At Blackwater Pond Mary Oliver,2006-04-01 One of the astonishing aspects of Oliver's work is the consistency of tone over this long period. What changes is an increased focus on nature and an increased precision with language that has made her one of our very best poets. --Stephen Dobyns, New York Times Book Review Mary Oliver has published fifteen volumes of poetry and five books of prose in the span of four decades, but she rarely performs her poetry in live readings. Now, with the arrival of *At Blackwater Pond*, Mary Oliver has given her audience what they've longed to hear: the poet's voice reading her own work. In this beautifully produced compact disc, Mary Oliver has recorded forty of her favorite poems, nearly spanning the length of her career, from *Dream Work* through her newest volume, *New and Selected Poems, Volume Two*. The package is shrink-wrapped so that the elegant clothbound audiobook can take its place on the poetry shelf. It also includes a fifteen-page booklet with an original essay, Performance Note, photos of the author at Blackwater Pond, and a full listing of the poems and their sources.

Tell Me Who I Am: The Sunday Times Bestseller and Netflix Original Documentary Alex And Marcus Lewis,2013-07-04 Imagine waking up one day to discover that you have forgotten everything about your life. Your only link with the past, your only hope for the future, is your identical twin. Now imagine, years later, discovering that your twin had not told you the whole truth about your childhood, your family, and the forces that had shaped you. Why the secrets? Why the silences? You have no choice but to begin again. This has been Alex's reality: a world where memories are just the stories people tell you, where fact and fiction are impossible to distinguish. With dogged courage he has spent years hunting for the truth about his hidden past and his remarkable family. His quest to understand his true identity has revealed shocking betrayals and a secret tragedy, extraordinary triumph over crippling adversity and, above all, redemption founded on brotherly love. Marcus his twin brother has sometimes been a reluctant companion on this journey, but for him too it has led to staggering revelations and ultimately the shedding of impossible burdens. Their story spans continents and eras, from 1950s debutantes and high society in the Home Counties to a remote island in the Pacific and 90s raves. Disturbing, funny, heart-breaking and affirming, Alex and Marcus's determination to rebuild their lives makes us look afresh at how we choose to tell our stories.

Index Fund Management Fadi Zaher, 2019-08-28 This book brings simplicity to passive investing, smart beta, and factor investing, which is the fastest growing type of investment in the asset management industry. The subject has a strong academic foundation but often taught and presented in a quite complex and unorganized way. In recent years, index and factor investing solutions have been bestsellers. But factor investing success is not a foregone conclusion, and there are plenty of quirks and misprints in the literature. Do investors need a novel approach? The book provides answers to some of these questions in an open and objective fashion. Index fund management is increasingly taught in finance courses at universities. For market practitioners including trustees and investors, this book facilitates an increased understanding of how to invest in index and smart beta strategies, how to implement them, and what to be aware of with concrete and practical real-world examples.
