

Modi

Ashok Anand

Modi Demystified Ramesh Menon, 2014-12-01

3,00,000 km. 5,200 events. 10 million volunteers. 814 million voters. 282 seats. The 2014 elections will be remembered for a campaign that captured the public imagination as never before. At its heart was Narendra Modi, 63, the feisty chief minister of Gujarat for thirteen years, bidding to be prime minister. By the end of the campaign, there was scarcely anyone who had not--on television, radio, social media or at one of his rallies--heard his message. He too seemed to have grown from a regional satrap to a leader with a national stature. Long before the results were out, the outcome seemed a foregone conclusion. Behind the ascent to prime minister, though, is a story of tough politics and hard strategy. In spite of his achievements, minorities are wary of his Hindu nationalist background, and bureaucrats and party colleagues are jittery about his reputation as an autocrat. Most of all, he has never fully been able to exorcize the ghosts of the riots that took place on his watch in Gujarat in 2002, leading to doubts among his critics about how India's social fabric will fare during his term. As he gets down to write a fresh chapter in the country's history, *Modi Demystified: The Making of a Prime Minister* takes a close-up look at his rollercoaster ride to power. In the process, senior journalist Ramesh Menon reveals a man of many dimensions who will lead this diverse nation.

Modi 2.0 Sunil Sharan, 2021-04-18 German Chancellor Angela Merkel has been known to be

critical about India's policies in Kashmir. But when on Prime Minister Narendra Modi's birthday in 2020, Merkel sent him a note wishing him with the words Liebe Narendra (Dear Narendra), written in hand, one knew that Modi had arrived on the world stage. Modi 2.0: Beyond the Ordinary is an objective analysis of the prime minister, his struggles and achievements, his spiritual journey, the men and the women in his life, and his friends and enemies. It also doesn't shy away from discussing the difficult questions surrounding Modi-Godhra and his relations with India's Muslims. Self-confessedly, author Sunil Sharan was once critical of Narendra Modi but after carefully observing him for years, he realised that Modi is indeed a transformational man. Today, India stands rejuvenated, its prestige around the world high, the spirit of its people uplifted. Once the question used to be: Who after Nehru? Now the question is: Who after Modi? Modi 2.0 debates the possibilities.

Modi : Common Man's PM Kishor Makwana, 2021-01-01
This book is a worth-reading, prolific and insightful life-sketch of the torch-bearer of Indians. It is about common man's Prime Minister Narendra Modi who has become a ray of hope for 125 crore Indians—from a humble farmer to an ambitious industrialist—having taken the route to good governance after being sworn as India's Prime Minister in May 2014. The game-changer of Indian politics, Modi had taken the mesmeric hold over Gujarat masses with three consecutive victories in the state assembly elections and was a senior campaign adviser drawing unprecedented crowds for

Lok Sabha 2014 elections. After getting elected PM, Modi is often echoed in 24x7 Breaking News on media channels and enjoys good rapport with the top world leaders whom he visited during his six months of Prime Minister-ship. The insightful leader led India at the India-ASEAN Summit, G-20 Summit and had bilateral meetings with the leadership of countries like US, Japan, China and other neighbouring countries of India. He has launched new avenues of cooperation with the countries with which India has deep historical and cultural ties over centuries. His initiatives like 'Make in India' and 'Swachchha Bharat Abhiyan' have been widely lauded. Modi has called for innovative effort to make renewable energy, especially solar energy, competitive with conventional energy and pitched for global cooperation on repatriation of black money.

Mahanayak Narendra Modi Kumar Pankaj, I want to make three promises. First, I will not hesitate to make any efforts to fulfill any responsibility that the people of the country put on my shoulders. Second, I will not do anything for my personal benefit and third, I will not work with any malafide intentions. I assure you for these three things. -Narendra Modi The popularity of Narendra Damodardas Modi has increased multifold after he became the Prime Minister of India. He has achieved fame within the country and all over the world. Narendra Modi has also earned himself a new place of pride in the countries who have keen interest in India. Everyone is watching him for his next steps with eagerness and interest. Apart from Pakistan, many superpowers like USA, Britain

and China are very anxious to improve their ties with us. Everyone hopes that India will witness a new dawn of progress on its horizon. This is also an acid test of how he will face and solve the challenges posed by the nation, how he will give a direction to the aspirations of millions of citizens and how he will fulfil the promises made by him before the election. This may not be new to him, as he has been regularly confronting challenges since his childhood. There are numerous questions but they also have answers because ever since he took up the reins of Gujarat for the first time in 2001, he has never looked back. Now, he holds the command of the entire country in his hands. He did this because he is a great leader. A Mahanayak- a great leader indeed! Kumar Pankaj, an experienced journalist has studied the entire journey of Narendra Modi, starting from his childhood to the present position he holds today, in great depth. This work, by the successful author of 'Namo mantra of Narendra Modi', is worth preserving.

