job said, -Since his days are determined, the number of his months is with YOU...- That's found in Job 14 verse 5. Jesus said that not a sparrow could fall to the ground without the FATHER's notice and that the very hairs of the heads of HIS people are all numbered. That's found in Matthew 10 verses 29-30. And when we think of all of the many sparrows that have fallen to the earth and the countless billions of hairs that have been on the heads of people since the beginning of time and how the number of hairs on different heads are changing from day to day then we can indeed say, -Hallelujah, how our GOD is a GOD of numbers and that HIS knowledge is truly infinite!- Jesus said, concerning the law, -Till Heaven and earth pass away, one jot or one tittle will by no means pass from the law till all is fulfilled.- That's in Matthew 5 verse 18, and every word and every letter in the WORD OF GOD was in HIS mind before a line of it was ever written; even the numbers within the WORD were known to HIM before they were penned. This will be seen as I go into the numbers with you in this book because indeed, our GOD is great and infinite in HIS understanding. There are many incidents in Scripture showing evidence of the numerical design of the HOLY NUMBERS OF GOD which run all through the bible; for instance, the distance around the Tabernacle was 300 cubits. -The length of the court shall be one hundred cubits, the width fifty throughout, and the height five cubits...- That's found in Exodus 27 verse 18. Now, the two long sides were 100 cubits each, the two ends were 50 cubits each. Two times 100 plus two time 50 equals 300 cubits. -You shall make an altar of acacia wood, five cubits long and five wide-the altar shall be square and its height shall be three cubits.- That's Exodus 27 verse 1. The product of the number connected with the altar is 300, the number of cubits around the Court. Five times five is 25, four times 25 is 100 and three times 100 is 300. On this altar within the Court the Priest offered the sacrifice. In I Chronicles 24 verses 1-19 there are found 24 divisions of the Priesthood. These are the divisions of the sons of Aaron, Nadab, Abihu, Eleazar and Ithamar, but among the sons of Eleazar there were 16 chief men of the house of their fathers and eight among the sons of Ithamar; sixteen and eight make 24. When all the numbers from one to 24 are added the sum is 300, the number of cubits around the court; and Noah's ark was 300 cubits long; the distance around the Court of the Tabernacle.

Mystery Babylon The Great-er London - Second Addition Barry Gumm,2017-05-01 In this work Barry Gumm has focused on Biblical numerology, Astronomy and traditional astrology science. He focuses on specific chapters in the Book of Revelation. In his work he uses the above methods to define the future date of the end of the age. As an evangelical theologian I acknowledge the Bible places significance on numbers (7 - perfection, 10 -complete, 40 – in all directions (North, South, East and West – High, Deep, Wide and Long) complete). Much has been written about the truth there are no numbers in the Hebrew and Greek character set _ that context determines if a character is a letter or a number. A well known example is the Greek word for Our Lord Jesus (6k. iasou - - 1 - 10, a - 8, 5 – 200, 0 -70, u – 400) 5 – 200 = 888). The Bible uses numbers for perfection, completeness, unity, divisions as mentioned. Astronomy has been noted the alignment of planets in our solar system and the effect of star definition on human condition, affairs and relationships. Barry's work clearly defines his concept and calculation on end times. We know from the Holy Scripture we are in the end times - especially when it is evident that attitudes to our Christian civilization, heritage and way of life are being disestablished (Romans 1:18-32); 1 Timothy 6:3-10; 2 Timothy 3:1-9; 2 Peter 2:1-22; 3:1-10). Barry has spent a great deal of his work examining the evils of the love of money mentioned in the above references.

Barry has spent a great deal of his work examining the evils of the love of money mentioned in the above references. Given these scriptures, it is clear to me through the guidance of the Holy spirit that the end of the age is near. Barry's calculations using the application of astronomical and astrological events is particularly interesting. His calculations and analysis of the members of the Royal

Family are his opinion. We do know the Queen is ignoring some of Her Coronation vows. Ove the centuries astrological study has been used to predict seasons and affairs and attitudes of men. Barry has been careful in defining and avoiding the evil use of astrology given that traditionally those methods have had academic merit but modern use has unfortunately focused on horoscopes and soothsaying. Personally I follow a simple approach to following Jesus and his words 24/7-. Barry interrupting at this point, I follow simple approach to following Jesus, it just a subject like the one discussed in this book needed a different type of thought pattern and my financial background proved critical in the processes of determination of the actual and literal interpretations of organisations and people the bible is (was and is to come talking about). Barry ending and Graham continuing: If you love me you will obey what I command (John 14:15). Jesus encourages us to Watch (Mathew 24:42, 26:41; Mark 13:33, 35,37). Also to simply Worship God (revelation 19:10, 22.9). This is the One True God - Yahweh - Father, Son & Holy Spirit - The God of the Bible not any god! (Isaiah 41.14, 6,20; 45:1 (LORD - YAHWEH)). Of great importance in this work is his in-depth research into the Banking System, The New World Order (NOW) - Global Government. His study of the history of how this is developing with the evils of global banking is overwhelming. Do bank have this power? We know the Kings of the earth in the end will continue to gather against Jesus (revelation 19:19). Thus, his study and commentary on many chapter in the Book of Revelation encourages each true born again believer to keep praying and reading Holy Scripture and allow the Holy Spirit to continually guide and give new insights. Number in Scripture E. W. Bullinger,2020-09-18 E. W. Bullinger was a 19th century English clergyman, scholar, and prolific author. He is best-known for his detailed six-part work *The Companion Bible*, which was published over many years from 1909 to 1922. That comprehensive guide has assisted countless readers in their goal of better understanding the Bible. In his work *Number in Scripture*, Bullinger examines in impressive detail all of the occurrences of numbers in the Bible and concludes that an examination of these numerical references proves that it was written by God and not by man. Bullinger finds patterns in the number of things made by God in Genesis, the number of books of the Bible, the frequency by which some words and phrases are repeated, and examines the meaning and significance of numerical references as they appear in the Holy Book. As anyone who has read the Bible can attest, numbers play an important role in God's message for man and Bullinger's work makes understanding the importance of these numbers easy for both those new to the scriptures and those who have been reading and studying it for years. This edition is printed on premium acid-free paper.

