Daniel Farrand

Happy 4 Life Bob Nozik, 2003-10 What you will find in *HAPPY 4 LIFE*, are the instructions for living a special kind of happiness that the author calls ideal happiness. This is not a book about happiness; this is a book that shows you how to get the happiness you've always wanted. Part I of *HAPPY 4 LIFE* reviews the research on happiness and reveals that there are two very different kinds of happiness: ordinary and ideal. In Part II, you'll discover that there are 12 simple principles that will lead you to happiness. They are explained and illustrated by means of real-life stories and exercises will help you master each of them. The next section, *Detours Along the Happiness Highway*, points out impediments that could slow your progress to happiness as well as showing you ways for getting past them. Finally, in Part IV, you will learn some very powerful ways for making personal change.

The 4th Monkey Daniel Farrand, 2018-10 *The 4th Monkey* is a comic book anthology with the purpose of raising awareness about environmental and social issues through story.

Bunny vs. Monkey Jamie Smart, 2023-09-05 When Monkey is sent into space by a team of scientists, he thinks everything will be smooth sailing. But not everything goes according to plan, and soon Monkey's spaceship crash-lands in a forest, disrupting the peaceful atmosphere. Convinced that he has discovered a new world, power-mad (but mostly incompetent) Monkey claims the forest as his own and determines that all other animals must be banished, including his soon-to-be nemesis, Bunny. As Bunny gathers reinforcements and goes head-to-head with the gadget-obsessed Monkey, hilarious hijinks ensue. This hilarious middle-grade adventure is a graphic novel like no other. Jamie Smart's energetic, expressive cartooning and antic plots will take readers on a mind-bending screwball journey into the beating heart of wackiness itself. Colorful, dynamic, smart alecky, and with more twists and turns than you can count, the *Bunny vs. Monkey* books are the perfect read for humor-loving kids ages 8 to 12. PRAISE

A Very Private Eye Barbara Pym, 2013-11-21 'Barbara Pym is one of my most favourite novelists. Few other writers have given me more laughter and more pleasure.' Jilly Cooper 'Could one write a book based on one's diaries over thirty years? I certainly have enough material,' wrote Barbara Pym. This book, selected from the diaries, notebooks and letters of this much loved novelist to form a continuous narrative, is indeed a unique autobiography, providing a privileged insight into a writer's mind. Philip Larkin wrote that Barbara Pym had 'a unique eye and ear for the small poignancies of everyday life'. Her autobiography amply demonstrates this, as it traces her life from exuberant times at Oxford in the thirties, through the war when, scarred by an unhappy love affair, she joined the WRNS, to the published novelist of the fifties. It also deals with the long period when her novels were out of fashion and no one would publish them, her rediscovering in 1977, and the triumphant success of her last few years. It is now possible to describe a place, situation or person as 'very Barbara Pym'. *A Very Private Eye*, at once funny and moving, shows the variety and depth of her own story.
