¶ Nick and Charlie Alice Oseman, 2023-01-03 From the mega-bestselling creator of Heartstopper, a must-have novella in which Heartstopper's lead characters, Nick and Charlie, face one of their biggest challenges yet. Absence makes the heart grow fonder... right? Everyone knows that Nick and Charlie love their nearly inseparable life together. But soon Nick will be leaving for university, and Charlie, a year younger, will be left behind. Everyone's asking if they're staying together, which is a stupid question... or at least that's what Nick and Charlie assume at first. As the time to say goodbye gets inevitably closer, both Nick and Charlie start to question whether their love is strong enough to survive being apart. Charlie is sure he's holding Nick back... and Nick can't tell what Charlie's thinking. Things spiral from there. Everyone knows that first loves rarely last forever. What will it take for Nick and Charlie to defy the odds?

¶ This Winter (A Heartstopper Novella) Alice Oseman, 2015-11-05 A short novella based on the beloved characters from Alice Oseman's acclaimed debut novel Solitaire and graphic novel series Heartstopper – soon to be a major Netflix series. From the author of the 2021 YA Book Prize winning Loveless.

¶ Desert Solitaire Edward Abbey, 2011-08-21 This memoir of life in the American desert by the author of The Monkey Wrench Gang is a nature writing classic on par with Rachel Carson's Silent Spring. In Desert Solitaire, Edward Abbey recounts his many escapades, adventures, and epiphanies as an Arches National Park ranger outside Moab, Utah. Brimming with arresting insights, impassioned arguments for wilderness conservation, and a raconteur's wit, it is one of Abbey's most critically acclaimed works. Through stories and philosophical musings, Abbey reflects on the condition of our remaining wilderness, the future of a civilization, and his own internal struggle with morality. As the world continues its rapid development, Abbey's cry to maintain the natural beauty of the West remains just as relevant today as when this book first appeared in 1968.

¶ Radio Silence Alice Oseman, 2017-03-28 The second novel by the phenomenally talented Alice Oseman, the author of the million-copy bestselling Heartstopper books—now a major Netflix series. What if everything you set yourself up to be was wrong? Frances has always been a study machine with one goal: elite university. Nothing will stand in her way. Not friends, not a guilty secret—not even the person she is on the inside. But when Frances meets Aled, the shy genius behind her favorite podcast, she discovers a new freedom. He unlocks the door to real Frances and for the first time she experiences true friendship, unafraid to be herself. Then the podcast goes viral and the fragile trust between them is broken. Caught between who she was and who she longs to be, Frances's dreams come crashing down. Suffocating with guilt, she knows that she has to confront her past... She has to confess why Carys disappeared... Meanwhile at university, Aled is alone, fighting even darker secrets. It's only by facing up to your fears that you can overcome them. And it's only by being your true self that you can find happiness. Frances is going to need every bit of courage she has. A coming-of-age read that tackles issues of identity, the pressure to succeed, diversity, and freedom to choose, Radio Silence is a tour de force by the most exciting writer of her generation.