The Unadulterated Word of God Shaolin M. B. Abrams, Sr.,2017-01-17 When working with biblical symbolism, one must follow two cardinal rules: first; understand that several different symbols may represent the same reality in the Bible. For instance, the church is symbolized as a woman, a building in which Christians are living stones, a human body of which Christ is the Head, and a family of which Christians are brothers. Be sure to check the context in which a symbol appears and do not try to force a symbol where it does not fit.Secondly, allow the Bible to interpret its own symbols. In Revelation 1:20, within the context of John's vision, Christ explains the meaning of the seven stars and the seven lampstands; The mystery of the seven stars which you saw in My right hand, and the seven golden lampstands: The seven stars are the angels of the seven churches, and the seven lampstands which you saw are the seven churches. The meanings of other symbols may be harder to locate, but usually the Bible explains itself to those who study it diligently. Even so, sometimes a symbol is shrouded in mystery and difficult to understand. Perhaps we fail to understand the symbol because we are unfamiliar with the reality. Imagine the Apostle John's struggle with symbols that represent twentieth-century warfare! Likewise, we struggle with the symbolism of sheep with whose characteristics we in turn are unfamiliar; but in the end we must learn to see symbols as pictures drawn by the hand of God through which He teaches us things that might otherwise be all but incomprehensible. It behooves us not to take them lightly. In studying symbols, take the time to research the characteristics of the symbol to deepen and clarify your understanding of God, Christ, and Their purpose.Food is a type of God's Word in the Scriptures; likewise, if our spirit is denied this manna from heaven, we become spiritually weak and would eventually die spiritually. If in our pride we reject God's food, even though we may have a form of godliness as shown by performing the formalities of worship, our weakness will become apparent through sin; the strength of God's Word is missing. His Word is spirit, and it is life (John 6:63). What did God lead us to that sparked this saving faith in us (Ephesians 2:8)? He led us to His Word. We can glean a measure of faith from observing God's creation, but this faith cannot save because it does not reveal His purpose. It gives us no direction or outlet for the soaring thoughts and creative energies of the God-given gift of a mind trained in His image. But we do find God's purpose and His revelation of Himself in His Word. So then faith comes by hearing, and hearing by the word of God (Romans 10:17).Of course, this does not mean that all who hear the message will understand and accept it. Without the message, however, there would be nothing to believe in, nothing that one could trust to lead him to salvation. In practical application, this means that one should always most carefully evaluate the message being preached rather than the man or the corporate body

he represents. It is essential that we put our trust in the right teachings. Most of the people who claim to be Christian are living by false gospels. The Bible shows this principle from beginning to end. Adam and Eve put their trust in Satan's message rather than God's (Genesis 3:1-6). The children of Israel listened to Korah, Dathan, and the two-hundred fifty leaders (Numbers 16:1-3), and later they succumbed to the Moabites' appeal to sexual license (Numbers 25:1-3). In each case, many died as a witness to us; and after Solomon's reign, Israel followed Jeroboam's false message. Christ prophesied that many would proclaim that He (Jesus) is the Christ yet deceive many; but when we compare God's works with man's, what a difference we see! The closer we look at man's, the more flaws we see. Yet, when we scrutinize God's works, we just see more perfection. Man is finite; God is infinite. Man is mutable; God is immutable.

Proving God with Numbers Steven C. Moxham, 2018-10-04 The Hebrew and Christian Bible is replete with its use of numbers from beginning to end. Why is God so specific with numbers? Why do the same numbers keep coming up over and over again, and what is so important about the number seven? Using my own testimony, I will show you how God has used numbers in my life to prove His existence, and demonstrate how He has used them to back up important events in my life. God has proven to me over and over again that He is the source and inspiration behind certain events, and has backed them up by using numbers. If you want proof of God, look no further! Hopefully by the end of reading this book, you too will be able to see the perfect design and precise timing with which God deals with His people, and the world.

