**Morning Coffee with James** Renae Brumbaugh, 2009-09-01 As coffee revives the soul, God's Word revives our spirits. With humor and conversational style, this verse-by-verse study offers meaty insights that will satisfy the spirit and quench the soul. Each Morning Coffee devotional includes a verse or two from the book of James, a few paragraphs of study and application, a prayer, and more!

*Morning Coffee* Robb Jones, 2022-01-24 Full-time Air Force recruiter and part-time youth pastor, Robb Jones's world was filled with people looking for answers, a better tomorrow, or a brighter future. Overwhelmed with negativism magnified by social media, he found himself seeking a way to make a difference. One morning, enjoying coffee with his friend Alberto, he asked a question. Realizing social media had somehow replaced his grandpa's morning paper, What if every day it provided something positive or inspirational? He pondered writing a blog each morning to inspire, encourage, or teach others utilizing the Word of God. New Year's Eve 2013, during prayer, Robb was inspired by the Holy Spirit and committed to spend each morning communing with God. He vowed to take his morning inspiration to social media in the form of a daily post. January 1, 2014, the journey began. Over the next 365 days, Robb awoke early, made coffee, and sought inspiration from the Holy Spirit. Posts were personal, inspirational, and often, educational. Some were reflections of past experiences and some were miniature Bible studies. Many included dissection of the written Word and breaking down scriptures over several days. On January 1, 2015, the journey concluded. Morning Coffee is not just a collection of scriptures to jump-start your day. It is a real-life journey of a military man walking with God and sharing his experience with the world. It is a man up before the sun, praying, looking for inspiration, and writing before putting on his uniform to go to work. It is personal, inspirational, and educational. Most of all, it is real. It was the most difficult, sacrificial

year of his life. It was never intended to be a book; it was only intended to be a tool for God to use to reach the hearts of His people. Hometown: Date of Birth: Heathsville, Virginia September 30, 1971 Place of Birth: Education: Mountain Home AFB, Idaho Columbia Southern University

*Morning Coffee* Warren Bonesteel, 2004 *Morning Coffee* is a place to sit back, relax, and get your head wrapped around the day. It's a time and a place that becomes comforting. It becomes a habit, a good habit, and a place to maybe think about things that you wouldn't normally have time to consider. It's a place and a time to look beyond your own situation and to thoughtfully ponder where you are at, where you are going, and maybe how to get there from here. *Morning Coffee* is a friendly place, a refuge from the rest of the world for at least a few minutes out of the day. It's a place out of our past...and a place to look towards the future. That timeless place between dusk and dawn, a place to consider ways of meeting that future without fear. *Morning Coffee* is home, a refuge and sanctuary, however fleeting and temporary, from the storms of life. It is a place to get your mind and soul refreshed for the day ahead. It is a place wherein you know that you aren't alone, and for a few minutes at least, you are a part of something beyond yourself. *Morning Coffee* is a place to refresh and a place of relative peace. *Morning Coffee* is community and acceptance. You're home here. Leave all that stress and discomfort and pain at the door for a bit, kick back, relax, have a good cup of coffee and visit for a bit. We'll get things sorted out. What People Are Saying about *Morning Coffee*: I love this stuff. Great job. I loved your context on changing the world. I often say my job here today is not to change the world but to change your minds and then let you change the world. Thanks again and stay in touch. I see you are in South Dakota. Greetings from Chicago. Kind of the same type of city but different (sounds like something you would say). -Al.

*Morning Coffee with God* Michael Dennis, 2010 WHAT WOULD IT BE LIKE TO HAVE MORNING

COFFEE WITH GOD? What would it be like to meet with him every morning, enjoy his magnificent presence, and have the opportunity to ask him all the questions about any subject you have ever wanted to know? And to have him answer with great depth and detail, and a wonderful sense of humor. God (who asked Michael Dennis to refer to him as Mr. Divine) said that he wished he could communicate with everyone. To quote him, I am as real to you as your capacity to receive me is, and your capacity is much greater than you can ever begin to imagine. But is it real? Or just a series of vivid dreams? That is for you, the reader, to decide. As Michael says, There is much more truth to so-called fantasy than people realize. So what is reality and what is fantasy? Discover extensive insights on the complex subjects: Love Your soul Creation Past lives Transcendence Other worlds Healing Magic Fear Anger Hatred Mourning And more

