**Modern Japanese Literature** ,2007-12-01 A collection of plays, essays, poetry, and reportage compiled by “the 20th-century’s premier scholar of Japanese literature” (Slate). Modern Japanese Literature is Donald Keene’s critically acclaimed companion volume to his landmark Anthology of Japanese Literature. Now considered the standard canon of modern Japanese writing translated into English, Modern Japanese Literature includes concise introductions to the writers, as well as a historical introduction by Professor Keene. Includes: “Growing Up” by Higuchi Ichiyō, a lyrical story of pre-adolescence in the nineties; Natsume Sōseki’s story of “Botchan,” an ill-starred and ineffectual Huck Finn; Nagai Kafū’s “The River Sumida;” Yokomitsu Riitchi’s Kafkaesque “Time;” Kawabata Yasunari’s “The Mole;” “The Firefly Hunt;” a glimpse into Tanizaki Junichirō’s masterpiece “Thin Snow;” and the postwar work of such writers as Dazai Osamu and Mishima Yukio.

**Midori Haus** Chie Kawahara,2017-11-18 Managing a major remodel of your home involves learning various aspects of a construction project: permitting; hiring contractors; clarifying what you really mean and want; managing a budget; overseeing quality, avoiding regrets; doing what’s right for yourself and standing up for yourself. It’s a big job. The learning curve is high and often we homeowners don’t get to apply the skills we learned again. In this book, the stories of a couple going through this learning curve is told through the lens of a novice just like a conversation with a homeowner over a cup of tea. What they thought they wanted (a brand new house in modern minimalist style with solar panels and recycled materials) is very different than what they ended up with (remodel of a 90-year-old house in the classic Arts and Crafts style to meet the stringent international building standard called Passive House). What caused this shift? How did they choose the contractor? How did they navigate out of overwhelm of green building choices? How did they manage the relationships? What would they do differently? Was it worth it? This book chronicles the journey by a couple from choosing the location through living in the house after the renovation completion. It wasn’t all about finding smart people and following expert guidance. When expert opinions diverged and they got stuck in analysis paralysis they had to trust their judgment and chose what they felt was right for them. After all, they’ll be living in the house for years after the experts are gone. Reviews for MIDORI HAUS: Chie Kawahara is a storyteller. Her book, Midori Haus, tells a compelling story in a conversational style about a couple who wanted to remodel an older home that would use as little energy as possible—and was comfortable and healthy to live in. Anyone who has an interest in green building—doing right for oneself and the planet—will find a friend in this book. -Jim Gunshinan, Editor, Home Energy Magazine “Midori Haus serves as a journey of adapting, learning, greening, nurturing, and caring for an old house by renewing the house to address current and future environmental challenges. The narrative is delightfully educational – the design process of achieving the passive house standard will be better understood through these stories and conversations.” -Alison G. Kwok, Ph.D., AIA, CPHC, University of Oregon The international Passive House standard has gained a deserved reputation as the fastest growing building energy efficiency standard in the world. Unsurprisingly, publications about it have mostly been by and for industry professionals. Midori Haus represents an alternative, introducing readers to Passive House through the eyes of a homeowner undertaking a remodeling project. Chie Kawahara takes readers along on her journey of discovery and remodeling triumph. She makes the process understandable and accessible and readers are given practical tools they can use on their own Passive House projects. There's nothing like a good case study told by the people involved to bring abstract concepts to life. Midori Haus doesn't disappoint. -Elrond Burrell, Architect, CPHD, blogger In this delightful book, Chie Kawahara describes the process she and her husband went through to purchase a 1920s bungalow and turn it into a state-of- the-art, healthy, green, Passive House. This account of their experiences is highly instructional for anyone considering buying and renovating a house, and it’s a wonderful read! -Alex Wilson, Founder, BuildingGreen, Inc.

**Midori by Moonlight** Wendy Nelson Tokunaga,2007-09-18 Midori's dream seems about to come true. When she falls in love with Kevin, an American English teacher, she readily agrees to leave home and start a new life with him in San Francisco.

**Information and Communications Security** Kwok-Yan Lam,Chi-Hung Chi,Sihan Qing,2016-11-23 This book constitutes the refereed proceedings of the 18th International Conference on Information and Communications Security, ICISC 2016, held in Singapore, Singapore, in November/December 2016. The 20 revised full papers and 16 short papers presented were carefully selected from 60 submissions. The papers cover topics such as IoT security; cloud security; applied cryptography; attack behaviour analytics; authentication and authorization; engineering issues of cryptographic and security systems; privacy protection; risk evaluation and security; key management and language-based security; and network security.

