Agatha Christie

The Murder on the Links Agatha Christie, 1923 Monsieur Renauld dies on a golf course just days after sending a plea for help to detective Poirot. Since Renauld possessed a plundered fortune, a scorned wife, a mistress, and an estranged son, there is no lack of suspects. It's up to Poirot to put the police onto the culprit before more murders occur.

The Murder on the Links Agatha Christie, 2022-11-13 Hercule Poirot and Captain Hastings travel to Merlinville-sur-Mer, France, to meet Paul Renauld, who has requested their help. Upon arriving at his home, the Villa Genevieve, local police greet them with news that he has been found dead that morning. Renauld had been stabbed in the back with a letter opener and left in a newly dug grave adjacent to a local golf course. His wife, Eloise Renauld, claims masked men broke into the villa at 2 am, tied her up, and took her husband away with them. Upon inspecting his body, Eloise collapses with grief at seeing her dead husband. Monsieur Giraud of the Sûreté leads the police investigation, and resents Poirot's involvement; Monsieur Hautet, the Examining Magistrate, is more open to sharing key information with him.

The Murder on the Links Agatha Christie, 2011-06-14 An urgent cry for help brings Hercule Poirot to France. But he arrives too late to save his client, whose brutally stabbed body now lies facedown in a shallow grave on a golf course. But why is the dead man wearing an overcoat that is too big for him? And for whom was the impassioned love letter in the pocket? Before Poirot can answer these questions, the case is turned upside down by the discovery of a second, identically murdered corpse....

The Murder on the Links Agatha Christie, 2021-04-29 Two people rarely see the same thing. – Agatha Christie, The Murder on the Links Experienced Belgian detective, Hercules Poirot is called in to a client but when he arrives is given notice of the man's death earlier that day. The victim lay face down in a grave located within a golf course. He was wearing his son's overcoat and a love letter within. Cause of death, a letter opener. Soon Poirot's case is flipped over by the discovery of another identical corpse.

The Murder On The Links , 2020-04-05 Agatha Christie wrote this novel in 1923: it is the second novel in the Poirot series, after The Mysterious Affair at Styles, the 1920 debut in which Poirot appeared, and the third in general, because a year earlier, in 1922, The Secret Adversary was released, in which the couple Tommy & Tuppence appeared. It is one of the novels that I liked most, of the many written by Agatha Christie. There is one reason: it is a fresh, sparkling text, full of pitfalls, false tracks, true clues and false clues, and with a pyrotechnic ending. A truly magnificent novel, with a young Poirot, and in full mental health above all (to be enjoyed, his lucubrations on his famous gray cells), is a continuous tourbillon of situations, some of them almost at the limit of the paradoxical, if not of

the grotesque, though being dramatic. There is no way how Christie gave her imagination so much, inventing a plot, so tangled and yet so linear: there are two false solutions, obviously indicating two false killers. THE PLOT Invited to travel to France to protect a man threatened by an unknown danger, the famous Hercule Poirot on his arrival has a depressing surprise: his client has already been murdered by a couple of mysterious foreigners. In charge of investigating the crime, the Belgian detective discovers, together with faithful captain Hastings, that the crime was carried out following the same method as a murder committed many years before and that the victim, while ardently loving his wife, was linked to a woman fascinating and enigmatic.

The Murder on the Links (100 Copy Collector's Edition) Agatha Christie, 2019-12-03 Inspector Hercule Poirot and Captain Hastings travel to Merlinville-sur-Mer, France, to meet Paul Renauld, who has requested their help. Upon arriving at his home, the local police greet them with news that Renauld has been found dead that morning. What follows is an enthralling mystery, with Poirot piecing together clues and peculiar events to solve the most difficult case of his detective career. When *The Murder on the Links* was first published, reviews compared Agatha Christie favourably to the Sherlock Holmes mysteries. Christie's reputation as The Queen of Crime was built upon the large number of classic motifs that she introduced. Christie built these tropes into what is now considered classic mystery structure: a murder is committed, there are multiple suspects who are all concealing secrets, and the detective gradually uncovers these secrets over the course of the story, discovering the most shocking twists towards the end. This cloth-bound book includes a Victorian inspired dust-jacket, and is limited to 100 copies.

Plot summary: Hercule Poirot and Captain Hastings travel to Merlinville-sur-Mer, France, to meet Paul Renault, who has requested their help. When they arrive, local police greet them with

the news that Renauld was found dead that morning, stabbed in the back with a knife and left in a newly dug grave adjacent to a local golf course. His wife, Eloise Renauld, claims masked men broke into the villa at 2 am, tied her up, and took her husband away with them. Upon inspecting his body, Eloise collapses with grief at seeing her dead husband. Monsieur Giraud of the Sûreté leads the police investigation, and resents Poirot's involvement. Poirot notes four key facts about the case: a piece of lead piping is found near the body; only three female servants were in the villa as both Renauld's son Jack and his chauffeur had been sent away; an unknown person visited the day before; and Renauld's immediate neighbour, Madame Daubreuil, had placed 200,000 francs into her bank account over recent weeks. When Renauld's secretary, Gabriel Stonor, returns from England, he suggests blackmail, as his employer's past is a complete mystery prior to his career in South America. Meanwhile, Hastings unexpectedly encounters a young woman he had met on the train, known only as Cinderella. She asks to see the crime scene and then disappears with the murder weapon. Poirot discovers that the case is nearly identical to one from 22 years ago, in which a man called Georges Conneau and his lover, Madame Beroldy, conspired to kill Madame Beroldy's husband. Poirot travels to Paris to discover more about the Conneau murder. On returning, Poirot learns that the body of a tramp has been found, stabbed through the heart with the murder weapon. An examination shows that he died before Renauld's murder from an epileptic seizure and was stabbed later.
