**An Index to Articles Published in The Etude Magazine, 1883-1957, Part 2** Pamela Richardson Dennis,2011-01-01 Annotation: The Index is published in two physical volumes and sold as a set for \$250.00. As America's geography and societal demands expanded, the topics in The Etude magazine (first published in 1883) took on such important issues as women in music; immigration; transportation; Native American and African American composers and their music; World War I and II; public schools; new technologies (sound recordings, radio, and television); and modern music (jazz, gospel, blues, early 20th century composers) in addition to

regular book reviews, teaching advice, interviews, biographies, and advertisements. Though a valued source particularly for private music teachers, with the de-emphasis on the professional elite and the decline in salon music, the magazine ceased publication in 1957. This Index to the articles in *The Etude* serves as a companion to E. Douglas Bomberger's 2004 publication on the music in *The Etude*. Published a little over fifty years after the final issue reached the public, this Index chronicles vocal and instrumental technique, composer biographies, position openings, department store orchestras, the design of a successful music studio, how to play an accordion, recital programs in music schools, and much more. The Index is a valuable tool for research, particularly in the music culture of American in the late nineteenth and early twentieth centuries. With titles of these articles available, the doors are now open for further research in the years to come.

Music of the Baduy People of Western Java Wim van Zanten, 2021-01-11 *Music of the Baduy People of Western Java: Singing is a Medicine* by Wim van Zanten is about music and dance of the indigenous group of the Baduy, consisting of about twelve-thousand people living in western Java. It covers music for rice rituals, for circumcisions and weddings, and music for entertainment. The book includes many photographs and several discussed audio-visual examples that can be found on DOI: 10.6084/m9.figshare.c.5170520. Baduy are supposed to live a simple, ascetic life. However, there is a shortage of agricultural land and there are many temptations from the changing world around them. Little has been published on Baduy music and dance.
