Halo: Bad Blood Matt Forbeck,2018-06-26 An original full-length novel set in the Halo universe and based on the New York Times bestselling video game series! Just hours following their climactic battle on the Forerunner planet Genesis, the Spartans of Blue Team and Fireteam Osiris find themselves running for their lives from the malevolent machinations of the now-renegade artificial intelligence Cortana. But even as they attempt to stay one step ahead, trouble seems to find Spartan Edward Buck no matter where he turns. A secret mission enacted by the Office of Naval Intelligence could possibly help turn the tide, and has Buck reluctantly agreeing to reform his old team, Alpha-Nine. Because if the band is really getting back together for this one, that means everybody—including the Spartan who Buck never wants to see again, the one who committed the ultimate betrayal of trust...

Heroic Habits Ezra Sullivan,2023-06-30 You are made for greatness. Not mediocrity. Not mere goodness. Greatness. The structure of your life, your human nature, your unique body, your emotions--everything about you is oriented to your perfection. But how are we to reach greatness? In this thought-provoking book, Father Ezra Sullivan provides the forgotten key to discovering the soul's potential for greatness: heroic habits. A habit is what makes us into saints or sinners. Just as the body can become stronger through exercise and effort, or weaker through wounds or neglect, so the entire person can develop an almost permanent state of goodness or evil through habituation to virtue or vice. Habits both reveal and shape who you are; they speak about what you have been, and they predict what you will be. Unique for a spirituality book, Heroic Habits explores and combines three realms of thought: The psychological science of habits St. Thomas Aquinas's theory of habits Practical advice on habits Utilizing humor, everyday examples, and serious scholarship, Fr. Ezra gets to the root of one of the things most mysterious to us--ourselves. Because habits are biological, psychological, and spiritual realities, Heroic Habits provides a panoramic vision of the whole human person. Front and center are why we are the way we are, how we make habits, how habits influence our lives, and how to develop good ones and eradicate bad ones, all with the help of God, as well as the saints, who lived out their good habits heroically and provide a blueprint for you to do the same. Heroic Habits will help you achieve long-lasting insight about yourself, to open yourself to the transforming grace of Christ, and to develop the good habits you have always desired.

Redeeming Your Time Jordan Raynor, 2023-09-26 Manage your time the way Jesus managed his with a biblical antidote to swamped to-do lists and hurried schedules. "A highly practical road map."—Mark Batterson, New York Times bestselling author and lead pastor of National Community Church Despite the overwhelming amount of resources for time management and work-life balance, the ability to cultivate the efficiency and equilibrium needed to manage all our worthy pursuits can often feel frustratingly out of reach. The reason for our struggle is that productivity and time-management systems focus on individual habits rather than more meaningful and lasting lifestyle changes. But as it turns out, there is a better way to reach our full potential. We don't need just another approach to changing our habits. What we need is an operating system that takes into account the full scope of our lives. In these pages, bestselling author Jordan Raynor presents this system, using seven powerful time-management principles drawn from the example of how Jesus lived:

1. Start with the Word: Find meaningful connection with the author of time daily.
2. Let Your Yes Be Yes: Accept only the commitments you can fulfill.
3. Dissent from the Kingdom of Noise: Create room for silence, stillness, and reflection.
4. Prioritize Your Yeses: Confidently maintain your commitments.
5. Accept Your "Unipresence": Focus on one important thing at a time.
6. Embrace Productive Rest: Live the God-designed rhythms of rest which are productive for our goals and souls.
7. Eliminate All Hurry: Embrace productive busyness while ruthlessly eliminating hurry from our lives.

With these principles, you'll see how Jesus managed his time on earth and how he responded to human constraints much like the ones you face today. More than that, you'll discover corresponding practices that will help you embrace the best, most Christlike version of yourself possible: purposeful, present, and wildly productive.

Birds and Us Tim Birkhead, 2022-03-03 Award-winning writer and ornithologist Tim Birkhead takes us on an epic and dazzling journey through this mutual history with birds. Since the dawn of human history, birds have stirred our imagination, inspiring and challenging our ideas about science, faith, art and philosophy, from the ibises mummified by Ancient Egyptians and Renaissance experiments on the woodpecker to the Victorian obsessions with egg collecting and our present fight to save endangered species. Weaving in stories from his own life as a scientist, this rich and fascinating book is the culmination of a lifetime's research and unforgettably shows how birds shaped us, and how we have shaped them. 'Thought-provoking at every turn, this inspiring, shocking, wonder-filled exploration of our relationship with birds' Isabella Tree, author of Wilding 'A fascinating book about the close and often surprising relationship between birds and people' Stephen Moss

is the idea of falling in love. Selene Rhodes has lived her whole life with a terrible secret: not only can she take the form of any animal at will, but once a month the full moon transforms her into a fierce wolf-creature without a human conscience. Swearing off relationships after having her heart broken by a cheating ex, Eve throws herself into her work: catching murderers. When Selene comes to her aid after an attack by a masked man in Golden Gate Park, Eve is shocked by how powerfully she is drawn to her mysterious savior. Shaken by her own feelings for Eve, Selene is even more terrified to realize she isn't even close to being the scariest monster stalking San Francisco.