**Histories of Children and Childhood in Meiji Japan** Christian Galan,Harald Salomon,2024-02-29 This book bridges the gap between historical research on Japan and the field of childhood history by writing children and childhood into the general historical record of the Meiji period. To explore the widely varying circumstances of childhood during the Japanese transition to modernity, the volume presents survey studies and “snapshots” of historical moments by authors from Europe, Japan, and North America. These histories of children and childhood address various thematic aspects, from birth and child-rearing to the representation of childhood in literary works, and these are approached from differing angles, in terms of theoretical perspectives and methodology. The contributions display a particular awareness for the problem of sources in writing the history of childhood and youth. In doing so, they provide precious insights into children’s living circumstances and notions of childhood, also beyond the urban centres of evolving modern Japan. Exploring a wealth of sources including autobiographies, educational essays, government documents, children’s literature, youth journals and medical manuals, this will be a valuable resource to students and scholars of Japanese history, children's studies, the history of education, and social policy more broadly.

**Global Information Infrastructure (GII) Evolution** Sathya Rao,H. Uose,J. C. Luetchford,1996 This book provides the reader with a state-of-the-art knowledge on the evolution of communication networks towards global information infrastructure. The symposium specially addressed the issues of interworking to solve the interoperability issues in the heterogeneous networks environment. The articles cover the strategical issues concerning the evolution towards the broadband communication infrastructure with ATM based technologies and related challenge with control and management functionalities to be implemented to provide secure, cost-effective and interoperable high performance networks of the future. The topical issues are well organised to cover the full spectrum of related issues in terms of signalling and management, Multimedia service handling, Traffic management to guarantee the quality of service, interworking between narrow band and broadband networks, interworking issues related with network management, internet, mobile/satellite networks as well as the practical experiences around the world. The book is planned to provide the reader with an overview of the current status of infrastructure evolution direction so that they can plan the appropriate networks taking the futuristic scenarios into consideration.

**Japanese Notebook** Smart Bookx,2014-01-21 Japanese Gifts - Softback Paper Notebook [\$6.65 / £3.99] This handy Japanese notebook is our second most popular fine art design (after The Fox by Franz Marc) and is a particular favorite among customers looking for Japanese gifts / presents. Hokusai was a Japanese print-maker who lived at the beginning of the 19th Century and had no less than thirty different names over the course of his lifetime. The famous Great Wave off Kanagawa is the first print from a series of thirty-six which he created during his sixties, when widely regarded to be producing his best work (so it's never too late!). The central theme of the prints is Mount Fuji which can be seen in the background. As a Japanese Buddhist, the mountain represented to him the

gifts of life and immortality, and so Hokusai had something of a lifelong obsession with it, returning to it again and again. Whether a treat for yourself or a gift for another, this is perfect for those who love all things 'Japan'. Cover: Tough matte paperback. Artwork: A high resolution print of 'The Great Wave off Kanagawa' by Hokusai wrapped around the front and back covers. Dimensions: 20.3 x 12.7 cm / 8 x 5 inches. (A touch smaller than A5 but much bigger than A6; it fits easily in a bag but is larger than most pockets. It is best described as a medium notebook or a small journal.) Interior: 74 pages of good quality white paper, all wide-ruled with 23 lines to a page. [Please note: This is a plain ruled notebook. There is no internal content pertaining to Japan or Hokusai. We advise customers to use the search inside facility before purchasing.] Buy With Confidence Because Our Customers Love Our Stationery: \*\*\*\*\* Gorgeous Notebook ... I am very pleased with this purchase. The picture on the cover is lovely and the paper inside takes the pen beautifully ... ideal for jotting down ideas and shopping lists. I would buy this brand again. (30 Jun 2014) \*\*\*\*\* Very Nice ... Beautiful. My daughter loved them!!! (August 17, 2014) \*\*\*\*\* Love the Van Gogh Notebook ... Loved it, keep it in my purse incase of creative impulses. (November 8, 2013) \*\*\*\*\* Beautiful Book ... Awesome pictures on front and back ... It will be a nice journal (December 31, 2013) \*\*\*\*\* Five Stars ... Great artwork, perfect size. (August 16, 2014) \*\*\*\*\* Really Pretty Notebook ... My mom loved it ... Going to get The Best Dad in the World one for my dad at Christmas ... highly recommend. (July 1, 2014) Not what you're looking for? This design is also available as a smaller notebook (4x6 inches) and a larger journal (6x9 inches), or we have plenty more notebooks in both our Fine Art Signature Series and our World Cultures series. Click on the blue smART bookx link above to see our full range of over 60 fantastic designs. There's also a photo of some of our products there too. Thanks for looking, The smART bookx design team Want to Purchase this Notebook Wholesale? This is one of our best-selling notebooks. Its recommended retail price is \$10. All of our products can be purchased wholesale by retailers and academic institutions within the USA. You'll need to sign up online for a Createspace Direct Resellers account first. **A Custom-Fit Crime** Melissa Bourbon, 2013-07-02 After a year of hard work in her Texas hometown, Harlow Jane Cassidy's dreams are finally within reach—if she can just get it all done in time... Harlow's designs will be featured in a big magazine spread, but she only has a few days to finalize her collection. Plus she's busy helping to plan her mother's upcoming wedding, playing host to her old friend Orphie, and avoiding a competitive Dallas designer set on stealing Harlow's ideas. Harlow's making it all work—until someone breaks into Buttons & Bows and the rival designer is found dead. But when a near miss makes it clear that Orphie could be the next victim, Harlow will have to untangle the threads of evidence if she wants to save her friend, her mother's wedding, and her business from becoming fashion road kill...

