In our fast-paced, electronic society, the most basic social interaction—talking face-to-face—can be a challenge for even the most educated and self-assured individuals. And yet making conversation is a highly practical skill: those who do it well shine at networking parties, interviews, and business lunches. Good conversation also opens doors to a happier love life, warmer friendships, and more rewarding time with family. In *The Art of Civilized Conversation*, author Margaret Shepherd offers opening lines, graceful apologies, thoughtful questions, and, ultimately, the confidence to take conversations beyond hello. From the basics—first impressions, appropriate subject matter, and graceful exits—to finding the right words for difficult situations and an insightful discussion of body language, Shepherd uses her skilled eye and humorous anecdotes to teach readers how to turn a plain conversation into an engaging encounter. Filled with common sense and fresh insight, *The Art of Civilized Conversation* is the perfect inspiration not only for what to say but for how to say it with style.

**Do One Nice Thing** Debbie Tenzer, 2009-05-05 A few years ago, Debbie Tenzer was feeling overwhelmed by all the crises in the news. But rather than give in to despair, she thought, Maybe I can't solve our big problems, but I know I can do something. She realized that helping doesn't have to be difficult or expensive or time-consuming. You can help simply by doing one nice thing. So that's what she vowed to do, one day a week. Not every day—she says she's not that nice—but once a week was a promise she could keep. So she started a website, [DoOneNiceThing.com](http://DoOneNiceThing.com), and each week she posted an easy way to help people around town or across the globe. Good news traveled fast, and now Debbie is the leader of a worldwide kindness movement with fellow Nice-o-holics in ninety countries. They've sent . . . • cans of food to food banks and schools • notebooks to soldiers who will give them to Afghan children • gifts to foster children whose birthdays are overlooked • and much more *Do One Nice Thing* has many new, easy ideas for small deeds that anyone can do (and includes explicit information on how exactly to execute the ideas, so you don't have to go digging for information or resources). There's even a chapter of nice things you can do in minutes without leaving your desk. Join Debbie and her army of Nice-o-holics, and give the world some help—and some hope. Best of all, the more help you give, the more hopeful you'll feel. And before you know it, you won't be able to stop.

Having always defined political correctness as the elevation of sensitivity over truth, and being an optimist, I guessed that after 9/11, Americans would judge all matters ' to be an indulgence herewith unaffordable. Boy, was I wrong.
