Jicheng Xie

**Surrender on Cebu** William Dilworth Miner,2002-06 A series of accounts from May 1941 to October 1945 describing Bill Miner's service on the island of Cebu and his subsequent capture and imprisonment by Japanese forces.

California Orange Box Labels Gordon McClelland,Jay T. Last,1985

*The Pupil* W. S. Merwin,2002-10-15 Hailed by Peter Davison in the Boston Sunday Globe as a poet who “engages the underground stream of our lives at depths that only two or three living poets can match,” W. S. Merwin now gives us *The Pupil*, a volume of astonishing range and extraordinary beauty: a major literary event. These are poems of great lyrical intensity, concerned with darkness and light, with the seasons, and with the passing of time across landscapes that are both vast and minutely imagined. They capture the spiritual anguish of our time; the bittersweet joys of vanishing wilderness; anger at our political wrong- doings; the sensuality that memory can engender. Here are remembrances of the poet’s youth, lyrics on the loss of loved ones, echoes from the surfaces of the natural world. Here, too, is the poet’s sense of a larger mystery: . . . we know from the beginning that the darkness is beyond us there is no explaining the dark it is only the light that we keep feeling a need to account for –from “The Marfa Lights” Passionate, rigorous, and quietly profound, *The Pupil* is an essential addition to the canon of contemporary American poetry—a book that finds W. S. Merwin’s singularly resonant voice at the height of its power.

**Percy Jackson and the Olympians, Book Five: The Last Olympian** Rick Riordan,2009-05-02 All year the half-bloods have been preparing for battle against the Titans, knowing the odds of victory are grim. Kronos's army is stronger than ever, and with every god and half-blood he recruits, the evil Titan's power only grows. While the Olympians struggle to contain the rampaging monster Typhon, Kronos begins his advance on New York City, where Mount Olympus stands virtually unguarded. Now it's up to Percy Jackson and an army of young demigods to stop the Lord of Time.

*The Girl He Used to Know* Tracey Garvis Graves,2019-04-02 New York Times bestselling author of *On the Island*, Tracey Garvis Graves, presents the compelling, hopelessly romantic novel of unconditional love. Annika Rose is an English major at the University of Illinois. Anxious in social situations where she finds most people's behavior confusing, she'd rather be surrounded by the order and discipline of books or the quiet solitude of playing chess. Jonathan Hoffman joined the chess club and lost his first game—and his heart—to the shy and awkward, yet brilliant and beautiful Annika. He admires her ability to be true to herself, quirks and all, and accepts the challenges involved in pursuing a relationship with her. Jonathan and Annika bring out the best in each other, finding the confidence and courage within themselves to plan a future together. What follows is a tumultuous yet tender love affair that withstands everything except the unforeseen tragedy that forces them apart, shattering their connection and leaving them to navigate their lives alone. Now, a decade later, fate reunites Annika and Jonathan in Chicago. She's living the life she wanted as a librarian. He's a Wall Street whiz, recovering from a divorce and seeking a fresh start. The attraction and strong feelings they once shared are instantly rekindled, but until they confront the fears and anxieties that drove them apart, their second chance will end before it truly begins.

Entertaining the Citizen Liesbet van Zoonen,2005 Can politics be combined with entertainment? Can political involvement and participation be fun? Politics and popular culture are converging all the time, whether it's in Arnold Schwarzenegger's election as governor of California or in political television dramas and movies like *The West Wing* and *Dave*. This book encourages readers to think about how links between entertainment and politics have the potential to rejuvenate citizenship, endorse civic values, and sustain civic commitment. Instead of discarding the popular as irrelevant or dangerous to the democratic process, Liesbet van Zoonen shows us the possibilities for increasing political knowledge and participation through the arenas of politics and popular music, political soaps, political television dramas, and politicians as celebrities. A first-rate starting point for debate, *Entertaining the Citizen* will stimulate and entertain students and general readers alike.
