The Animated Film Collector's Guide David Kilmer,1997 In the age of video, nearly every film ever made is available on video somewhere. The only problem is finding it. This guide lists, both title and producer, nearly 3000 animated films, the sources of their video copies, with the sources' telephone, fax numbers, postal address, and e-mail. Included are many hard-to-find films. This is the only source of information you will need to track it down. An added bonus is a listing of more than 200 films that have won major prizes at animation festivals and/or placed on animation polls.

Serials and Series Buck Rainey,2015-06-08 While many fans remember The Lone Ranger, Ace Drummond and others, fewer focus on the facts that serials had their roots in silent film and that many foreign studios also produced serials, though few made it to the United States. The 471 serials and 100 series (continuing productions without the cliffhanger endings) from the United States and 136 serials and 37 series from other countries are included in this comprehensive reference work. Each entry includes title, country of origin, year, studio, number of episodes, running time or number of reels, episode titles, cast, production credits, and a plot synopsis.

The Kate Huntington Mysteries Collection II Kassandra Lamb,2022-03-09 Another three-book bundle, and a bonus novella—follow Kate Huntington and her new PI husband as they deal with the paparazzi, an international assassin, and a 9/11 first responder accused of murder, plus a locked-room mystery on a Caribbean cruise. CELEBRITY STATUS: Kate's PI husband, Skip Canfield, has his first celebrity client, a pop singer with a stalker who has a twisted concept of love. Soon, Skip and his family are being hounded by paparazzi and someone is planting evidence that Kate and their lawyer friend Rob are lovers. Struggling to deal with this unwanted attention and a stalker who will stop at nothing, Kate and Skip must face the reality that they can't always keep those they love from harm. COLLATERAL CASUALTIES: A former psychotherapy client reaches out to Kate and reveals a foreign diplomat's dark

secret, then dies of “natural causes” days later. Was the man delusional or is she now privy to dangerous information? Soon she realizes he was quite sane...and he was murdered. Now, she and anyone she might have told are targets of a ruthless assassin bent on protecting the ambassador’s secret. ZERO HERO: On the 10th anniversary of 9/11, the media replays the videos again and again, and a national hero’s life unravels. When the first responder—already struggling with PTSD and addiction—is accused of murder, Kate finds herself going above and beyond to help him. She and her PI husband are thrust into a deadly world of drugs, prostitutes and hired killers, and end up questioning who they are...and what it means to be brave. Cruel Capers on the Caribbean: Trouble seems to find Kate Huntington, even on a Caribbean cruise. She befriends socialite Cora Beall, who’s having relationship problems. When Cora’s corpse is found in a cabin locked from the inside, the ship’s captain assumes it’s suicide. But Kate is skeptical; the evidence points more and more toward murder. But how did the killer get out of a locked room? (Note: The first two books in this collection were part of a previous 5-book bundle.)

If you are in the latter category, this is the work for you. All facets of collecting movie posters are covered in this guide book. The history of the movie poster is first presented, including a look at how the early studios influenced the development of posters. Next is a brief look at the world of movie art collecting. This is followed by a reference section that provides comprehensive explanations of the most commonly used terms in the field.