**Morning Coffee** Jesse R. Watson, 2012-01-16 Morning Coffee is a practical approach to reading and applying the Word. Many people have a hard time getting going in the morning, which can make for a long week. This book will give people the edge they need to motivate them to make it through the day and ultimately through the week. If our spirit is satisfied daily, the rest of our body will fall in line. Everybody feels like they need a morning cup of joe, and by the power of the Holy Spirit, I submitted my will to the Lord's to be used to brew up the flavor of the day. So as the sun rises, find a quiet place to make time for the Morning Coffee. This is the right way to start your day. When you

are empty, He will fill your cup.

*10 Essential Foods* Lalitha Thomas, 2015-02-25 Well-balanced, nutritious foods are an important focus for healthy lifestyles. Thomas has narrowed her focus to 10 essential foods for optimal health and well-being. She lists them early in her book and discusses each food's reason for being a part of the list. Each food listed is significant in its ability to provide healthy dosages of either beta carotene, essential amino acids, disease-preventing phytochemicals, calcium, and vitamin B-12, among others. Thomas' writing is factual and straightforward, with a touch of humor to make the book more palatable. She provides a wealth of information on each of her chosen ten essential foods, and then provides an additional chapter on meat, poultry, and dairy. While her focus is primarily on a vegetarian lifestyle, she does give healthy possibilities for those still desiring to include these foods as part of their diet. Two other positive additions to each chapter include a Lalitha Rants section where she shares stories in an exasperated nature about health concerns she feels are either misdiagnosed or misinformed to the general public. Much can be learned from her tirades! Also, each chapter includes kid-friendly recipes so that children can incorporate healthy eating habits at a young age. Finally, a useful bibliography lists relevant sources quoted in the book and gives suggestions for other helpful cookbooks and resources. Medical clinics, supplies, recommended products, health accessories, ten essential snacks, and survival choice listings are also listed, making this book thorough and highly informative. Much talk about the importance of organic vegetables and fruits is discussed. This is a follow-up to *10 Essential Herbs*, also regarded by many as a valid guidebook for health.

Thanks to My Killer Wife Muhammad Raza,2013-07-30 A middle-aged widow, commuter of Amsterdam goes to Pakistan and weds a gentleman. Soon as the groom arrives into The Netherlands for a family reunion, he shockingly discovers in her a spoilt woman. The man tries to save his bond of marriage but the wronged woman neither wants to be tamed due to aspects of love, nor does she co-operate. Instead, she rather wants her man to close his eyes and to shut up his mouth if ever he wishes to become a legitimate resident in her country. The egoist man doesn't compromise on self-respect of a saintly husband and thus is thrown out into streets quite empty-handed and undocumented. Then he gets afraid of going back to his homeland predicting a social ridiculous. Years passed in such a dreary and stoned life-style that one day the city police arrests him against his unlawful status and surrenders him to the foreign police who when fails to deport, sets him free like a squeezed lemon after he having served a years custodial sentence. The author describes how a few Asian immigrants and their spoiled descendants who once get settled into the Western states . forget about their past of struggling. . trap and bait to their own continent/ country-fellows by showing on them a false fairyland. . and try to demoralize a Western society by using its culture as a shield or weapon to fulfill their own sensual curiosity which seems difficult to meet in their own sender lands. The author also regrets to inflexibility of the constitution and rejects to the old theory nobody is above law. He urges on the law-makers must to defend on humanitarian grounds to those noble outlanders who become illegal by some accident, or by a misfortune befell on them and not by fraud or cheating like do often the professional invaders or regular tress-passers breaking into some

countrys barriers. The whole story convincingly draws a picture of human courage and endurance against all odds mixed in shadow of oppression and optimism by giving an entire message never quit. A compulsively true heart saga with a positive energy\_ readable, thought-provoking and enjoyable.
