The Odyssey of Burt High School Joe Ann Burgess,2020-07-06 The Odyssey of Burt High School By: Dr. Joe Ann Burgess Burt High School takes center stage on an inspiring journey to literacy as blacks in small town Clarksville, TN struggle for the privilege to attain an education and to have equal access to facilities and equipment provided by the State. Interviews with teachers and students will remind readers or let them see for the first time the difficulties African Americans faced across the South as they fought to gain their right to public education and as they strove toward an integrated, unified system of education. The Odyssey of Burt High School is a celebration of the many teachers and others who took great interest in the educational welfare of students and their lives. Many BHS graduates led successful careers in medicine, business, athletics, the military, and more.

Aging Backwards Miranda Esmonde-White,2014-11-11 PBS fitness personality on Classical Stretch and creator of the fitness phenomenon Essentrics, Miranda Esmonde-White offers an eye-opening guide to anti-aging that provides essential tools to help anyone turn back the clock and look and feel younger no matter what age. Miranda Esmonde-White trains everyone from prima ballerinas to professional hockey players to Cerebral palsy patients: what do they all have in common? All of these people are hoping to heal their bodies, prevent further injury, and move optimally and without pain. In fact, they have the same goals as any of us who are trying to stay young, fit, and reverse the hands of time. Because the aging of our bodies occurs in our cells, it must be repaired there too—that’s where Miranda’s highly effective and sought-after techniques come in. The body is programmed to self-destruct as we age, but the speed at which it self-destructs is up to us. Recent scientific studies have proven this fact! In Aging Backwards, Miranda offers a groundbreaking guide on how to maintain and repair our cells, through scientifically designed workouts. Healthy cells prevent joint pain, muscle loss and weak bones—helping to control weight, increase energy, and improve strength and mobility. Miranda offers readers of all ages the tools they need to look and feel young. Complete with tips, tools, and her Eight Basic Age-Reversing Workouts accompanied by instructional photos and web clips, Aging Backwards will help you grow younger, not older!

Professional IronPython John Paul Mueller,2010-04-27 Thorough coverage of Microsoft’s new dynamic programming language: IronPython IronPython is a powerful and vital part of any .NET developer's toolbox, and although it is several years old, very little literature exists on the topic. This essential resource fills that void and provides you with an in-depth understanding of IronPython. A brief introduction walks you through the installation, usage, and tools of IronPython and also explains what makes IronPython different from other programming languages. Coverage quickly moves on to explaining how to use and work with the IronPython language, and an in-depth look at its environment sheds light on how it can be stand alone or with the .NET Framework. You'll see how IronPython can be used to create either desktop or Web-based applications and you’ll witness how it interacts with other existing technologies. In addition, coverage of advanced topics shares techniques for extending IronPython and making it a robust language. Provides you with an in-depth look at IronPython, how it is different from other programming languages, what it is capable of, and how to maximize its potential Explores how IronPython interacts with existing technologies and how it can perform administration tasks Answers popular questions, such as how to extend IronPython and make it a more robust language Tackles topics not addressed anywhere else, including executing IronPython using Mono You'll want to devour every topic covered in Professional IronPython so you can get started working with this powerful programming language today.
