Battle Cry Jason Wilson, 2021-09-21 In a culture that tells men to suppress instead of express, join bestselling author, speaker, and leader Jason Wilson (featured in the award-winning ESPN documentary *The Cave of Adullam*) as he calls us to unlearn society's definition of masculinity and discover the power of engaging with our emotions. For decades, Jason was losing the war within--the internal battle that many men wage on a daily basis. He struggled to combat his toxic thoughts and emotions, communicating without composure, and ultimately hurting himself and his loved ones. When Jason began to release years of unresolved trauma, he learned how to acknowledge his emotions and express them in a healthy way. He discovered that he was strengthened by transparency and vulnerability, which taught him to forgive, trust, and love without limitations. Soon, Jason's newfound practices began to heal his relationships and transform his life. Throughout his journey of opening up, Jason became a better husband, father, and leader--and you can, too. Supported by Biblical teachings, the lessons that Jason shares in *Battle Cry* teach us that we can all be empowered to break through what we've been through. Jason calls us to become better versions of ourselves, equipping us with the mental and spiritual weapons needed to redefine modern masculinity and showing us how to: embrace our emotions rather than be ruled by them win internal battles before they become external wars break free from misconstrued masculinity and embrace our humanity communicate more effectively with the people in our lives heal trauma from our past in order to live our fullest lives in the present *Battle Cry* proves that it's possible to live beyond the limitations of your mind and finally experience the full life you've always longed for. What are you waiting for? It's time to win the war within.

Cry Like a Man Jason Wilson,2019-01-21 As a leader in teaching, training, and transforming boys in Detroit, Jason Wilson shares his own story of discovering what it means to "be a man" in this life-changing memoir. His grandfather's lynching in the deep South, the murders of his two older brothers, and his verbally harsh and absent father all worked together to form Jason Wilson's childhood. But it was his decision to acknowledge his emotions and yield to God's call on his life that made Wilson the man and leader he is today. As the founder of one of the country's most esteemed youth organizations, Wilson has decades of experience in strengthening the

physical, mental, and emotional spirit of boys and men. In *Cry Like a Man*, Wilson explains the dangers men face in our culture's definition of "masculinity" and gives readers hope that healing is possible. As Wilson writes, "My passion is to help boys and men find strength to become courageously transparent about their own brokenness as I shed light on the symptoms and causes of childhood trauma and 'father wounds.' I long to see men free themselves from emotional incarceration—to see their minds renewed, souls weaned, and relationships restored."

The Bologna Cookbook Kevin Phillips, 2014-08-12 A Man on a Mission Ex-military man and Canadian patriot Kevin Phillips grew up in Cape St. George, where he developed a love for the traditional dishes of his Newfoundland home. After high school, he joined the Canadian Armed Forces (CAF) and served for thirty-three years before retiring as a master warrant officer. During that time, he never forgot the old Newfoundland recipes of his youth. So, immediately upon his retirement from the CAF, he rekindled his passion for cooking and began his new career as a chef! From Military to Culinary Kevin's initial plan was to resurrect and share some of his favourite old-time recipes online. He intended to focus on old, lost recipes, but as the number of bologna recipes increased to well over two hundred, he decided to concentrate entirely on bologna. Kevin quickly realized that bologna was not exclusive to Newfoundland. In fact, this sausage was enjoyed by people from all parts of the country, as well as by many of his readers overseas! Much Ado about . . . Bologna? The Bologna Cookbook is Kevin Phillips's first book, and the first ever all-bologna cookbook, featuring two hundred recipes whose main ingredient is . . . you guessed it . . . bologna! The cookbook outlines easy-to-make recipes for mouth-watering dishes that are a feast for the eyes and a delicious treat for the soul, such as Bologna and Eggs with Havarti, Bologna Caesar Wraps, Cheesy Bologna Calzones, Balsamic Peppercorn Bologna Steak, Bologna Stroganoff, and more!

The Catastrophist Lauren Gunderson, 2021-12-16 Honestly the best science I've ever done and - frankly the best science in the history of humankind - has started with the same thought experiment: find the ways in which humanity thinks it is special... and assume that we're not. How do you plan for a catastrophe? Virologist Nathan Wolfe, named one of *TIME's* 100 Most Influential People in the World for his work tracking viral pandemic outbreaks, proposed pandemic insurance years before the novel coronavirus outbreak. No one bought it. Now, in a post-COVID world, we hear his story. A time-jumping tale based on the life and work of Nathan Wolfe (who also happens to be the playwright's husband). Though not a play about COVID19, it is a true story of a pandemic expert. A deep dive into the profundities of scientific exploration and modern Judaism, the lengths one goes for love and family, the bracing truths of fatherhood and discovery, and the harrowing realities of facing your own mortality, *The Catastrophist* is also a story of

a main character battling the story he's in... and who is writing it.

Backwards and Forwards David Ball,1983 Considered an essential text since its publication thirty-five years ago, this guide for students and practitioners of both theater and literature complements, rather than contradicts or repeats, traditional methods of literary analysis of scripts
