Karmic Astrology Copper Moon, ALIO Publishing Group, 2023-08-30 Did you know you can use knowledge about your astrological signs to do shadow work on easy mode? In *Karmic Astrology*, the reader is invited to take a journey across time and space where all 12 zodiac signs are exposed and put to the fire - WITH TOUGH LOVE! - under the microscope called karma (the law of cause and effect). By the end, you'll be fully aware of the biggest blind spots native to your sun sign - plus practical ways to overcome them. There are two kinds of astrology that exist in this world: one is for entertainment, and the other is for self-attainment. This book by new author Copper Moon falls in the second camp. Buy your copy today and learn how to make the most of your star sign's inherent karma to pass life's most pressing lessons - and level-up in the process. (For those unfamiliar, shadow work is essentially self-improvement on steroids. It calls us to take a cold honest look at ourselves, and accept aspects of our character we'd rather not confront. The process is not always pleasant, but the personal payoff is tremendous.)

Discovering Your Soul Mission Linda Brady, Evan St. Lifer, 1998 If you have a nagging feeling that somehow your life has gotten off track, *Discovering Your Soul Mission* can help you create the most fulfilling life possible. Karmic astrologer and holistic teacher Linda Brady, along with coauthor Evan St. Lifer, shows how the desires of our personalities--what we think we want--clash with the needs of our souls--what will make us truly happy. In order to pinpoint your soul mission, Brady uses the technique of karmic astrology, which--unlike the more familiar sun-sign astrology--delves into areas known previously only to the cognoscenti. With this easy-to-use method, you do not have to get an astrological chart. All the required information is provided to instantly discover the sign ruling

your soul mission. You will learn your Soul Pattern sign, which governs old habits you need to let go, and your Soul Potential sign, which indicates your latent qualities and hidden talents that must be developed to follow your true path. Virgo perfectionism, for instance, can give way to Pisces intuition, Sagittarian procrastination to Gemini creativity. Brady then offers numerous meditation, journaling, dreamwork, and other exercises to explore and incorporate your soul mission into your current life. Other planetary influences also shape the particular flavor of your mission. For example, the book includes tables to find out what sign rules your style of communication and shows you how to use that personal style to further enhance your mission. This lively, interactive handbook will set you on your true path.

Through the study of Karmic Astrology, it is possible to know which of the actions carried out in past incarnations remain active in the present life and in what way it is convenient to

transit them. The teachings compiled in this book allow us to understand the natal map as an account of the path of the Soul, in which past lives and the evolutionary direction of the Being are read. After twenty-five years of work and research, the author shares the key concepts of the Karmic Astrology: a language that interprets the Natal Chart from a spiritual approach. Karma is the best tool of evolution because it confronts us with our previous movements and their results in the game of Life. Its purpose is the wonderful learning that we are all One, even in our individuality: we are all interrelated. What we do, we think, we feel affects everything that surrounds us. And everything that happens on the planet, no matter how distant it may seem, transforms us. When we can correctly decipher the karma of the natal map, a healing process begins, in which the astrologer collaborates with the person to direct their energy in an evolutionary sense.
