*On Fire* John O'Leary, 2016-03-15 In the bestselling tradition of Brene Brown's *Daring Greatly* and Nick Vujicic's *Life Without Limits* comes a rousing 7-step plan for living a life on fire, filled with hope and possibility—from an inspirational speaker who survived a near-fatal fire at the age of nine and now runs a successful business inspiring people all around the world. When John O'Leary was nine years old, he was almost killed in a devastating house fire. With burns on one hundred percent of his body, O'Leary mustered an almost unimaginable amount of inner strength just to survive the ordeal. The insights he gained through this experience and the heroes who stepped into his life to help him through the journey—his family, the medical staff, and total strangers—changed his life. Now he is committed to living life to the fullest and inspiring others to do the same. An incredible and emotionally honest account of triumph over tragedy, *On Fire* contains O'Leary's reflections on being that little boy, the life-giving choices made then, and the resulting lessons he learned. O'Leary very clearly shares that without the right people providing the right guidance, at the right time, he never would have made it through those five months in the hospital, let alone the years that followed as he struggled to regain mobility, embrace his story, and ignite clarity of his life's purpose. *On Fire* encourages us to seize the power to choose our path and transform our lives from mundane to extraordinary. Once we stop thinking solely on the big moments in our lives, we can begin to focus on those smaller opportunities that tend to pass us by. These are the events—the inflection points in our lives—that can determine how we feel about life now, where we are headed in the future, and how many lives we can impact along the way. We can't always choose the path we walk, but we can choose how we walk it. Empowering, inspiring, remarkably honest, and heartfelt, O'Leary's strength and incredible spirit shine through on every page.

**It Takes What It Takes** Trevor Moawad, Andy Staples, 2020-02-04 Foreword by Seattle Seahawks quarterback Russell Wilson From a top mental conditioning coach—the world's best brain trainer" (Sports Illustrated)—who has transformed the lives and careers of elite athletes, business leaders, and military personnel, battle-tested strategies that will give you tools to manage and overcome negativity and achieve any goal. He knows how to win. More, he knows the many ways—subtle, brutal, often self-inflicted—we lose. As the most trusted mental coach in the world of sports, Trevor Moawad has worked with many of the most dominant athletes and the savviest coaches. From Nick Saban and Kirby Smart to Russell Wilson, they all look to Moawad for help finding or keeping or regaining their competitive edge. (As do countless

business leaders and members of special forces.) Now, at last, Moawad shares his unique philosophy with the general public. He lays out lessons he's derived from his greatest career successes as well as personal setbacks, the game-changing wisdom he's earned as the go-to whisperer for elite performers on fields of play and among men and women headed to the battlefield. Moawad's motivational approach is elegant but refreshingly simple: He replaces hardwired negativity, the kind of defeatist mindset that's nearly everybody's default, with what he calls neutral thinking. His own special innovation, it's a nonjudgmental, nonreactive way of coolly assessing problems and analyzing crises, a mode of attack that offers luminous clarity and supreme calm in the critical moments before taking decisive action. Not only can neutral thinking raise your performance level—it can transform your overall life. And it all starts, Moawad says, with letting go. Past failures, past losses—let them go. The past isn't predictive. If you can absorb and embrace that belief, everything changes. You'll instantly feel more calm. And the athlete—or employee or parent or spouse—who's more calm is also more aware, and more times than not ... will win.

**Blind Ambition** Chad E. Foster, 2021-02-16 For anyone seeking to live life to its fullest potential, *Blind Ambition* is an eye-opening account of a tech industry executive who overcame fear and hopelessness to turn his blindness disability into a powerful, competitive strength. With determination, ambition, and drive, Chad created what Oracle said would be impossible. He gave millions of people the ability to earn a living by becoming the first to create customer relationship software for the visually impaired. Even if you've been robbed of your self-identity and dreams for the future, you can change your story and achieve your goals. In *Blind Ambition*, readers and listeners will: Be inspired by Chad's story of how he transformed the loss of his vision into a gift with unique strengths and abilities he did not have before. Gain new perspective on what is possible when you shift your mindset, give up making excuses, and decide that you oversee who you want to be. Learn the mental model that Chad uses to quickly overcome frustrations and stressors. Overcoming the challenges of blindness improved Chad's perspective, making him more resilient and grateful for the life that he has. *In Awe* John O'Leary, 2020-05-05 NATIONAL BESTSELLER • The #1 bestselling author of *On Fire* shows us how to recapture and harness our childlike sense of wonder in order to become more engaged, successful, and fulfilled. "Engaging . . . O'Leary encourages us to see the world through a child's eyes."—Mitch Albom, author of *Tuesdays with Morrie* There once was a time when we joyfully raised our hands to answer questions, connected easily with others, believed that anything was possible, and fearlessly jumped into new experiences. A time when we viewed each day not as something to endure, but as a marvelous gift to explore and savor—when we danced through our lives in awe of the ordinary moments and eager for the promise of tomorrow. Unfortunately, that's far from our experience today. Instead, we feel disconnected and jaded. Social media reminds us that we don't measure up, and the mainstream media barrages us with constant negativity. Many of us find ourselves caught in a life of dogged responsibility and mind-numbing repetition. The daily struggle to earn a living has caused us to lose the sense of wonder with which we once greeted every day. In his new book, bestselling author John O'Leary invites us to

