Life Is Magic Jon Dorenbos, 2020-11-03 "Jon Dorenbos is a magical person. Life Is Magic shows how we can all choose happiness in the face of overwhelming odds." —Ellen DeGeneres An extraordinary and empowering story of resilience, forgiveness, and living a life of purpose in the face of unfathomable obstacles. You may know him as an NFL All-Pro or as a world-class magician who made the finals of America's Got Talent, but Jon Dorenbos says that what he does is not who he is. He is someone who coached himself, at the most tender of ages, to turn tragedy to triumph. One morning in August 1992, when Jon was twelve years old and living a seemingly idyllic childhood in

suburban Seattle, he woke up for baseball camp. His dad waved goodbye. Later that day, Jon heard the news: his father had murdered his mother in the family's three-car garage. In an instant, his life had shattered. He'd essentially been orphaned. Thrust into foster care while his father stood trial for murder, Jon struggled. Left to himself, he discovered an unlikely escape performing magic tricks. If you found a way to alter your reality, after your dad—your hero—killed your mom, wouldn't you cling to it too? Then came football, which provided a release for all of his pent-up anger. Together, magic and football saved him, leading to fourteen NFL seasons on the gridiron and raucous sleight of hand performances to packed houses across the globe. In 2017, he was diagnosed with a life-threatening heart condition leaving him with a choice. To either break down or—as he'd by now long taught himself—bounce back. "Life Is Magic shows how we can all choose happiness in the face of overwhelming odds" (Ellen DeGeneres) and provides a roadmap for overcoming even the darkest of times. Jon's story is poignant and powerful, told by a charismatic and optimistic man who has overcome life-or-death challenges with grace, persistence, a childlike sense of wonder...and jaw-dropping card tricks.

The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Motivational Speaker 3 Tilawan, 2012-10 There are some things when we miss them in life, it won't matter what else we gained. There are some things when we gain them, it won't matter what else we missed... and no greater wisdom can we discover than this, and the greatest wisdom is to discover our purpose in life! The day you discover God's purpose for your life, you will cease to be using your your efforts but His. You will no longer use your strength but His. You will no longer be using your wisdom in what you are doing but His. You will no longer use your approach to issues of your life but His, for you have discovered His assignment for your life! Your assignment in life is never far from you, but it could be far from your focus. Always change your focus to discover what is God's purpose for your life! Wealth is not your purpose, it is a slice of it. Fame is not your purpose, it is a slice of it. Power is not your purpose, it is a slice of it and until you discover your purpose, the slices will keep distracting you from God's plan for your life! Let no attraction; either the attractions of money, fame or power distract you from pursuing your purpose in life! The attractions that cannot distract you at the early stage of your struggles in discovering your purpose in life, will serve you at

its later stage! Trying to do like everybody else might not be your purpose. Trying to do what people like may not be your purpose. Trying to do as you are told may not be your purpose. Trying to to impress the people around you, may not be your purpose. Discovering your purpose in life will give you a picture of where your tomorrow will be. It will give you the right mentality to achieving a breakthrough in life. Because whenever the journey of your struggles starts to bog down, you cannot breakthrough with the wrong mentality that sees you from a picture of where you found yourself. You can only go forward with a right mentality of the picture of where your tomorrow will be. And when tomorrow comes and you see yourself in great victory, you will then realise that what is needed is not to thank God for answered prayers but to apologise to Him for the times we go about in behaviours that shows He was not faithful to us! A feeling in actions and activities that shows He might not really have cared about our situation! I came to the point that I planned to stop the show for the day. My dear listeners, always have a positive attitude to whatever you are going through in life and keep to the path and action that will carry you to your victory in life. You can't get an answer by following a formula half way. You can't get an answer by following a formula the wrong way. The formula ensures that we do away with anything that is stopping us from achieving our victory in life. Most times, it is the presence of some little things that is denying the coming of some wonderful things in our lives... HE CHANGES PEOPLE'S LIVES THROUGH HIS MOTIVATIONAL
