Secret Scouts and the Lost Leonardo Dennis Kind,Wendel Kind,2018-10-23 When the four friends receive a strange sketch, their lives change abruptly. They start an investigation because they want to know where exactly the sketch came from. When they realize that they are on to a big secret which ends up in dangerous situations. They steal an old manuscript in Paris, they participate in an ancient game and have to carry a body through Florence without getting caught. There is no time to lose. Risking their own lives they continue their search. Will they ever learn the truth about the biggest secret ever: The Lost Leonardo?

A Tale of One City Ben Giladi,1991 Piotrkow Trybunalski contained one of the oldest Jewish communities in Poland. In this large compilation of essays, the city is described during various periods of its history, with a special emphasis on the last 150 years. With contributions from many authors, most of them survivors, the volume gives a multifaceted picture of life as it was lived in a typical Jewish community before the Holocaust.

Crocker-Langley San Francisco Directory ,1912

Rembrandt's Jews Steven Nadler,2015-08-04 There is a popular and romantic myth about Rembrandt and the Jewish people. One of history's greatest artists, we are often told, had a special affinity for Judaism. With so many of Rembrandt's works devoted to stories of the Hebrew Bible, and with his apparent penchant for Jewish themes and the sympathetic portrayal of Jewish faces, it is no wonder that the myth has endured for centuries. Rembrandt's Jews puts this myth to the test as it examines both the legend and the reality of Rembrandt's relationship to Jews and Judaism. In his elegantly written and engrossing tour of Jewish Amsterdam—which begins in 1653 as workers are repairing Rembrandt's Portuguese-Jewish neighbor's house and completely disrupting the artist's life and livelihood—Steven Nadler tells us the stories of the artist's portraits of Jewish sitters, of his mundane and often contentious dealings with his neighbors in the Jewish quarter of Amsterdam, and of the tolerant setting that city provided for Sephardic and Ashkenazic Jews fleeing persecution in other parts of Europe. As Nadler shows, Rembrandt was only one of a number of prominent seventeenth-century Dutch painters and draftsmen who found inspiration in Jewish subjects. Looking at other artists, such as the landscape painter Jacob van Ruisdael and Emmanuel de Witte, a celebrated painter of architectural interiors, Nadler is able to build a deep and complex account of the remarkable relationship between Dutch and Jewish cultures in the period, evidenced in the dispassionate, even ordinary ways in which Jews and their religion are represented—far from the demonization and grotesque caricatures, the iconography of the outsider, so often found in depictions of Jews during the Middle Ages and the Renaissance. Through his close look at paintings, etchings, and drawings; in his discussion of intellectual and social life during the Dutch Golden Age; and even through his own travels in pursuit of his subject, Nadler takes the reader through Jewish Amsterdam then and now—a trip that, under ever-threatening Dutch skies, is full of colorful and eccentric personalities, fiery debates, and magnificent art.

Publishing as Practice ,2021-04-06 On the work of three contemporary artist's-book publishers who have developed fresh ways of broaching politics in publishing This book documents Publishing as Practice, a residency at Ulises--a curatorial platform based in Philadelphia--that explores publishing as an incubator for new forms of editorial, curatorial and artistic practice. Over the course of two years, three publishers activated Ulises as an exhibition space and public programming hub, engaging the public through workshops, discussions and projects. Residents included Hardworking Goodlooking, the publishing arm of Philippines-based, social-practice platform The Office of Culture and Design; Dominica, an imprint run by Martine Syms dedicated to exploring Blackness as a topic, reference, marker and audience in visual culture; and Bidoun, a non-profit organization focused on art and culture from the Middle East and its diasporas. The book features a preface by David Senior, an essay by Gee Wesley and Ulises Carrión's 1975 publishing manifesto The New Art of Making Books, alongside documentation of the works produced.

Billboard ,1996-02-17 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile

entertainment issues and trends.