Modi's India Christophe Jaffrelot, 2023-04-11 A riveting account of how a popularly elected leader has steered the world's largest democracy toward authoritarianism and intolerance Over the past two decades, thanks to Narendra Modi, Hindu nationalism has been coupled with a form of national-populism that has ensured its success at the polls, first in Gujarat and then in India at large. Modi managed to seduce a substantial number of citizens by promising them development and polarizing the electorate along ethno-religious lines. Both facets of this national-populism found

expression in a highly personalized political style as Modi related directly to the voters through all kinds of channels of communication in order to saturate the public space. Drawing on original interviews conducted across India, Christophe Jaffrelot shows how Modi's government has moved India toward a new form of democracy, an ethnic democracy that equates the majoritarian community with the nation and relegates Muslims and Christians to second-class citizens who are harassed by vigilante groups. He discusses how the promotion of Hindu nationalism has resulted in attacks against secularists, intellectuals, universities, and NGOs. Jaffrelot explains how the political system of India has acquired authoritarian features for other reasons, too. Eager to govern not only in New Delhi, but also in the states, the government has centralized power at the expense of federalism and undermined institutions that were part of the checks and balances, including India's Supreme Court. Modi's India is a sobering account of how a once-vibrant democracy can go wrong when a government backed by popular consent suppresses dissent while growing increasingly intolerant of ethnic and religious minorities.

The Real Modi Arvind Chaturvedi, 2020-08-28 Who were the people who accompanied Narendra Modi in his baraat? Who introduced him to cricket, a sport he loved playing? What was his first responsibility after joining the RSS in Ahmedabad? Who imparted the first lessons in savings to Modi? What was the fate of the tape recorder that was gifted to him by his guru? Why did Modi never

allow Shankersinh Vaghela to ride his scooter? What was the secret that stopped Modi from not being apprehended during the Indian Emergency? Peppered with anecdotes and personal interviews, *The Real Modi* narrates several aspects of Narendra Modi's life, which were hitherto unknown to the public at large. It reveals several stories related to the Indian Prime Minister's childhood days, the friends and mentors during his growing-up years, his initial struggles, his political education, the travails during Emergency, his entry into Indian politics and many more. A thrilling read, this is an account of Modi's life experiences before becoming the prime minister and the lessons and wisdom that he gathered on the way. Sales Points

Narendra Modi: Prime Minister of India Alexis Burling, 2019-01-01 Introduces readers to the political career of Indian Prime Minister Narendra Modi. Engaging infographics, thought-provoking discussion questions, and eye-catching photos give the reader an invaluable look into India and the office of its current leader.

The Modi Effect Lance Price, 2015-03-12 How did a 'chai wallah' who sold tea on trains as a boy become Prime Minister of India? On May 16, 2014, Narendra Modi was declared the winner of the largest election ever conducted anywhere in the world, having fought a campaign unlike any before. Political parties in Britain, Australia and North America pride themselves on the sophistication of their election strategies, but Modi's campaign was a master-class in modern electioneering. His team created an election machine that broke new ground

in the use of social media, the Internet, mobile phones and digital technologies. Modi took part in thousands of public events, but in such a vast country it was impossible to visit every town and village. The solution? A 'virtual Modi' - a life-size 3D hologram - beamed to parts he could not reach in person. These pioneering techniques brought millions of young people to the ballot box - the holy grail of election strategists everywhere - as Modi trounced the governing Congress Party led by the Gandhi dynasty. Former BBC correspondent and Downing Street communications expert Lance Price has been granted exclusive access to Prime Minister Narendra Modi and his team of advisers. With complete freedom to tell it as he finds it, he details Modi's rise to power, the extraordinary election victory and its aftermath. The Modi Effect: Inside Narendra Modi's campaign to transform India lifts the lid on a whole new box of tricks, where message-management and IT wizardry combined to create a vote-winning colossus of awesome potency.

The Modi Myth S Nihal Singh, 2015-10-23 A long-term observer and analyst of the Indian political scene takes a hard look at the Narendra Modi phenomenon. S. Nihal Singh believes that the rise of Modi marks a sharp break from more than six decades of political consensus. While Atal Behari Vajpayee's six years of power at the head of a coalition government were broadly in line with Nehruvian philosophy except for teasing the fringes, the emergence of Modi as the leader of the Bharatiya Janata Party represents a significant shift in the working of the polity of

the world's largest democracy. In essence, Modi and his mentor, the Rashtriya Swayamsevak Sangh, are seeking to change the basis on which independent India has evolved. Instead of consensual politics in a country of many religious and ethnic groups with Muslims alone constituting more than 172 million people, the new dispensation is emphasizing separateness with loud Hindu overtones. Where this will take the country is a question time will answer.