**Video Games Around the World** Mark J. P. Wolf, 2015-05-01 Thirty-nine essays explore the vast diversity of video game history and culture across all the world's continents. Video games have become a global industry, and their history spans dozens of national industries where foreign imports compete with domestic productions, legitimate industry contends with piracy, and national identity faces the global marketplace. This volume describes video game history and culture across every continent, with essays covering areas as disparate and far-flung as Argentina and Thailand, Hungary and Indonesia, Iran and Ireland. Most of the essays are written by natives of the countries they discuss, many of them game designers and founders of game companies, offering distinctively firsthand perspectives. Some of these national histories appear for the first time in English, and some for the first time in any language. Readers will learn, for example, about the rapid growth of mobile games in Africa; how a meat-packing company held the rights to import the Atari VCS 2600 into Mexico; and how the Indonesian MMORPG Nusantara Online reflects that country's cultural history and folklore. Every country or region's unique conditions provide the context that shapes its national industry; for example, the long history of computer science in the United Kingdom and Scandinavia, the problems of piracy in China, the PC Bangs of South Korea, or the Dutch industry's emphasis on serious games. As these essays demonstrate, local innovation and diversification thrive alongside productions and corporations with global aspirations. Africa • Arab World • Argentina • Australia • Austria • Brazil • Canada • China • Colombia • Czech Republic • Finland • France • Germany • Hong Kong • Hungary • India • Indonesia • Iran • Ireland • Italy • Japan • Mexico • The Netherlands • New Zealand • Peru • Poland • Portugal • Russia • Scandinavia • Singapore • South Korea • Spain • Switzerland • Thailand • Turkey • United Kingdom • United States of America • Uruguay • Venezuela

*Tokyo New City Guide* Mayumi Yoshida Barakan, Judith Connor Greer, 2012-07-17 The Tokyo New City Guide goes far beyond the well-worn tourist itineraries and deep into the complex, highly contrasted heart of one of the world's largest and most exciting cities. This lively, up-to-the-minute Japan travel guide covers modern Tokyo like no other. Here's where you will find the ideal balance between the still-extant traditional Japan with its temples, way of life, arts and crafts, kimono, festivals, customs and cuisine and the crowded futuristic technopolis of electronics, high fashion, contemporary art and architecture, and gastronomic experiences from the four corners of the globe. Bewildering at times, the coexistence of such contrasts is precisely what makes Tokyo tick. More than just a perfunctory Tokyo guide, this is a handbook for life in contemporary Tokyo. The style is informative, absorbing and witty and, where

due, refreshingly frank and critical. Bursting at the seams with information, it is not only invaluable for the short term visitor or the newcomer, but likely to send even the most jaded long-term residents off to explore some new horizons of their many-faceted adopted home.

This Engaging World of E-book Books: A Thorough Guide Unveiling the Advantages of E-book Books: A Realm of Ease and Flexibility E-book books, with their inherent mobility and ease of access, have liberated readers from the constraints of physical books. Gone are the days of carrying cumbersome novels or meticulously searching for specific titles in bookstores.
