The Real Estate Investor's Pocket Calculator Michael Thomsett, 2017-10-18 The return on real estate investments hinges less on the physical property and more on the math. This invaluable resource helps you analyze the financial picture before shoveling out the money. With real estate investing on the rebound, more people are jumping into the market, although not everyone is finding equal amounts of success. Why do some investments turn into gold mines and some into money pits? If they had taken the right measures beforehand, they would've realized that the numbers just didn't add up. Before your next real estate investment, you need to ask things like: Have you measured every component of value, such as cash flow, income taxes, financing, and investment yield? Do you know which calculations to use on specific properties? Have you weighed all the risks? In The Real Estate Investor's Pocket Calculator, finance expert and author Michael C. Thomsett shows you how to: Gauge supply and demand Project return on investment and equity Analyze present and future value Calculate cash flow Make accurate tax projections Fewer mistakes and less guess work. Larger returns and even more opportunities for additional investments. It's all possible now with the help of The Real Estate Investor's Pocket Calculator!

From Here to Financial Happiness is the day-by-day guide for anyone dreaming of a better life. Whether you're dealing with debt, uncertain about retirement or simply want to get a grip on your finances, this book can put you on the road to happiness with a simple 11-week journey. Just 5-10 minutes a day to think about money, your habits, your goals, and your dreams. What steps can you take today to get your finances on track? What bad habits, bad investments, and

misconceptions should you let go of? This book is packed with 77 days' worth of real, actionable guidance for getting your money right—for good. It's not an investment scheme, not extreme couponing, not something else to add to your daily to-do list. Instead, it's about changing you—and the way you handle and think about money—so you can start building the life of your dreams. The next 11 weeks will be a revelation: Some days you'll learn about finance, other days you'll learn about yourself. Many days, you will be given a concrete list of things to do—right at that moment—to start steering your financial situation onto the right path. Learn how to stack the financial odds in your favor Amass savings for retirement, the children's college or that next financial emergency Change your perspective on money and its role in your life Get your financial house in order—and keep it that way A better life is possible. You do have the power to change things for the better. From Here to Financial Happiness is your personal roadmap to financial freedom.

Ignore the Hype Brian Perry,2020-09-01 Secure your investment gains and supercharge your results with this down-to-earth analysis of investing fundamentals Via powerful and unique insights, Ignore the Hype: Financial Strategies Beyond the Media-Driven Mayhem teaches readers how to keep their focus squarely on time-tested strategies for meeting their financial goals without getting distracted by a constant barrage of news headlines. The book takes a common-sense approach to the financial world that's ideally suited to the everyday investor. It covers topics including: How to avoid competing against hedge funds in a game they've rigged What you can do today to avoid taxes tomorrow Wall Street's Dirty Secret: Forecasting is just guessing Why some of your investments have worse odds than a casino game How the media circus can derail your financial plans Surviving a world where financial advisors don't have to act in your best interest Ignore the Hype emphasizes the difference between short-term trading and long-term investing, how to filter the constant onslaught of information coming your way from every angle and separate the valuable content from the noise, and how to build a foundation for investment success based on common sense and academic research.

Enough Bull David Trahair,2015-02-17 Stop risking everything to make your investment advisor rich The stock market crash of 2008 proved one thing: traditional retirement planning advice simply doesn't work. The risks are too enormous. Trusting the stock market is like gambling with your family's future. But how do you plan for retirement without risking everything? Enough Bull shows you how, with an easy-to-understand, simple-to-apply strategy for a betterretirement. Enough Bull overturns the conventional wisdom about retirement planning, and offers the simple secrets to securing acomfortable retirement. In an accessible and straightforward style, this practical guide explains how it's possible to save for retirement starting later in life, retire comfortably on lessmoney, and incur less risk. Updated to apply to both the U.S. and Canada, this new second edition offers a message of hope for average, cash-strapped baby boomers by detailing a step-by-stepplan for avoiding all the traps, doing the exact opposite of what the major financial institutions recommend, and still comingout further ahead. Invest only in safe investments that will never decline Get out of the stock market and mutual fundsforever Why waiting to save for retirement may beat starting early Elect to receive the CPP pension at exactly the right age Avoid the common scams that lead to financial disaster More than ever before, retirees are frightened and stressed outabout finances. There never seems to be enough to pay currentbills, let alone save thousands in RRSPs and 401Ks, yet the largefinancial institutions bombard us with fearful messages of destitution unless we maximize our contributions. The truth is this makes them rich, and you poor. Cut through the noise, stop takingthe bait, and discover how you can have a comfortable future without sacrificing the present. Enough Bull provides theplan, you just need to act.
