The Life of Slang Julie Coleman,2012-03-08 Bad-ass, bee's knees, and bomb-diffity - slang rules Teachers, politicians, broadcasters, and parents complain of the slang-infested language of today's teenagers. But slang has been around for centuries, always troubling those who take a purist line on the English language. In this entertaining book, Julie Coleman traces the development of slang across the English-speaking world and explores why and how it flourishes. She makes use of a marvellous array of sources, including newly available online records of the Old Bailey, machine-searchable historical newspaper collections, slang users themselves, scholarly works, and the latest tweets. It is a book guaranteed to teach you some new words that you should never use in polite company.

Youth Gambling Jeffrey L. Derevensky,Daniel T. L. Shek,Joav Merrick,2011-10-27 Youth gambling represents a potentially serious public policy and health issue. Nevertheless, the rise in youth gambling issues and problems in the global context is not matched with a parallel increase in research on adolescent gambling. As such, there is an urgent need to conduct more studies on adolescent gambling behaviour. Recently significant advances in the knowledge of the risk factors associated with adolescent problems has emerged. This book addresses issues related to prevalence, assessment, prevention and treatment of youth gambling problems as well as concerns related to technological changes associated with youth problem gambling.

Born to Lose Bill Lee,2011-02-03 A gripping, true story of one man's forty-year struggle with compulsive gambling and his hard-won recovery. My history of gambling really began before I was born. So opens *Born to Lose*, Bill Lee's self-told story of gambling addiction, set in San Francisco's Chinatown and steeped in a culture where it is not unheard of for gamblers (Lee's grandfather included) to lose their children to a bet. From wagering away his beloved baseball card collection as a youngster to forfeiting everything he owned at black jack tables in Las Vegas, Lee describes what gambling addiction feels like from the inside and how recovery is possible through the Twelve Step program.

Dealer Wins Jon Konrath,2004-10-01 From the high-roller suites in the Stardust Casino to the beat-up \$39 rooms of the Circus Circus, this book unveils the trip reports of Konrath's stays in Sin City, written from an outsider's view with cynical wit and amazing detail. The Age of Addiction David T. Courtwright,2019-05-06 We live in an age of addiction, from compulsive gaming and shopping to binge eating and opioid abuse. What can we do to resist temptations that insidiously and deliberately rewire our brains? Nothing, David Courtwright says, unless we understand the global enterprises whose "limbic capitalism" creates and caters to our bad habits.

Encyclopedia of Junk Food and Fast Food Andrew F. Smith,2006-08-30 Eating junk food and fast food is a great all-American passion. American kids and grownups love their candy bars, Big Macs and supersized fries, Doritos, Twinkies, and Good Humor ice cream bars. The disastrous health effects from the enormous appetite for these processed fat- and sugar-loaded foods are well publicized now. This was particularly dramatically evidenced by Super Size Me (2004), filmmaker Morgan Spurlock's 30-day all-McDonald's diet in which his liver suffered the same poisoning as if he had been on an extended alcohol binge. Through increased globalization, American popular food culture is being increasingly emulated elsewhere in the world, such as China, with the potential for similar disastrous consequences. This A-to-Z reference is the first to focus on the junk food and fast food phenomena from a multitude of angles in addition to health and diet concerns. More than 250 essay entries objectively explore the scope of the topics to illuminate the American way through products, corporations and entrepreneurs, social history, popular culture, organizations, issues, politics, commercialism and consumerism, and much more. Interest in these topics is high. This informative and fascinating work, with entries on current controversies such as mad cow disease and factory farming, the food pyramid, movie tie-ins, and marketing to children, will be highly useful for reports, research, and browsing. It takes readers behind the scenes, examining the significance of such things as uniforms, training, packaging, and franchising. Readers of every age will also enjoy the nostalgia factor, learning about the background of iconic drive-ins, the story behind the mascots, facts about their favorite candy bar, and collectables. Each entry ends with suggested reading. Besides an introduction, a timeline, glossary, bibliography, resource guide, and photos enhance the text. Sample entries: A&W Root Beer; Advertising; Automobiles; Ben & Jerry's; Burger King; Carhops; Center for Science in the Public Interest; Christmas; Cola Wars; Employment; Fair Food; Fast Food Nation; Hershey, Milton; Hollywood; Injury; Krispy Kreme; Lobbying; Nabisco; Obesity; PepsiCo; Salt; Soda Fountain; Teen Hangouts; Vegetarianism; White Castle; Yum! Brands, Inc.