Narendra Modi Andy Marino, 2014-04-06 Narendra Modi, the BJP's prime ministerial candidate, is powerful, popular and controversial. With the general elections due to conclude in May 2014, Modi's campaign rallies have drawn unprecedented crowds. Yet, the man remains an enigma. His supporters regard him as the visionary, decisive leader India needs today. His detractors see him as a polarizing figure. Is Modi authoritative or authoritarian? Decisive or divisive? A team player or a loner? Andy Marino recorded interviews with Narendra Modi during more than half-a-dozen exclusive meetings - unprecedented access to a very private man. What emerged is this riveting, objective biography of a man who could be India's prime minister. Not shying away from the controversies that have dogged Narendra Modi, including the Gujarat riots and questions about the Gujarat model of governance and development, this political biography provides an unbiased account of possibly the most important figure in Indian politics today. Marino records hour-by-hour details of the 2002 Gujarat riots, presenting a balanced analysis of that raw wound on India's

polity. It also reveals hitherto unpublished, authenticated documents, which makes this one of the most important books of 2014. The author analyses Narendra Modi's values, the people who shaped his thinking and the sort of national leader he will make. Personal details of Modi's early life, his wanderings in the Himalayas between the ages of seventeen and nineteen, his rise through the political ranks, his vision for India and his personal philosophy on religion and politics are revealed in a book that is lucid, fast-paced and readable. Narendra Modi: A Political Biography is an insightful, exhaustive and impeccably researched account of the ascent of a political leader.

Modi Stole My Mask ,2021

Modi's Vision 2030 Dr. Virendra Singh Baghel, India started its economic reforms in 1991 and has seen huge incremental benefits – greater openness, higher growth and substantial poverty reduction. India is now the world's sixth largest economy and has seen major transformation in many parts of the economy and the country. But with new opportunities have come new challenges which are now being tackled. Seminal reforms such as GST and IBC are transforming the economic landscape of the country. India's infrastructure deficit is being addressed at a faster pace and the ease of doing business is being tackled on a war footing with India's global rankings showing huge improvements. But yet more needs to be done as the aspirations of India's young population are huge. India is also in the midst of a huge demographic transformation which if taken advantage of can

propel India to even higher levels of growth. The benefits of India's demographic dividend and a huge domestic market puts it in an advantageous position to become a \$9 - 10 trillion economy by 2030. However, our economic growth is contingent on improving competitiveness, attracting more investment, creating enough employment opportunities to absorb the growing population and overcoming the challenges of exclusion and inequitable access due to multiple deprivations of class, caste and gender – all of which require disruptive approaches to find solutions. Unfortunately, there is no single silver bullet, no one action that will fix all the problems that we face currently. Rather, we need to act on several fronts. The Modi's Vision 2030" was initiated with a view to chart out an agenda of reforms and programmes in 10 inter-connected areas that will help drive India to its goals of shared prosperity by 2030 and a more competitive economy rising to become the third largest in the world. This report, encompassing ten underpinning chapters, identifies the challenges of tomorrow, points to key choices ahead, and recommends not just "what" needs to be reformed, but "how" to undertake the reforms. Policy consistency and coordination is essential if we are to achieve inclusive growth and significantly reduce unemployment. Productivity and investment-led transformation can inject new dynamism into the economy and ensure future growth, employment, and prosperity. This would enable the economy to gain the momentum it needs to become the global economic centre and become a magnet for

investments. In the last 91 years, FICCI has played an active role in the progress and development of the Indian economy, representing not just the voice of industry but also being an active partner in the development agenda of the government. By 2030, India should transcend a new era of transformation and FICCI will continue to contribute to the building of a “New India”. We are confident that you will find this report insightful and engaging and look forward to your feedback and suggestions.

Marching with a Billion Uday Mahurkar, 2019-08-25
In *Marching with a Billion*, Uday Mahurkar analyses the Modi government's first term in power against the backdrop of years of policy paralysis and corruption before he took office, leaving him with a tough task and high expectations. Focusing on key areas of governance like infrastructure, foreign affairs, power, the social sector, finance, digital technology and agriculture, the author showcases the work of the present government and the monumental changes the prime minister has brought about. This includes digital innovation and the elimination of the middleman, which has resulted in transparency and last-mile delivery. He also points out some of the shortfalls of Modi's government, subjecting it to critical evaluation. Will Modi become a great institution builder, a prerequisite to becoming a nation builder? What can we expect from the second term? This book has the answers.