consider that it is possible to once again navigate the world as a child does. Identifying five senses children innately possess and that we've lost touch with as we age, O'Leary shares emotional, humorous, and inspirational stories intertwined with fascinating new research showing how each of us can reclaim our childlike joy, and why doing so will change how we interact with the world. In *Awe* reveals how we can regain that ability to see fresh insights, reach for new solutions, and live our best lives.

Motivational Speaker 3 Tilawan, 2012-10 There are some things when we miss them in life, it won't matter what else we gained. There are some things when we gain them, it won't matter what else we missed... and no greater wisdom can we discover than this, and the greatest wisdom is to discover our purpose in life! The day you discover God's purpose for your life, you will cease to be using your your efforts but His. You will no longer use your strength but His. You will no longer be using your wisdom in what you are doing but His. You will no longer use your approach to issues of your life but His, for you have discovered His assignment for your life! Your assignment in life is never far from you, but it could be far from your focus. Always change your focus to discover what is God's purpose for your life! Wealth is not your purpose, it is a slice of it. Fame is not your purpose, it is a slice of it. Power is not your purpose, it is a slice of it and until you discover your purpose, the slices will keep distracting you from God's plan for your life! Let no attraction; either the attractions of money, fame or power distract you from pursuing your purpose in life! The attractions that cannot distract you at the early stage of your struggles in discovering your purpose in life, will serve you at its later stage! Trying to do like everybody else might not be your purpose. Trying to do what people like may not be your purpose. Trying to do as you are told may not be your purpose. Trying to to impress the people around you, may not be your purpose. Discovering your purpose in life will give you a picture of where your tomorrow will be. It will give you the right mentality to achieving a breakthrough in life. Because whenever the journey of your struggles starts to bog down, you cannot breakthrough with the wrong mentality that sees you from a picture of where you found yourself. You can only go forward with a right mentality of the picture of where your tomorrow will be. And when tomorrow comes and you see yourself in great victory, you will then realise that what is needed is not to thank God for answered prayers but to apologise to Him for the times we go about in behaviours that shows He was not faithful to us! A feeling in actions and activities that shows He might not really have cared about our situation! I came to the point that I planned to stop the show for the day. My dear listeners, always have a positive attitude to whatever you are going through in life and keep to the

path and action that will carry you to your victory in life. You can't get an answer by following a formula half way. You can't get an answer by following a formula the wrong way. The formula ensures that we do away with anything that is stopping us from achieving our victory in life. Most times, it is the presence of some little things that is denying the coming of some wonderful things in our lives... HE CHANGES PEOPLE'S LIVES THROUGH HIS MOTIVATIONAL

For five decades he has not only studied the science of achievement, he's mastered it by interviewing thousands of successful business leaders and collaborating with them in the boardroom, translating theory into bottom-line results for his clients.Les Brown's straight-from-the-heart, passion and high- energy motivates audiences to step beyond their limitations and into their greatness in many ways. Over the past two decades, Les has expanded his role from keynote speaker to Master Trainer, creating the kind of workshop learning experience that got him committed to personal and professional development many years earlier. **Grit** Angela Duckworth,2016-05-03 In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls "grit." "Inspiration for non-geniuses everywhere" (People). The daughter of a scientist who frequently noted her lack of "genius," Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In Grit, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she's learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll. "Duckworth's ideas about the cultivation of tenacity have clearly changed some lives for the better" (The New York Times Book Review). Among Grit's most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, Grit is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference.

This is “a fascinating tour of the psychological research on success” (The Wall Street Journal).

**Start Where You Are** Chris Gardner, Mim E. Rivas, 2009-05-12 Ever since the story of his transformation from homeless, single and struggling father to millionaire became known the world over, Chris Gardner --whose life story both inspired the movie *The Pursuit of Happyness* and became a #1 New York Times bestseller by the same name--has been inundated with two questions: “How Did You Do It” and “How Can I Do it Too?” Gardner’s power-packed, transformational reply is the basis of this long-anticipated book. As a departure from standard self-help tomes that promise overnight riches and exclusive secrets for success, Gardner avoids any tilt toward magical thinking by staying with real issues and solutions impacting individuals in all walks of life. Millions of mid- to late-career professionals are wondering why our careers are dying. We’ve been fired, downsized, job-eliminated, or we’ve left work voluntarily to raise children, care for loved ones, or go to school It takes twice as long to get hired, and usually for far less money than we were making. Is it age discrimination? Maybe. But it’s not that simple.
