*New Challenges, New Tools for Defense Decisionmaking* Stuart E. Johnson, Martin C. Libicki, Gregory F. Treverton, 2003-03-31 It is still easy to underestimate how much the collapse of the Soviet Union and the end of the Cold War?--and then the terrorist attacks of September 11, 2001?--transformed the task of American foreign and defense policymaking. In place of predictability (if a sometimes terrifying predictability), the world is now very unpredictable. In place of a single overriding threat and benchmark by which all else could be measured, a number of possible threats have arisen, not all of them states. In place of force-on-force engagements, U.S. defense planners have to assume asymmetric threats?--ways not to defeat U.S. power but to render it irrelevant. This book frames the challenges for defense policy that the transformed world engenders, and it sketches new tools for dealing with those challenges?--from new techniques in modeling and gaming, to planning based on capabilities rather than threats, to personnel planning and making use of best practices from the private sector.

**Let's Get Biblical!** Tovia Singer, 2014-03-31 Explore the Jewish and Christian Scriptures with the world renowned Bible scholar and expert on Jewish evangelism, Rabbi Tovia Singer. This new two-volume work, Let's Get Biblical! Why Doesn't Judaism Accept the Christian Messiah?, takes the reader on an eye-opening journey through timeless passages in Tanach, and answers a pressing question: Why doesn't Judaism accept the Christian messiah? Are the teachings conveyed in the New Testament compatible with ageless prophecies in the Jewish Scriptures? Rabbi Singer's fascinating new work clearly illustrates why the core doctrines of the Church are utterly incompatible with the cornerstone principles expressed by the Prophets of Israel, and are opposed by the most cherished tenets conveyed in the Jewish Scriptures. Moreover, this book demonstrates how the Church systematically and deliberately altered the Jewish Scriptures in order to persuade potential converts

that Jesus is the promised Jewish messiah. To accomplish this feat, Christian translators manipulated, misquoted, mistranslated, and even fabricated verses in the Hebrew Scriptures so that these texts appear to be speaking about Jesus. This exhaustive book probes and illuminates this thought-provoking subject. Tragically, over the past two millennia, the church's faithful have been completely oblivious to this Bible-tampering because virtually no Christian can read or understand the Hebrew Scriptures in its original language. Since time immemorial, earnest parishioners blindly and utterly depended upon manmade Christian translations of the Old Testament in order to understand the Word of God. Understandably, churchgoers are deeply puzzled by the Jewish rejection of their religion's claims. They wonder aloud why Jewish people, who are reared since childhood in the Holy Tongue, and are the bearers and protectors of the sacred Oracles of God, do not accept Jesus as their messiah. How can such an extraordinary people dismiss such an extraordinary claim? Are they just plain stubborn? Let's Get Biblical thoroughly answers these nagging, age-old questions.

**Slave Market of Sin** R. B. Thieme, Jr., 1994-01-01 We think of ourselves as free, but we are born in an inescapable slavery—bondage to sin. As members of the human race we exist in a slave market of sin, helpless to redeem ourselves. We enter the world with a sin nature, separated from God and powerless to establish a relationship with Him. We have no way to emancipate ourselves from the captivity of our inherited depravity. However, the gracious plan of God for mankind calls for a savior, a redeemer—the Lord Jesus Christ—to purchase our freedom from the slave market. Christ is the only Person qualified to make such a purchase. The only requirement for eternal release from the slave market of sin is faith alone in Christ alone.

*King of RPGs 1* Jason Thompson, 2012-04-11 Jason Thompson, Level 14 Shaman/Oozemaster and

author of *Manga: The Complete Guide*, joins forces with Victor Hao to deliver a wickedly funny send-up of manga and gamer culture. Roll up your character and get ready! **THE GREATEST GAMER ON EARTH** At the University of California, Escondido, no one would guess that freshman Shesh Maccabee is a hard-core gamer—and in recovery to boot, following a court order, a wireless ban, and months of therapy (all because of one little seven-day Internet café episode). His friend Mike—who personally prefers Japanese-console RPGs—is tasked with keeping Shesh far away from any computer with access to *World of Warcraft*. Everything's going according to plan—until a Ren Faire fangirl introduces them to the campus gaming club, where they meet Theodore, a fanatical tabletop game master whose single goal in life is to run the greatest *Mages & Monsters* game in the world. And there just happens to be room for two more players. Soon Shesh and Mike are dragged into the dungeon of hard-core gaming—and cops, baboon men, Sri Lankan cave roaches, and Gothémon card collectors converge in the zaniest adventure that ever involved twenty-sided dice!

*The Public Burning* Robert Coover, 1997 Vice-President Richard Nixon - the voraciously ambitious bad boy of the Eisenhower regime - is the dominant narrator in an enormous cast that includes Betty Crocker, Joe McCarthy, the Marx Brothers, Walter Winchell, Uncle Sam, his adversary The Phantom, and Time magazine incarnated as the National Poet Laureate. All of these and thousands more converge in Times Square for the carnivalesque auto-da-fe at which the Rosenbergs are put to death.

*Taking Flight* Raquel Ramsey, Tricia Aurand, 2022-09-30 In October 1944 Nadine Ramsey was thirty-three and she was flying the cutting-edge P-51 Mustang to New Jersey, its last stop before heading to the war in Europe. The irrepressible young woman from Wichita had long been determined to fly and the gathering storm clouds of World War II had provided an unexpected opportunity. *Taking Flight* is the inspiring story of a girl from Depression-era Kansas who overcame tremendous challenges and defied convention to become an elite pilot—one of the few American women to fly fighter aircraft during World War II. *Taking Flight* follows Nadine as she became one of 1,102 women to join the Women's Airforce Service Pilots and one of only 303 WASPs to take to the skies in military cockpits, transporting aircraft to bases across the nation for use in the theaters of war. This book marks her milestones: the first Kansas woman to earn a commercial pilot license; among the earliest women to fly the US Air Mail; one of only 26 WASPs who flew the Lockheed P-38 Lightning, a fighter aircraft—and the first woman to own one; the only woman in the country to instruct male pilots to fly fighter planes after the war. Disbanded in late 1944 to make way for male pilots and barred from piloting for commercial airlines, the WASPs spent the next three decades fighting to win veteran status. *Taking Flight: The Nadine Ramsey Story* is a profile in courage of a woman who helped clear the flight path for today's female combat and commercial aviators.
