Revelation Part 1 Arthur Jicha, Jr.,2022-08-07 I discovered so many things at this time. I always thought Father had neutered his angels before throwing them into the Prison Hades. He told me he did not; they are at full power. I was shocked! Akibeel came into the connection. He would not talk to me, then the Knowing kicked in. His expertise was being able to separate the human spiritual body from the human physical body. They all acted like I was in big trouble because Akibeel was here. I welcomed the fact that he was here so I could beat him to a pulp with one of the first tools Father had given me. He ran away with his tail between his legs. The talking heads made their debut. They are 250 ft giants that can only get their heads through to our reality, because the power modules under them lack the power needed for their bodies to get through the gateway. I ventured inside my memories and I found a gateway, which seems to be an entry-point for the Negative Zone. It is more than fascinating. Father agreed to answer questions about the PIT. It is a great interview with Father. Also I discovered that the Shroud effect around my house is actually Hades. It was a piece of their environment brought there by the fallen angels. I couldn't believe it. I didn't worry because Father was there. It was a matter of either sending me to Hades with them or bringing Hades to me to write about it. After thinking we had sent all of the angels to the Abyss, many more started to show up. We are talking in the Millions. Yippee! In this book we also continue our analysis of their tones and pulsations. With this book, we have many captioned pictures. Father programmed my security cameras with the ability to record the spiritual reality and our physical reality either separate or at the same time. It took him 4 hours to program them. They are now genius cameras that know when to record the realities at the same time or separately.

The Web Files Margie Palatini, 2001-05-01 6:32 a.m. This is the farm. My partner, Bill, and I wereworking the barnyard shift. It was peaceful. Quiet. Then we got the call. Much of this fowl-filled homage to Dragnet (DUM DE DUM DUM!) will be lost on kids--and a few grownups, for that matter. But that doesn't make this straight-faced send-up of that famous crime-partner show--and a dozen-odd fairytales thrown in for good measure--any less funny. So you're saying you were robbed, is that right, ma'am? What exactly is missing from the nest, ma'am? Eggs, ma'am? Chicks, ma'am? But it turns out that it's peppers that have gone missing--a peck of perfect purple, almost-pickled peppers. But nobody was talking: We had Horner in the corner and were trying to make Little Boy Blue quack. Then our intrepid pair of web-footed investigators gets a break in the case when a tub of tartest tasty tomahto turns up missing. DUM DE DUM DUM! It's just more wit from the wonderful Margie Palatini, who brought us Piggie Pie and Zoom Broom, backed up on this assignment by the spirited illustrations of Richard Egelski. (Ages 4 to 8)--Paul Hughes
