Beyond Multiculturalism Giuliana B. Prato,2016-04-15 While the anthropological field initially shied away from the debate on multiculturalism, it has been widely discussed within the fields of political theory, social policy, cultural studies and law. Beyond Multiculturalism is the first volume of its kind to offer a comparative, worldwide view of multiculturalism, considering both traditional multicultural/multiethnic societies and those where cultural pluralism is relatively new. Its varied case studies focus on the intersections and relationships between cultural groups in everyday life using employment, identity, consumption, language, legislation and policy making to show the unique contribution anthropologists can bring to multiculturalism studies. Their work will be of great interest to scholars of race, ethnicity, migration, urban studies and social and cultural geography.

Just Right Family Silvia Lopez,2018-03-01 Winner, 2018 Gwen P. Reichert Gold Medal for Children's Literature, Florida Book Award Meili, who is six years old and adopted from China, learns that her parents are going to adopt a baby from Haiti. She's not happy. Why do they need a new baby? Their family is just right as it is. As Meili learns more about her new sibling and the importance of being a big sister, will she realize that a new addition can be just right for their family too?

**Wonderful You** Lauren McLaughlin,2017-04-25 A heartwarming tale about adoption, diversity, and acceptance that's perfect for all types of families! A lyrical adoption story that tenderly addresses a baby's transition from the care of her birth mother to that of her adoptive parents. This lovely poem illuminates the role of an adopted child's birth mother, respecting her choice to give her child to a loving family. We follow a mother's journey as she carries her child, searches for deserving parents, and ultimately creates a new family. The story offers a version of the process that is full of warmth, care, and joy. An adoptive mother herself, author Lauren McLaughlin was glad for an opportunity to memorialize her family's own fairy tale, and Meilo So's ethereal illustrations breathe magic into an already wondrous experience.

*To Get to You* Joanne Bischof,2015-08-27 To get to the girl he loves, Riley Kane must head off on a road trip with the father he never knew. Then pray for a miracle. Most teens would love to have a pro surfer for a dad. Just not Riley. Abandoned as a kid, he hates the sound of the ocean and the man who gave himself to it. When the eighteen-year-old learns that his best friend is stranded at a New Mexico hospital as her father fights for his life, Riley hits the highway to head east. But when his Jeep breaks down before he even leaves California, he must rely on the one man he despises to get to the girl who needs him the most. And when it comes to the surfer with the Volkswagen van and dog-eared map, a thousand miles may- r may not- e enough to heal the past. A story of new beginnings and second chances.

**I Have a Dog** Charlotte Lance,2014-05-01 I have a dog. An inconvenient dog. When I wake up, my dog is inconvenient. When I'm getting dressed, my dog is inconvenient. And when I'm making tunnels, my dog is SUPER inconvenient. But sometimes, an inconvenient dog can be big and warm and cuddly. Sometimes, an inconvenient dog can be the most comforting friend in the whole wide world.

*Back in Time with Benjamin Franklin* Dan Gutman,2009-07-10 Having only one hour to finish an important school report, Qwerty Stevens doesn't have time for his accidental journey in his time machine that takes him back to July 4, 1776, yet his arrival turns out to be very important after he meets Benjamin Franklin and saves the Declaration of Independence from near destruction. The Dare Harley Laroux,2023-10-31 Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The freak, Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? The Dare is an 18+ erotic romance novella and a prequel to the Losers Duet. Reader discretion is strongly advised. This book contains graphic sexual scenes, intense scenes of BDSM, and strong language. A full content note can be found in the front matter of the book.
