History Against Misery David Roediger,2006 IN THIS LAVISHLY illustrated collection of activist essays, articles and reviews from the late 70s to the present, the noted author of *The Wages of Whiteness*, *Towards the Abolition of Whiteness* and other pathbreaking critical studies of America's white problem focuses on the complex issue of MISERABILISM in its many and invariably oppressive forms.--Publisher's website.

Unhinged Michelle Malkin,2013-02-05 *Unhinged: Exposing Liberals Gone Wild* is Michelle Malkin's unrestrained and uncensored exposé of hate-mongering Leftists. With wit, wisdom, and a bullet-proof vest, Malkin ruthlessly and raucously skewers the myths of liberal tolerance, peace, and civility while responding to the incendiary insults and vile slurs directed at her and other conservatives. With infuriating details that are not for the faint of heart, Malkin chronicles the bizarre world of foaming-at-the-mouth Leftists in their natural habitats: the mainstream media, academia, Hollywood, and Washington.

Why Women Should Rule the World Dee Dee Myers,2009-10-13 If women ruled the world, politics would be more collegial, businesses would be more productive, and communities would be healthier. More women should lead—not because they are the same as men, but precisely because they are different. Reflecting on her own tenure as White House press secretary and her work as a political analyst, media commentator, and former consultant to NBC's *The West Wing*, Dee Dee Myers blends memoir and social history with a call to action, as she assesses the crucial but long-ignored strengths that female leaders bring to the table. With intelligence, courage, candor, and wit, she looks at the obstacles women must overcome and the traps they must avoid on the path to success, and she challenges us to imagine a not-too-distant future with more women standing tall in the top ranks of politics, business, science, and academia.

Myths, Lies, And Downright Stupidity John Stossel of abc 20/20,2007-05-01

America's favorite investigative reporter, John Stossel, tackles our favorite myths in his characteristic style and challenges us to look at life differently. Myths and Misconceptions covered in the book include: Is the media unbiased? Are our schools helping or hurting our kids? Do singles have a better sex life than married people? Do we have less free time than we used to? Is outsourcing bad for American workers? Suburban sprawl is ruining America. Money makes people happier. The world is too crowded. We're drowning in garbage. Profiteering is evil. Sweatshops exploit people. John Stossel takes on these and many more misconceptions, misunderstandings, and plain old stupidity in this collection

that will offer much to love for Give Me a Break fans, and show everyone why conventional wisdom, economic, political, or social is often wrong.
