Mirror's Edge (Impostors, Book 3) Scott Westerfeld, 2021-04-06

The danger rises and the deception grows in the heart-stopping third book in the New York Times bestselling Impostors series! Frey's return to the city of her birth isn't going to be an easy one. She and her love Col must surge on new faces and bodies in order to infiltrate Shreve by dropping from the sky and landing undetected. Frey's sister Rafi -- no longer a twin in features, but still a twin by birth -- is the wild card. Are the sisters on the same side . . . or are they playing to their own agendas? If their father is deposed from Shreve, who will take control? And what other forces may be waiting in the wings? *Mirror's Edge* is another brilliant blockbuster from one of the greatest speculative writers YA fiction has ever seen, set within the world of *Uglies* . . . and about to converge with *Uglies* in a spectacular way.

And it's not just him—the world is a polluted mess, corporate influence has replaced independent thought, and his fiancée has decided that Rath is no longer worth her time. While Rath embraces his multiple vices, he never expected his next bender to land him in another world entirely. He finds himself in Sarah's world—an untainted parallel universe to his own: a pristine woodland where every person is the absolute master of their domain, and where Rath's AI chip isn't dictating his every move. The opportunity to change his life presents itself in permutations of reality,

but Sarah wants nothing more than to follow Rath back to his world. As their mirror worlds collide, Rath teeters on the edge of oblivion.

The Mirror's Edge Steven Sidor, 2008-04-01 Twin brothers, two years old, are snatched out of their Chicago home at noon on their birthday, never to be seen again. The kidnappers never make contact. The crime haunts the city, devastating those left behind. As the anniversary of the abduction approaches, freelance journalist Jase Deering begins to investigate a case gone cold for the police. What he finds is a paranoid former nanny who had the word *mirrorrorm* carved into her flesh that fateful day and a trail that leads to a fabled figure, Aubrey Hart Morick. Morick, dead for many years, was an iconic practitioner of the black arts whose legacies are a scandalous reputation and a son named Graham. Increasingly convinced that Graham Morick is more than the simple, innocent man he claims to be, Jase Deering finds the line between natural and supernatural beginning to blur. His determined search for the truth may cost him, and everyone he holds dear, more than he can bear.
