*Long Journey Home* Os Guinness, 2003-11-18 Have you woken up to the journey of life? Have you reached a point where you long for “something more”? Have the things you have striven to achieve turned out to be far less than enough? Do you desire to unriddle life’s mystery and pursue a life rich with significance? *Long Journey Home* is a seeker’s road map to the quest for meaning. Rich in stories and profoundly personal as well as practical, it explores the great philosophies of life and charts the road toward meaning taken by countless thoughtful seekers over the centuries. Written for those who care and those who are open, “it assumes no faith in the reader, only the recognition that the humanness of life as a journey is something we should all care about enough to seek to make sense of it and to make up our minds for ourselves.”

**One Degree of Change** Larry Jackson, 2015-01-23 This book was written for the person who understands that there is so much more for them to accomplish but just can't seem to breakthrough. One of the traps in life is being satisfied with a 211 degree life. This is a very good life and many would characterize it as a successful life. But for the person who should be living at 212 degrees they feel like the oyster with sand in its shell, very agitated. Many times they can't put their finger on what is wrong or what is needed. Even the Christian living a good life before God can feel that something is missing. The thing missing is their purpose. They love the Lord and all that He provides but they realize there is more they should be doing for Him. If you feel like you are not walking in your purpose then this is the book for you! *One Degree of Change: How to Succeed Now!* will open your heart and mind to just how close you

really are to accomplishing what the Lord has designed you for. It will provide much needed answers for your advancement. Because you are only one degree from the success you desire.

**Achtung-Panzer!** Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Scars, Marks & Tattoos Jacqueline Caruso,2021-03-31 I have physical scars from past surgeries, however, I have emotional scars as well. They were buried deep inside (hidden). It wasn't until my mother died was I able to catch my breath and to make sense of or process the emotional pain I had endured due to her prescription drug addiction, resulting in my own addictions.

**Life After Death** Sister Souljah,2022-02-15 Winter Santiago hit time served. Still stunning, still pretty, still bold, still loves her father more than any man in the world, still got her hustle and high fashion flow.

She's eager to pay back her enemies, rebuild her father's empire, reset his crown, and ultimately to snatch Midnight back into her life no matter which bitch had him while she was locked up. But Winter is not the only one with revenge on her mind. Simone, Winter's young business partner and friend, is locked and loaded and Winter is her target. Will she blow Winter's head off? Can Winter dodge the bullets? Or will at least one bullet blast Winter into another world? Either way Winter is fearless. Hell is the same as any hood and certainly the Brooklyn hood she grew up in. That's what Winter thinks.--Provided by publisher.

*The Coldest Winter Ever* Sister Souljah, 2010-11-30 A New York Times and USA TODAY Bestseller "50 Most Impactful Black Books of the Last 50 Years." —Essence Nominated as one of America's best-loved novels by PBS's The Great American Read The instant classic from the #1 New York Times bestselling author of *Life After Death* brings the streets of New York to life in a powerful and utterly unforgettable novel. I came busting into the world during one of New York's worst snowstorms, so my mother named me Winter. Ghetto-born, Winter is the young, wealthy daughter of a prominent Brooklyn drug-dealing family. Quick-witted, sexy, and business-minded, she knows and loves the streets like the curves of her own body. But when a cold Winter wind blows her life in a direction she doesn't want to go, her street smarts and seductive skills are put to the test of a lifetime. Unwilling to lose, this ghetto girl will do anything to stay on top. Twenty-five years and over one million copies later, *The Coldest Winter Ever* is a bestseller and a national treasure, a classic handed down from one reading generation to the next. Whether

you are reading it for the first time or have cherished it for years, you will never forget this Winter's tale.

The Evolution of Bruno Littlemore Benjamin Hale, 2011-04-01 SHORTLISTED FOR THE DYLAN THOMAS PRIZE 2011 Bruno Littlemore; linguist, artist, philosopher. A life defined by a soaring mind, yet bound by a restrictive body. Born in down-town Chicago, Bruno's precocity pulls him from an unremarkable childhood, and under the tuition of Lydia, his intellect dazzles a watching world. But when falls in love with his mentor, the world turns on them with outrage: Bruno is striving to be something he is not, and denying everything that he is. For despite his all too human complexities, dreams and frailties, Bruno's hairy body, flattened nose and jutting brow are, undeniably, the features of a chimpanzee. Like its protagonist, this novel is big, abrasive, witty, perverse, earnest and accomplished. The Evolution of Bruno Littlemore goes beyond satire by showing us not what it means, but what it feels like be human - to love and lose, learn, aspire, grasp, and, in the end, to fail.

Angels and Demons in Art Rosa Giorgi, 2005 This sumptuously illustrated volume analyzes artists' representations of angels and demons and heaven and hell from the Judeo-Christian tradition and describes

how these artistic portrayals evolved over time. As with other books in the Guide to Imagery series, the goal of this volume is to help contemporary art enthusiasts decode the symbolic meanings in the great masterworks of Western Art. The first chapter traces the development of images of the Creation and the Afterworld from descriptions of them in the Scriptures through their evolution in later literary and philosophical works. The following two chapters examine artists' depictions of the two paths that humans may take, the path of evil or the path of salvation, and the punishments or rewards found on each. A chapter on the Judgment Day and the end of the world explores portrayals of the mysterious worlds between life and death and in the afterlife. Finally, the author looks at images of angelic and demonic beings themselves and how they came to be portrayed with the physical attributes--wings, halos, horns, and cloven hooves--with which we are now so familiar. Thoroughly researched by and expert in the field of iconography, *Angels and Demons in Art* will delight readers with an interest in art or religious symbolism.
