The 'Fun with Feelings' programme is designed to help parents support their children with emotional regulation and to decrease anxiety. This guide is structured around 10 stages. The final six stages are used in conjunction with Having Fun with Feelings on the Autism Spectrum: A CBT Activity Book for Kids Age 4-8, allowing parents to support their child while working through the activity book. Written by world-leading experts in the field, 10 Steps to Reducing Your Child's Anxiety on the Autism Spectrum provides the steppingstones for parents of young children with autism to better understand their child's emotional skill set and empower them to understand and articulate their feelings.
