There Is No Time Like The Present To Create Your Future Chineme Noke,2012-03-01 Chineme Noke helps people to overcome the very real problems they face which can overwhelm and rob them of their well-being and future happiness. She does this by dealing effectively with what she refers to as the mountains and molehills that we all encounter in our daily lives. She formulated these seven action steps in order that anybody can take charge of their present to create for themselves a better future. They are action steps that will change your attitude and, ultimately, your life. As a woman working in a male-dominated corporate world for over 20 years, Chineme realised early on that it was essential for her to be able to deal effectively with the ongoing challenges and opportunities with which her rapid career progression inevitably presented. Her daughter has learning difficulties and Chineme's past experiences served her well in dealing with the challenges and opportunities that her daughter faced within the educational system.
