Inside Vogue Alexandra Shulman,2016-10-27 The secret diary of Vogue Editor-in-Chief Alexandra Shulman and the real story behind the BBC TV ABSOLUTELY FASHION documentary. 'One of the great social diaries of our time . . . should become a classic.' Sunday Times 'Eye-popping, brilliantly candid' Evening Standard What a year for Vogue! Alexandra Shulman reveals the emotional and logistical minefield of producing the 100th anniversary issue (that Duchess of Cambridge cover surprise), organizing the star-studded Vogue 100 Gala, working with designers from Victoria Beckham to Karl Lagerfeld and contributors from David Bailey to Alexa Chung. All under the continual scrutiny of a television documentary crew. But narrowly-contained domestic chaos hovers - spontaneous combustion in the kitchen, a temperamental boiler and having to send bin day reminders all the way from Milan fashion week. For anyone who wants to know what the life of a fashion magazine editor is really like, or for any woman who loves her job, this is a rich, honest and sharply observed account of a year lived at the centre of British fashion and culture.

The Diary of Andrew Fuller, 1780-1801 Michael D. McMullen,Timothy D. Whelan,2016-10-24 Despite his prominent role during the last quarter of the eighteenth century in promoting evangelical Calvinism among British Particular Baptists, only portions of the diary of Andrew Fuller (1754-1815), one of the most important surviving manuscripts from that century, have appeared in print in various volumes published between 1816 and 1882, portions usually inaccurately transcribed and highly editorialized. The current edition is the first complete and accurate transcription of Fuller's diary based on the sole surviving volume now residing at Bristol Baptist College. This edition, with exhaustive identifications, notes, and valuable appendices for students of Baptist history, provides a fascinating glimpse into Fuller's ministry at Soham and Kettering during a period (1780-1801) when he became the titular head of the Particular Baptists as a result of his preaching throughout Northamptonshire and surrounding counties; his writing, such as his influential work, *The Gospel Worthy of All Acceptation* (1785); and his multi-national work as founding secretary of the Baptist Missionary Society (1792), a position he diligently maintained until his death in 1815, having left a legacy unequalled by any other minister of his generation.

Kwajalein Atoll, the Marshall Islands and American Policy in the Pacific Ruth Douglas Currie,2016-10-17 For centuries, the Marshall Islands have been drawn into international politics, primarily because of their central location in Oceania. After World War II they came into the American sphere as part of the Trust Territory of the Pacific Islands. At the outset of the Cold War, the Marshalls were a site for nuclear tests and later for the U.S. Army's ballistic missile testing as part of President Reagan's Strategic Defense Initiative. This book focuses on the islanders' tenacious negotiations for independence and control of their land, accomplished as the Republic of the Marshall Islands in a Compact of Free Association with the U.S. The creation of American policy in the Pacific was a struggle between the U.S. departments of the Interior and State, and the military's goals for strategic national defense, as illustrated by the case of the Army's base at Kwajalein Atoll.