Narendra Modi Icon of Development Kishore Makwana, 2021-01-19

Gujarat Under Modi CHRISTOPHE. JAFFRELOT, 2024-07

The definitive account of Modi's rule over his home state of Gujarat, for better and worse--a template he now applies to India as a whole.

Modi Doctrine Sreeram Chaulia, 2016-10-10 Since becoming India's prime minister in 2014, Narendra Modi has been a tour de force in foreign policymaking. A vastly experienced administrator who has held key public positions as chief minister of an Indian state for more than a decade, and now as prime minister, he has always seen value in foreign affairs and devoted special attention to it with his unique entrepreneurial flair and coherent set of ideas. Every realm of Indian foreign policy- commercial diplomacy, defence diplomacy, diaspora outreach, cultural diplomacy, geostrategy and soft power- has been transformed by him with a sense of destiny not witnessed in recent memory. Indians and people the world over have noticed his star presence and are asking questions like 'Why is he investing so much time and energy into promoting India's international relations and global image?'; 'What are his vision and goals for India's role in the world?'; 'What kind of distinct techniques define his approach to foreign policy?'; 'How is he changing India's self-understanding and preparing it for world affairs?'. This book provides the answers by delving into the mind and method behind Narendra Modi's avatar as India's diplomat-in-chief. It argues that under his able watch, India is heading toward great power status in the international order.

Modi and the Reinvention of Indian Foreign Policy Hall, Ian, 2019-09-25 Narendra Modi's

energetic personal diplomacy and promise to make India a 'leading power' surprised many analysts. Most had predicted that his government would concentrate on domestic issues, on the growth and development demanded by Indian voters, and that he lacked necessary experience in international relations. Instead, Modi's first term saw a concerted attempt to reinvent Indian foreign policy by replacing inherited understandings of its place in the world with one drawn largely from Hindu nationalist ideology. Following Modi's re-election in 2019, this book explores the drivers of this reinvention, arguing it arose from a combination of elite conviction and electoral calculation, and the impact it has had on India's international relations.

Making Sense of Modi's India Various, 2016-03-10
An incisive look at India under Narendra Modi
essays by Meghnad Desai, Andrew Whitehead, Sudheendra Kulkarni, Rashmee Roshan Lall, Sevanti Ninan, R. Jagannathan, among others
Making Sense of Modi's India attempts to understand the meaning and implications of Narendra Modi and the Bharatiya Janata Party's massive victory in the May 2014 general election, regarded as a watershed in post-Independence India's political history. The book brings together a cross-section of leading voices from academia, media and politics to examine the factors behind the dramatic resurgence of Hindu nationalism and Modi's own meteoric rise. Where is India headed under Modi? What exactly are the contours of the 'new' India he has promised to build? And is his promise of 'development' real or a cover for a hidden agenda?

The book raises these questions in an attempt to contribute to - and hopefully shape - the debate on the future of modern India.

One Vs All Ashok Anand, 2016 One vs All: Narendra Modi-Pariah to Paragon is all truth. Ashok Anand has dissected ages-old layers of ignorance, myths and ego with his surgical observation to let the truth breathe out of the diseased society. It shames the political class, bureaucracy and religious bigots. It unmasks an absolutely hypocrite society that clings to the past, despises change, lives in denial but notorious for hidden avarice, arrogance and lust. Each chapter of this book will unfold many bitter truths. Have ever thought why a poor tea-seller boy, today occupying the prime minister's chair, is not corrupt, greedy and foul-mouthed like most of the others in the country? How a Pariah pronounced by the anti-national political forces could become a Paragon of values? The Indian society, howsoever ignorant and selfish maybe, needs space to evolve, grow and prosper. Would Narendra Modi be able to do that? Truth is very hard to digest. If brave enough, go ahead and read. Not a thriller. Better than a thriller. One vs. All: Narendra Modi-Pariah to Paragon takes the reader to the demonic world of Indian politics, surrounded by the intrigues of a superstitious and ignorant society that loves dwelling in the past and detests any change.

documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over

60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Modi free PDF files is Open Library. With its vast

collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those

interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking

within the academic community. When it comes to downloading Modi free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to

download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Modi free PDF files is convenient, it's important to note that

copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Modi. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its

classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Modi any PDF files. With these platforms, the world of PDF downloads is just a click

away.

FAQs About Modi Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including

classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and

background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Modi is one of the best book in our library for free trial. We provide copy of Modi in digital format, so the resources that you find are reliable. There

are also many Ebooks of related with Modi. Where to download Modi online for free? Are you looking for Modi PDF? This is definitely going to save you time and cash in something you should think about.