Tony 10 Tony O'Reilly,Declan Lynch,2018-03-02 Tony 10 was the online betting username of Tony O'Reilly, the postman who became front-page news in 2011 after he stole €1.75 million from An Post while he was a branch manager in Gorey. He used the money to fund a gambling addiction that began with a bet of €1 and eventually rose to €10 million, leading to the loss of his job, his family, his home - and winning him a prison sentence. From the heart-stopping moments in a hotel room in Cyprus with his wedding money riding on the Epsom Derby, to the euphoria of winning half a million over a weekend, to the late goals and the horses falling at the last fence, Tony 10 is the story of an ordinary man's journey from normality to catastrophe. At times, he vowed to get out while he was ahead, only to be taken by another surge of adrenaline, falling deeper and deeper into a compulsion that consumed his life. His disappearance on the morning the fraud was discovered led to a surreal three days on the run in Northern Ireland, and ultimately his arrest, conviction and sentencing to four years in jail. Tony 10 is the mesmerising story of the secret life of a pathological gambler - as well as the most compelling account yet of the damage wrought by the online gambling industry.

The Naked Farmer Ben Brooksby,2020-10-27 Ben Brooksby is a fifth-generation farmer from St Helens Plains in western Victoria. When he was younger, he struggled with anxiety and other mental health issues, as do so many others in rural communities. A simple social media post helped him to turn things around. After he shared a photo on Instagram showing himself naked in a truck full of lentils, he received a huge response, with other farmers wanting to share their own photos - and their stories. As the Naked Farmer movement grew, Ben met people from all around the country who wanted to get naked for mental health. As they got their kits off, they also opened up about their struggles. This is a heartwarming, moving and candid collection of stories of the challenges our farmers are facing, and the way these communities are banding together in response. Lessie Does Matt Baker,2017 Matt Baker from Lessie Does shares an interesting Australian Christian band story. In 1995 the Australian Christian band scene began to grow both in the world and within the Christian community. One venue in Adelaide, South Australia called the Underground, literally grew a hundred Christian bands. The Christian music scene in Australia then progressed to achieve many state number one records. This exciting chapter of music produced the largest independent Christian band scene in the history of Australia. The Australian Christian music scene then continued to grow and become national. These bands achieved national recognition. They played at festivals, received radio play and they also

toured nationally. This is an exciting book written and expressed with a band documentary writing style. The book was made and developed from real band documentary interviews -- cover description.

Critique of Everyday Life, Vol. 1 Henri Lefebvre,2008-02-17 Henri Lefebvre’s magnum opus: a monumental exploration of contemporary society. Henri Lefebvre’s three-volume Critique of Everyday Life is perhaps the richest, most prescient work by one of the twentieth century’s greatest philosophers. Written at the birth of post-war consumerism, the Critique was a philosophical inspiration for the 1968 student revolution in France and is considered to be the founding text of all that we know as cultural studies, as well as a major influence on the fields of contemporary philosophy, geography, sociology, architecture, political theory and urbanism. A work of enormous range and subtlety, Lefebvre takes as his starting-point and guide the “trivial” details of quotidian experience: an experience colonized by the commodity, shadowed by inauthenticity, yet one which remains the only source of resistance and change. This is an enduringly radical text, untimely today only in its intransigence and optimism.