Aseptolin Cyrus Edson,1896

Bulbous Vegetables Roby Jose Ciju,2021-03-18 This is a small book, which mainly deals with SIX bulb vegetables namely onion, garlic, shallots, leek, chives, and scallions and spring onions. All bulb vegetables are known for their characteristic pungent flavor due to the presence of a group of sulfur compounds in them. Growing practices, food uses and nutritional information of these bulb vegetables are explained in detail in this book.

Billboard ,1982-01-16 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Hank Greenberg John Rosengren,2014-03-04 Baseball during the Great Depression of the 1930s galvanized communities and provided a struggling country with heroes. Jewish player Hank Greenberg gave the people of Detroit—and America—a reason to be proud. But America was facing more than economic hardship. Hitler's agenda heightened the persecution of Jews abroad while anti-Semitism intensified political and social tensions in the U.S. The six-foot-four-inch Greenberg, the nation's most prominent Jew, became not only an iconic ball player, but also an important and sometimes controversial symbol of Jewish identity and the American immigrant experience. Throughout his twelve-year baseball career and four years of military service, he heard cheers wherever he went along with anti-Semitic taunts. The abuse drove him to legendary feats that put him in the company of the greatest sluggers of the day, including Babe Ruth, Jimmie Foxx, and Lou Gehrig. Hank's iconic status made his personal dilemmas with religion versus team and ambition versus duty national debates. Hank Greenberg is an intimate account of his life—a story of integrity and triumph over adversity and a portrait of one of the greatest baseball players and most important Jews of the twentieth century. INCLUDES PHOTOS

A Life in Three Acts Bette Bourne,Mark Ravenhill,2010-04-16 With honesty, humour and occasional anger, performer Bette Bourne tells the playwright Mark Ravenhill about his brave and flamboyant life. Crafted from transcripts of a series of long, private conversations, actor Bette Bourne reminisces and replays scenes from his life from a postwar childhood,a stint as a classical actor in the late 60s, to living in a drag commune in Notting Hill and being an active member of the Gay Liberation Front. Bette then talks about his touring with the New York based Hot Peaches cabaret group and founding his own cabaret troop, Bloolips, which redefined the term gay theatre by creating their very own unique celebration of dramatic and colourful homosexuality. The piece, in three parts, marks a different series of events in Bette's life to reveal both a portrait of a pioneering, radical individual and a historical document of the struggles and achievements of gay liberation.

Rembrandt's Faith: Church and Temple in the Dutch Golden Age ,

The City as a Terminal Markus Hesse,2016-03-16 The on-time delivery of goods is regarded as a primary factor of the urban economy and is being monitored by businesses and government alike. However, much analysis of freight transportation and the flow of goods into, out of and within urban areas focuses on functional, business-related approaches. This book examines the interrelationship between logistics development on one hand and urban development and geographical issues, such as land use and location, on the other. Avoiding certain one-dimensional views on 'logistics impacts on the city', it discloses the complex interaction of the logistics system with the entire urban environment. It also bridges the gap between recent geographical research into new production systems and (post)modern consumption patterns. Illustrated with case studies from the United States, Germany, France, The Netherlands and the United Kingdom, it examines issues such as: the historical nexus between urban areas and logistics; current urban developments with regards to goods distribution; city-region related characteristics of freight flows; locational dynamics; and specific freight related urban problems and conflicts.

Arrigoni Art Studio David Arrigoni,2016-08-26 Arrigoni Art Studio features 31 paintings by David Michael Arrigoni, covering a period from 1956 to 2013. David works in oil and acrylic paints, creating clever paintings that inspire the imagination. David refers to each painting as, A studied project to stimulate the imagination-realism with a slight twist. The subject in each painting is obvious, but I use 'artistic freedom' to deviate from the visual facts. David uses 21st Century tools and equipment to create his archival digital reproductions on canvas.

Farming's In-Law Factor Elaine Froese,Megan McKenzie,2014-04

Elements of Comparative Philology Robert Gordon Latham,1862

Vital Democracy Frank Hendriks,2010-04-08 Vital Democracy outlines an innovative new theory of democracy in action.
