Understanding the Dreams You Dream Revised and Expanded Ira Milligan,2011-07-28 Understanding the Dreams You Dream: Biblical Keys for Hearing God's Voice in the Night not only provides insight into your dreams and life, but also includes a comprehensive dictionary of dream symbols! You will be guided through the complex world of dreams by a minister with decades of experience receiving, understanding, and interpreting dreams of his own and for others. I have received many helpful messages from God through dreams. In addition to being helped through my own dreams, I have seen many other people obtain help and comfort by using their dreams as an aid to healing in pastoral counseling. –Ira Milligan Through Scripture-based meditation, much can be understood about your dreams, but many Christians don't know how to meditate. This problem is addressed in three different ways: • Specific, detailed directions are given on how and upon what to meditate. • Personal examples of dreams from the author's own experiences. • Practical dictionary of symbol definitions is included. This book presents both normal and not-so-normal dream situations. You will learn that to apply only one type of dream interpretation to all dreams is restricting each symbol to only one possible definition, which is incorrect. And you will learn how to tell the difference between a dream from God—and those from evil sources.

Dream Interpretation for the Mystical Soul Pamela Cummins ,2024-03-01 Learn how to interpret and understand your premonitions dreams, visits from deceased loved ones, and more metaphysical dreams. Dream Interpretation for the Mystical Soul is more than a book. It's a LIFESTYLE! Within these pages, you will learn to: • Identify the different types of visitation dreams. • Determine the signs of a precognitive dream. • Discover who the characters really are in your dreams. • Know if you are beginning a new spiritual chapter. • Understand your relationship dreams. • Use spiritual techniques to interpret your dreams. You will find tips throughout the book on how to use your dreams' information in your life. Yet expert dream interpreter Pamela Cummins devoted a chapter to it using her business slogan, Nighttime Messages, Daytime Wisdom, as the chapter's title. Why? It's senseless to interpret your dreams if you aren't using their insights. We have nighttime dreams for our personal and spiritual growth. Let's take their wise messages to create a happier and more fulfilled life.

Dreams and What They Mean to You Migene González-Wippler,1989 Learn to decipher the symbols and messages in your dreams with the help of this trusted guide. Dreams and What They Mean To You begins by exploring the nature of the human mind and consciousness, then discusses the results of the most recent scientific research on sleep and dreams. The author analyzes different types of dreams, including: telepathic, nightmares, sexual, and prophetic. In addition, she presents an extensive dream dictionary which lists the meanings for a wide variety of dream images. Besides interpreting your dreams, you can learn to control them. This book presents techniques to remember dreams easily, dream more effectively, recall your dreams, and even learn to become aware that you are dreaming. This can greatly enhance your dream experiences and intuition and also lead to prophetic dreams. Through a language of their own, dreams contain essential information which can change your life. This fascinating book gives you all the information needed to begin interpreting--and even creating--your own dreams.

Decoding Your Dreams Part Three Tella Olayeri,2020-12-06 God has never ceased using dream and visions to guide, instruct, and warn us. We pray but God answer us through dreams. We hear the word of the Lord through dreams. Dreams are the most common way God speaks with us. Unlike the early Christians, today's believers often treat dreams, like junk mail. This is wrong. This book bridges the gap. It will introduce you to how God speaks through dream and visions. This book is a hope builder; a Christian reference book for interpreting dreams. It will give you hope to learn and hear God's voice in your dream and fulfill all that he speaks to you. Every dream in this book is given detail explanation and interpretation. This book will give you a biblical understanding of dream that you never had before. Pick a copy.

30 Secrets to Interpreting Your Dreams Hanson Asiedu,2021-05-11 Some years ago I began to have a deeper dream life and was having dreams that I couldn't get to the bottom of. Albeit a secondary means of communication, I knew that God was highlighting things to me through my dreams which required investigation. I began to search them out, and it was at this point that I stumbled upon the problem that this book aims to bring solution to. THE PROBLEM I spoke to people, including church leaders, about my dreams but they either brushed them off, were unable to offer me any insight, or point me in the right direction Those who could offer some interpretation, were unable to 'show me their workings out', so that I could learn to interpret for myself. Teach me how to fish, don't just give me the fish There were a lot of dodgy and ungodly dream interpretation websites and resources online that centred around 'the universe', and other new-age practices I came across some Christian material and dream dictionaries. Although the dream dictionaries were helpful, they could only tell me that a dream symbol COULD mean one thing or another. I needed absolutes or a way of knowing what the dream pointed to, not only that something could mean a number of things There were no guiding principles, systems, or a framework to use as an aid It was then that God took me on a journey of discovery and study, based on the work of John Paul Jackson and Amy Coello. This book will give you tools and a framework for approaching dream interpretation beyond merely symbols. You will learn; Why you need to title your dreams How to know the focus and sub-focus in a dream Why you might not remember your dreams The Purpose of dreams Happy dreaming!

Global Innovation of Teaching and Learning in Higher Education Prudence C. Layne, Peter Lake, 2014-11-19 This book examines current trends in higher education and the Scholarship of Teaching and Learning. It introduces readers to pedagogical strategies that instructors worldwide are using to overcome some of the challenges they face in higher education. To maximize their students' learning, this work argues that institutions are compelled to innovate their policies and instructors must be collaborative and creative in their practices in response to students' growing demands, needs, challenges to their learning, and the shifting terrain of a rapidly globalizing world. The text explores the idiosyncrasies and challenges that drive innovation across particular cultures, disciplines and institutions. It suggests that the responses to these drivers offer some universal and compatible lessons that not only optimize teaching and learning, but also transgress institutional, cultural, and disciplinary boundaries in higher education. The contributors to this collection work in the United States, the United Kingdom, Africa, Asia, Australia, Scandinavia and the Middle East. They represent a broad range of disciplines, fields and institutional types. They teach in varied contexts, durations, delivery modes, and formats, including online, study abroad, blended, accelerated, condensed, intensive and mortar-and-brick settings. Their higher education students are equally as diverse, in age, cultural backgrounds and needs, but willingly lend their voices and experiences to their instructors' study of teaching and learning in their particular contexts. This book harnesses the rich diversities and range our contributors represent and shares the results of their expertise, research, and assessments of some of the most creative and effective ways to improve student learning in the face of stagnant practices, limited resources, and other deficiencies that instructors and students face in higher education.
