Happy Mother's Day Ali Parnian,2019-05-04 The Mother's Day Forever Greeting Card(TM) is the perfect BookCard(TM) for that special mother in your life, and not just for this Mother's Day but all Mother's Days through the end of this century. You see, purchasing one BookCard(TM) can be used again and again because there is a page for you to add a new Mother's Day message each year through the year 2100. You can keep years of Mother's Day messages of love, gratitude and appreciation in one place to cherish for years and that is just the beginning. The author of this book learned the hard way that not taking the time to purchase a greeting card for his wife on Mother's Day resulted in a much more costly gesture in order to make amends for his oversight. This would never have been an issue for him had he purchased a Forever Greeting Card(TM). Other benefits of purchasing a Forever Greeting Card(TM) for Mother's Day include: -SAVE MONEY: Over the course of 50 years you would spend \$250 if you bought 50

cards that cost \$5 each.-SAVE TIME: You can get a Forever Greeting Card(TM) delivered to most places within a few days.-STAY RELEVANT: People typically don't throw books away so your ForeverGreetingCard(TM) will likely end up on a bookshelf or coffee table.-ENVIRONMENTALLY FRIENDLY - Forever Greeting Cards(TM) are environmentally friendly. Cards purchased for Mother's Day over the course of 50 years produce much more paper waste and leave a larger carbon footprint due to driving to and from stores than having one book delivered to your door that can be used for years and recycled.-GET CREATIVE - Adults and kids enjoy drawing and making creative images on these cards.-SEE TRENDS - Recipients can see trends over time in how your love for them has grown, diminished or changed over the years.

*Open Book* Jessica Simpson,2020-02-04 The #1 New York Times Bestseller Jessica reveals for the first time her inner monologue and most intimate struggles. Guided by the journals she's kept since age fifteen, and brimming with her unique humor and down-to-earth humanity, *Open Book* is as inspiring as it is entertaining. This was supposed to be a very different book. Five years ago, Jessica Simpson was approached to write a motivational guide to living your best life. She walked away from the offer, and nobody understood why. The truth is that she didn't want to lie. Jessica couldn't be authentic with her readers if she wasn't fully honest with herself first. Now America's Sweetheart, preacher's daughter, pop phenomenon, reality tv pioneer, and the billion-dollar fashion mogul invites readers on a remarkable journey, examining a life that blessed her with the compassion to help others, but also burdened her with an almost crippling need to please. *Open Book* is Jessica Simpson using her voice, heart, soul, and humor to share things she's never shared before. First celebrated for her voice, she became one of the most talked-about women in the world, whether for music and fashion, her relationship struggles, or as a walking blonde joke. But now, instead of being talked about, Jessica is doing the talking. Her book shares the wisdom and inspirations she's learned and shows the real woman behind all the pop-culture clichés – “chicken

or fish," "Daisy Duke," football jinx, "mom jeans," "sexual napalm..." and more. Open Book is an opportunity to laugh and cry with a close friend, one that will inspire you to live your best, most authentic life, now that she is finally living hers.
