Parrot and Olivier in America Peter Carey, 2010-04-20 From the two-time Booker Prize-winning author: an irrepressible, audacious, trenchantly funny new novel set in the 19th century and inspired in part by the life of Alexis de Tocqueville. With dazzling exuberance and all the richness of characterization, story, and language that we have come to expect from this superlative writer, Peter Carey explores the birth of democracy, the limits of friendship and whether people really can remake themselves in a New World. The two men at the heart of the novel couldn't be any more different: Olivier is the son of French aristocrats who (barely) survived the French Revolution. Parrot is the motherless son of an itinerate English printer. But when young Parrot is separated from his father (after a stupendous conflagration at a house of forgery) he runs into the powerful embrace of a one-armed marquis who will be his conduit - like it or not - into a life as closely (mis)allied with Olivier's as if they were connected by blood. And when Olivier sets sail for America - ostensibly to make a study of the American penal system, but more precisely to save his neck from the latest guillotineurs - Parrot, unable to loosen the Marquis's grip, is there too: as spy, scribe, comptroller, protector, foe and foil. As the narrative unfurls, shifting between the perspectives of Olivier and Parrot, between their picaresque adventures apart and together, in love and politics, prisons and finance, homelands and brave new lands - a most unlikely friendship begins to take hold.

Killing Sin Aaron M. Renn, John Owen, 2015-02-05 *Killing Sin* is John Owen's Puritan classic *Mortification of Sin* updated for today. Owen tackles the age-old challenge for the Christian: how to put to death the power of sin over our lives. This is something that is impossible through man-centered self-help or self-denial. But with God all things are possible. Though we will never be completely free of sin while alive in this world, by putting our faith on Christ with an expectation of His help, the Holy Spirit will bring the His cross into our hearts with all its sin-killing power. Owen tells us why it is imperative for the Christian to be killing sin in his life, what it actually means to kill sin, why only a Christian can do it, why it is only possible through the power of the Holy Spirit, and how we can avail ourselves of the power of the Spirit to kill sin through gospel faith in the death and resurrection of Christ. Owen's original *Mortification of Sin* was written in 17th century English that is extremely difficult to understand. This *Killing Sin* translates Owen into contemporary English that is easy to read without dumbing it down so people today can read this very important book on a most critical topic.
