Vengeance For My Valentine Adam J. Whitlatch,2018-04-27

“Your bullets can’t kill me. I’m already dead. Inside and out.” When his fiancée is brutally murdered on Valentine's Day, Ash Corvus is unwittingly plunged into the nightmarish world of the Arpadeem, or as the movies call them... Vampires. What begins as a personal quest for revenge becomes a struggle for the fate of the city itself as Ash's search takes him into Cedar Rapids' secret criminal underworld. Ash must cast off his humanity and become a monster himself if he hopes to bring vengeance upon the monster who murdered his love... the man with the scar. A dark, violent thriller from the author of *The Weller* and *War of the Worlds: Goliath!*

Be My Valentine Sheila Rabe,2001 To make her commitment-phobic boyfriend jealous, Shelby Barrett follows her romance-novelist mother's advice and sends herself flowers -- and signs the card with a name she made up: David Jones. But she never thought she'd meet the real David Jones -- or that she'd find him so completely compelling.

Window Shopping Tessa Bailey,2022-01-25 A USA TODAY BESTSELLER! A sizzling, standalone, feel-good holiday romance from Tessa Bailey, New York Times bestselling author of *It Happened One Summer*. Two weeks before Christmas and all through Manhattan, shop windows are decorated in red and green satin. I'm standing alone in front of the famous Vivant department

store, when a charming man named Aiden asks my opinion of the décor. It's a tragedy in tinsel, I say, unable to lie. He asks for a better idea with a twinkle in his eye. Did I know he owned the place? No. He put me on the spot. Now I'm working for that man, trying to ignore that he's hot. But as a down on her luck girl with a difficult past, I know an opportunity when I see one - and I have to make it last. I'll put my heart and soul into dressing his holiday windows. I'll work without stopping. And when we lose the battle with temptation, I'll try and remember I'm just window shopping.

The Republic Pictures Checklist Len D. Martin, 2015-08-13

Republic Pictures Corporation, began as a motion picture laboratory in 1915. By 1935, Republic had become a studio and released its first movie, *Westward Ho!* starring a young John Wayne, who would stay with Republic for the next 17 years. Republic would go on to produce highly successful Westerns starring singing cowboys Gene Autry and Roy Rogers as well as serial adventure series. The studio cranked out so many exciting (not to mention money-making) serials that it became known as "The Thrill Factory." Occasionally, Republic would produce and distribute "A" features, such as *Macbeth* and *The Quiet Man*, but it

was the “B” Westerns and adventure serials that they knew best how to produce and market. Until its demise in 1959, Republic fed hungry moviegoers with a steady diet of “B” Westerns, serials, dramas, series pictures and musicals. The Republic Pictures Checklist provides a full listing of Republic releases, with plot synopses, release dates, alternate titles, chapter titles and awards. All of Republic’s output, including documentaries and training films, is included.

Knot My Valentine M.P. Starkweather, Growing up in a small town has its perks. I know everyone, and everyone knows me. It also has drawbacks...everyone knows my business too. My dating life is non-existent until a trio of men move into town. Next door, in fact. I’m drawn to them for reasons I can’t explain. As an omega, I want nothing more than to find my pack and settle down. There are plenty of dependable, worthwhile suitors here. I shouldn’t be so focused on the new guys in town, but here I am, offering them a

home cooked meal and finding every other excuse I can to spend more time with them. Before I know it, they've convinced me to join their tech company as a consultant, and I'm spending every day with them. As Valentine's Day approaches, they make their intentions pretty clear, but I'm not sure that I'm ready for what they have in mind. Will I let them convince me, or lose my chance at happiness?
