Software Digest ,1979

**Motivational Interviewing, Second Edition** William R. Miller,Stephen Rollnick,2002-04-12 This bestselling work has introduced hundreds of thousands of professionals and students to motivational interviewing (MI), a proven approach to helping people overcome ambivalence that gets in the way of change. William R. Miller and Stephen Rollnick explain current thinking on the process of behavior change, present the principles of MI, and provide detailed guidelines for putting it into practice. Case examples illustrate key points and demonstrate the benefits of MI in addictions treatment and other clinical contexts. The authors also discuss the process of learning MI. The volume's final section brings together an array of leading MI practitioners to present their work in diverse settings.

**Sabotage** Emma Gannon,2020-09-29 A pocket-sized investigation into self-sabotage: what it is, why we do it, and how we can break our toxic patterns. How do we get out of our own way? With personal stories and research-based insights multi-hyphenate Emma Gannon explores her own relationship with self-sabotage and presents a quick, meaningful guide to help you recognize your own forms of self doubt, identify what is holding you back, and the steps you can take to loosen its grip.

**A Sale Is a Love Affair** Jack Vincent,2015-01-10 The top salespeople in any industry are loved by their customers. They build a deep, human connection with their customers that parallels finding love, falling in love and growing a trusting, romantic relationship. While researching A Sale Is A Love Affair, Jack discovered that the advice given by today's dating coaches and marriage counselors correlates directly with the best practices used by the leading marketing consultants and sales trainers. The mindset is actually a heart-set. It focuses on pulling customers through their purchasing cycle, not pushing them through your sales cycle. Jack uses stories and anecdotes that make eye-opening links between romantic relationships and complex sales. It's all about attracting early on and building trust at every step. Keep it simple in marketing. Go deeper in sales. Love more. Sell more.

How to Decide Annie Duke,2020-10-13 Through a blend of compelling exercises, illustrations, and stories, the bestselling author of Thinking in Bets will train you to combat your own biases, address your weaknesses, and help you become a better and more confident decision-maker. What do you do when you're faced with a big decision? If you're like most people, you probably make a pro and con list, spend a lot of time obsessing about decisions that didn't work out, get caught in analysis paralysis, endlessly seek other people's opinions to find just that little bit of extra information that might make you sure, and finally go with your gut. What if there was a better way to make quality decisions so you can think clearly, feel more confident, second-guess yourself less, and ultimately be more decisive and be more productive? Making good decisions doesn't have to be a series of endless guesswork. Rather, it's a teachable skill that anyone can sharpen. In How to Decide, bestselling author Annie Duke and former professional poker player lays out a series of tools anyone can use to make better decisions. You'll learn: • To identify and dismantle hidden biases. • To extract the highest quality feedback from those whose advice you seek. • To more accurately identify the influence of luck in the outcome of your decisions. • When to decide fast, when to decide slow, and when to decide in advance. • To make decisions that more effectively help you to realize your goals and live your values. Through interactive exercises and engaging thought experiments, this book helps you analyze key decisions you've made in the past and troubleshoot those you're making in the future. Whether you're picking investments, evaluating a job offer, or trying to figure out your romantic life, How to Decide is the key to happier outcomes and fewer regrets.

**Code Name Pauline** Pearl Witherington Cornioley,2013-08-01 Pearl Witherington Cornioley, one of the most celebrated female World War II resistance fighters, shares her remarkable story in this firsthand account of her experience as a special agent for the British Special Operations Executive (SOE). Told through a series of reminiscences—from a difficult childhood spent in the shadow of World War I and her family's harrowing escape

from France as the Germans approached in 1940 to her recruitment and training as a special agent and the logistics of parachuting into a remote rural area of occupied France and hiding in a wheat field from enemy fire—each chapter also includes helpful opening remarks to provide context and background on the SOE and the French Resistance. With an annotated list of key figures, an appendix of original unedited interview extracts—including Pearl's fiancé Henri's story—and fascinating photographs and documents from Pearl's personal collection, this memoir will captivate World War II buffs of any age.

Unmedicated Madisyn Taylor,2018-01-23 The cofounder of the holistic lifestyle website DailyOM presents a gentle and accessible step-by-step guide to moving from excessive reliance on medications to fundamentally healing yourself through four pillars of natural wellness. Madisyn Taylor was plagued by depression and anxiety, suffering from chronic physical problems that left her desperate for solutions. Spending decades searching for answers, she first turned to the medical community, which put her on a rollercoaster course of numerous doctors, tests, and an unhealthy reliance on medications that left her numb and lifeless. With her happiness and future on the line, she then made the decision to become unmedicated, reaching out to the natural, holistic health realm. And after years of practice and research, Madisyn developed an integrative wellness program that put her back in the driver's seat of her health, and ultimately, her life. Unmedicated is her thoughtful account of how she broke free from binding mental chains and physical ailments to be happy, healthy, and productive; it is also a guide for you to apply her practical techniques to your own healing journey. Madisyn offers a daily program of easy-to-follow actions based on four pillars that will build a lifelong foundation for health: clear your mind; strengthen your body; nurture your spirit; and find your tribe. Whether you want to be happy and stay happy, find relief from depression and anxiety, or heal and create a healthy change, Unmedicated is a gentle, compassionate, and achievable path that empowers you to take back your life and live fully.

Engaged Linda Holbeche,Geoffrey Matthews,2012-09-06 A non-biased, grounded, and practical approach to employee engagement For managers and business leaders who want to enhance performance, this easy-to-use guide to employee management offers real solutions for getting workers engaged and increasing productivity. It explains what employee engagement is, why it matters, what the benefits of it are, what helps and hinders it, how to measure it, how to put theory into action when trying to create it. As an added benefit, it offers plenty of advice on how managers can keep themselves engaged, even during the toughest of times.

**Mastering Innovation in China** Joachim Jan Thraen,2016-07-13 Joachim Jan Thraen uses insights from history to provide a fresh perspective on China's potential transition towards a global innovation leader. He applies historical evidence from countries like the United States, Germany, and Japan in the 19th and 20th century and builds on results from four case studies to reveal key strategies that firms can utilize to leverage China as a global hub of innovation. China's large market, strong manufacturing networks, increasing R&D capabilities, and a government strongly supporting innovation provide unique opportunities for new forms of innovation driven by efficiency, rapid commercialization, and large volumes. Managers that understand China's innovation trajectory and adjust innovation strategies accordingly will achieve greater success in mastering innovation in China as a foundation for global competitiveness.