Jewish-Christian Relations Abel Mordechai Bibliowicz, 2019-03-01 I am in fundamental agreement with Bibliowicz's thesis (that the anti-Jewish polemic in the New Testament reflects debates between Jewish and Gentile followers of Jesus - not a polemic between Christians and Jews), and with the implications which he has drawn for Christian theology... May this book find a wide readership among people devoted to the cause of the healing of memories between Jews and Christians. –Peter C. Phan, Professor. Chair of Catholic Social Thought, Georgetown University; President of the Catholic Theological Society of America 'Standing on a brilliant and insightful reconstruction of Paul, and on a quite shocking (but perhaps compelling) reading of Mark—the author offers a number of original and, in some cases, quite compelling theoretical reconstructions of the context and purposes of early Christian texts... a work of sublime moral passion.' –David P. Gushee, Distinguished University Professor of Christian Ethics and Director, Center for Theology and Public Life, Mercer University. President-elect American Academy of Religion. Author of Kingdom Ethics: Following Jesus in Contemporary Context 'An intrepid excursion into the Christian discourse... The quest of an intellectual, a humanist... Interesting and, in fact overwhelming... A timely and honest engagement of the Christian texts, authors, and scholars by a Jewish intellectual.' –Burton L. Mack, – Professor of Early Christianity, Claremont School of Theology, California; author of A Myth of Innocence: Mark and Christian Origins "There is great merit to Bibliowicz's approach... I highly recommend this book for anyone interested in the Jewish-Christian dialogue.... Scholars may disagree with a number of Bibliowicz' conclusions, as I do with his interpretation of the Epistle to the Hebrews. But even in disagreeing, scholars in the field of Jewish-Christian studies, will learn new ways of challenging and thinking about old presumptions. –Eugene J. Fisher, Distinguished Professor of Theology, Saint Leo University. Former staff person for Catholic-Jewish relations for the U.S. Conference of Catholic Bishops, Consultor to the Vatican Commission for Religious Relations with the Jews, member of the International Catholic-Jewish Liaison Committee representing the Holy See. 'An important work... Sensitive and deeply researched... In the deepest sense, a profound theological work.' –Clark M. Williamson, Professor. Christian Theological Seminary, Indiana; author of Way of Blessing, Way of Life: A Christian Theology 'I very much appreciated the depth and scope of the scholarship, accompanied by the kind and humble spirit of the author...it may also prove to be one of the formidable and formative scholarly contributions of the decade for both biblical and historical scholars. ' –Michael Thompson, Professor. Religious Studies – Oklahoma State University 'In methodical and precise fashion Bibliowicz takes the reader through the relevant ancient Christian texts bearing on the question at hand. In so doing, he proposes an intriguing, compelling thesis. The book should prove to be a major voice in the ongoing debate.' –Brooks Schramm, Professor of Biblical Studies, Lutheran Theological Seminary 'Impressive work... With this impassioned study available to us, it will no longer be possible for us to ignore the unintended ways the unthinkable came to be and still say 'we did not know.' –Didier Pollefeyt, Professor. Faculty of Theology and Religious Studies, Katholieke Universiteit Leuven Belgium; coauthor of Anti-Judaism and the Fourth Gospel and Paul and Judaism 'An original and plausible claim that goes beyond most of modern scholarship... a solid contribution to the study of anti-Judaism in early Christianity.' –Joseph B. Tyson, Professor. Religious Studies, Southern Methodist University; author of Marcion and Luke-Acts: A Defining Struggle 'Well-researched and thorough. Intelligent and thoughtful... accessible, the argumentation compelling.' –Michele Murray, Professor. Bishop's University, Canada; author of Playing a Jewish Game: Gentile Christian Judaizing in the First and Second Centuries C.E. 'A detailed and insightful exploration of the writings of the early Jesus movement... argues convincingly that the origins of Christian anti-Judaism are to be found among early non-Jewish followers of Jesus who were in conflict with Jesus's disciples and first followers... a must read.' –Tim Hegedus, Professor of New Testament, Waterloo Lutheran Seminary, Wilfrid Laurier University, Canada 'Bibliowicz uses solid scholarship to engage large and difficult topics while managing to be balanced and clear... invites Christians to walk a deep journey toward truth... and suggests a compelling nuance that the conflicts in the early texts were between Jewish and Gentile followers of Jesus, not between Jews and Christians.' –David L. Coppola, Executive Director, Center for Christian-Jewish Understanding, Sacred Heart University 'A meticulous study... a mammoth endeavor... goes beyond others in his interpretation of the evidence, tracing and documenting distinctions and tensions in the early Jesus movement.' –N. A. Beck, Professor of Theology and Classical Languages, Texas Lutheran University; author of Mature Christianity in the 21st Century: The Recognition and Repudiation of the Anti-Jewish Polemic of the New Testament 'The topics Bibliowicz engages are complex. Although some of his interpretations are controversial... Gentile Christians should set aside apologetical agendas and honestly ponder the challenges put forward by the author.' –Dale C. Allison, Jr. Professor of New Testament, Princeton Theological Seminary; author of Constructing Jesus: History, Memory, and Imagination
