The Tao of Craft Benbell Wen,2016-09-27 For the first time in English, Benbell Wen reveals the rich history and theoretical principles underlying the ancient practice of crafting Fu talismans, or magical sigils, in the Chinese Taoist tradition and gives detailed instructions for modern practitioners who would like to craft their own Fu. Fu talismans are ideograms and writings typically rendered on paper and empowered by means of invocations, ritual, and transferences of energy, or Qi. Talismans can be used for many purposes, such as strengthening or weakening personality characteristics, finding love, earning more money, or easing emotional tensions in the home. The Tao of Craft shows how metaphysical energy can be harnessed to amplify, strengthen, weaken, dispel, or block other metaphysical energy and to rectify perceived imbalances in the material plane. Supported by an abundance of detailed charts and images, this book serves as a step-by-step handbook that gives readers the knowledge and confidence to craft their own Fu talismans for personal empowerment. Wen, author of *Holistic Tarot*, delves into historic and cultural contexts of the Fu, from the neolithic period of Chinese history to contemporary practices of esoteric Taoism. Providing a solid foundation in the principles of Eastern spellcrafting, she highlights the blending of Taoist metaphysical practices with Western approaches to magic by pointing out eclectic, integrating, and harmonizing facets from other cultures and religions. Historically, Fu talismans were used by medieval Chinese for alleviating illness; averting misfortune, magical attacks, and curses; defending against assaults; and avoiding poverty. This book shows Western practitioners that the skill and knowledge to develop an interactive relationship with spirit realms are still available to them today, and serves as a practical handbook for accumulating Qi energy from sources in the environment and channeling it in concentrated form into their own Fu talismans.

Have the Relationship You Want Rori Gwynne, 2006-11 A step-by-step guide for women to transforming your love life practically overnight.

The Joy Luck Club Amy Tan, 2006-09-21 "The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational." —Kevin Kwan, author of *Crazy Rich Asians* Amy Tan's beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary *Amy Tan: Unintended Memoir* on Netflix Four mothers, four daughters, four families whose histories shift with the four winds depending on who's saying the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. To despair was to wish back for something already lost. Or to prolong what was already unbearable. Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

Holistic Tarot Benebell Wen, 2015-01-20 The best-selling guide to reading tarot from celebrated occultist and scholar Benebell Wen—history, practice, and 500+ illustrations and spreads Designed for beginning as well as experienced tarot readers, *Holistic Tarot* offers a fresh and easy-to-follow approach to the use of the tarot deck for tapping into subconscious knowledge and creativity. The tarot deck has been used as a divination tool for more than two centuries; while the tarot is still most commonly thought of as fortune telling, the true power of the tarot lies in its ability to channel a clear path for our deep intuition to shine through. Consulting the tarot can help clear creativity blockages, clarify ambitions, work through complex decisions, and make sense of emotions and relationships. Whether used for simple decision-making or an understanding of your life's purpose, learning tarot can be an indispensable tool for being more mindful of the factors that can assist or weaken your efforts toward success. In *Holistic Tarot*, author Benebell Wen provides a complete guide to using the tarot to foster personal development. Wen gives a comprehensive overview of the history of the tarot and a wide array of theories on its use (including its relationship to

Beginners will find a complete guide to working with the tarot, including choosing and caring for a deck, how best to learn and remember the attributes of the major and minor arcana, the interpretation of cards and spreads, the role of meditation in a tarot practice, and how to use the tarot for improving relationships, professional development, and personal resilience. More advanced practitioners will appreciate nuanced theoretical discussions of the tarot as well as practical advice about reading others' tarot cards and setting up a practice. Containing over 500 illustrations and detailed information on each card as well as numerous spreads, Holistic Tarot is a complete compendium of tarot study that every practitioner should have in their library.
