**How To Build Network Marketing Leaders Volume Two** Tom "Big Al" Schreiter, 2019-12-06 Leadership is a learned skill. No one is a natural-born leader. By showing, participating, experiencing ... and of course, sharing stories. Yes, our distributors could imitate us to become leaders, but not everyone is created the same, with the same set of skills or advantages. So there must be common lessons everyone can learn for leadership. Inside this book you will find many ways to change people's viewpoints, to change their beliefs, and to reprogram their actions. And when these three things change, the results will naturally change too. Building leaders in your organization is the best investment in financial security you can make. The return on your investment is paid over and over again. And the earnings from developing one good leader could dwarf the monthly payout of almost any retirement plan. *Marketing Adventure* Maurice Winkelman, 2021-08-10 What Is Multilevel Marketing (MLM)? Multi Level marketing (MLM) is a strategy some direct sales companies use to encourage existing distributors to recruit new distributors who are paid a percentage of their recruits' sales. The recruits are the distributor's downline. Distributors also make money through direct sales of products to customers. Amway, which sells health, beauty, and home care products, is an example of a well-known direct sales company that uses multi level marketing. Multilevel marketing is a legitimate business strategy, though it is controversial. They said MLM is Easy Peasy, Lemon Squeezy! (Woohoo!) They said you can have uncapped residual income (Oooh, I'll have some of that, please!) They said it is location-independent (..and a large slice of that...) They said all you need is 15 minutes a day (Include me in, sister!) They said the products sell themselves (Hallelujah!) They said it is low risk - high reward (Praise the Lord!) They never said what it actually means to be an MLM consultant (Sigh) In this memoir, the author shines a forensic light into the shadowy corners of the MLM experience in search of what it truly means to 'Work from your phone.' Hold your breath as the author chases after the white rabbit of Multi-Level-Marketing, to an entrepreneurial Wonderland where the new 'normal' features 3-way calls with strangers, freely divulging your credit card details as if cyber-scamming didn't exist, never understanding what you're supposed to do, mastering the non-culinarily art of peeling the MLM onion, spending your life on social media, and becoming an absent wife and mother.
