Crystal Healing Dan R. Lynch, Julie A. Kirsch, 2021-04-06 A Fact-Based Introduction to Crystal Healing Whether you're new to the practice of crystal healing or have a level of experience with it, chances are you have questions: What works? What doesn't? How and when should I spend my money? And so on. Forget the magic, the mysticism, and the mythology. You've come to the right place for answers. Dan R. Lynch is the author of many books about rocks and minerals. Julie A. Kirsch is a trained psychologist. Together, they delve into the fascinating study of crystal healing, and they share their answers with you. The book begins with an explanation of what crystal healing is, as well as a simple introduction to the basics of geology/mineralogy. From there, the book takes a closer look at several of the most popular methods of crystal healing, such as wearing the crystals or using a healing crystal grid. That's followed by an examination of the science and the psychology behind what the crystals are said to do versus what they have been proven to do. A "field guide" section spotlights some of the most important minerals to know, including amethyst and fluorite, presenting the most commonly used crystals by healing practitioners. The book is rounded out with safety warnings, recommended resources, and more. It's everything you need to take an objective look at crystal healing and to make informed decisions about this controversial practice.

Purifying Crystals Michael Gienger,2012-06-01 The essential prerequisite for working with crystals successfully is to understand the most effective methods for cleansing, purifying, and recharging them, as thoroughly discussed and evaluated in this conveniently sized guidebook. Users of crystals for their healing energies will learn how their tools become impure and corrupted as well as how to adequately purify them from foreign energies and information. The instructions are demonstrated through a complete cleansing ceremony that can be used on all crystals, including jewelry. Other topics covered include the external cleaning of jewelry for purely aesthetic purposes and the correct application of crystals for cleansing rooms.

Crystals for Energy Healing Ashley Leavy,2017-05 This comprehensive sourcebook of 100 essential crystals for spiritual healing and all-round protection is packed with practical advice and fascinating information. Not only will you find out about the crystal's attributes, legendary power, and holistic benefits, but also about each crystal's specific energy to enhance, heal, or protect you. Crystals are the most natural, empowering force we can work with to promote spiritual balance and protect us from exposure to physical or psychic negativity. For thousands of years, crystals have been used for their powerful healing energy and to protect the wearer from negative forces. The ancient Taoists believed sacred stones vibrated with 'chi' or universal energy; the Greeks and Romans believed they embodied the gods and the planets; indigenous peoples believed they were alive with spirit. Black stones like obsidian have been used for centuries to protect from evil, and amethyst is still considered the power stone of spirituality, creating a protective shield around the body and promoting deeper levels of awareness. *Crystals for Energy Healing* includes introductory chapters on what crystals are, both their scientific legacy and their magical one; caring for and choosing crystals; and the importance of chakras and color in spiritual healing. There is also a practical chapter about working with these stones specifically chosen for protection and spiritual healing. The alphabetical sourcebook section that follows provides information about the uses and benefits of each crystal listed.

Crystal Healing Judy Hall,2010-09-20 Judy Hall, author of the bestselling *Crystal Bible*, offers us a fresh way of looking at 12 master healing crystals in this key to opening your higher awareness. *Crystal Healing* looks at seven crystals attuned to the seven chakras (the body's energy centers) and five master healer stones that can be used singly or in combination to relieve stress, promote relaxation, balance the emotions, and invigorate body, mind and spirit. Clear color photographs, along with useful charts, diagrams and grids combine with complete instructions. Special features such as a chart on using crystals for specific ailments make this portable volume a terrific addition to your purse or bed table.
