**My EBay for Seniors** Michael Miller,2014 A guide for senior citizens to the online auction house explains how to buy and sell online, submit winning bids, shop safely, and effectively market items for sale.

eBay 2014: Why You're Not Selling Anything on eBay, and What You Can Do About It Nick Vulich,2014-09-09 Selling on eBay isn't a game. You need to have a plan. eBay 2014 walks you through what it takes to sell on eBay. It answers all of your questions, and gives you ideas about how to get started and grow your eBay business. Do you ever wonder how some sellers can grow a strong thriving business, while others barely scrape by? Many times, I've watched two sellers as they are first starting out on eBay. Both sellers offer the exact same products and prices, yet one business skyrockets to the top of the charts selling thousands of items per month. The other business struggles to sell ten or fifteen items per month. They might even have the same basic look to their listings. On the face of it, it doesn't make sense. Why does one eBay seller prosper, while another falls behind? Is it a matter of luck? Does one eBay seller catch all of the breaks, while another is stuck holding doo doo? Believe it or not, many struggling sellers believe this. They think it's all a matter of luck.

*101-Tips for Buying and Selling on eBay* 101-Tips for Buying and Selling on eBay,2022-11-26 Introduction: Quit Your 9-to-5 Job and Become a Solopreneur 1. Your phone's alarm goes off. 2. It's time to get up, shower, grab a bagel and coffee on the way to work, and drive there. 3. You appear to be on autopilot every day. There's no need to think about it; just do it. For many people, a traditional 9-5 job, while somewhat secure, is not what they expected when they signed up for it. You may only have two weeks of vacation per year; the pay is pitiful; the people are a bunch of gossipers; and the work - well, let's just say you don't really need your degree to do what you're doing. People, particularly Millennials, are increasingly abandoning full-time employment. Climbing to the top of a company is no longer a common career path. Millennials, on the other hand, frequently see eBay, starting your own company, or growing your own business as the new norm. And the data backs this up: eBay is on the rise. eBay is one of the most active online marketplaces, with a multibillion-dollar turnover and over 180 million users. They were only of the workforce seven years ago. And it's only going to get worse as more people realize the freedom that being a solopreneur provides. If having \*no\* boss is what you're looking for, here's how to get it right away. There are some people who despise their 9-5 jobs. When they describe their job, it sounds like a prison sentence, complete with roadside manual labor and the old' shackle and chains. Their job makes them a prisoner, which they despise. Others adore their 9-to-5 jobs. They go to work and enjoy the fact that they have no ownership in the company and can leave at any time without incurring any liability.

I've had several jobs. I spent the first half of my twenties starting seven businesses, six of which failed miserably and one of which became an overnight success (that I later walked away from). I then got a corporate job in a bank and had to wear a suit to work. The lobby resembled a hotel, and the language used was never profane. My next position was a cross between a startup and a corporate, with a focus on people management. You're trapped. As each day passes, you can't wait for the weekend to be over, so you don't have to think about work. No more bosses breathing down your neck, no more pre-planned breaks, and certainly no more long commutes. Weekends are your life. You know you don't want this job, but you're stuck with it. You want out but don't know how, whether you want to quit your job to travel more, try something new, or if you're just bored or unhappy with what you're doing. What are you going to do? How do you leave a stable and secure job to pursue a life of hustling for work? And can you make a living from eBay? Rarely Revealed Secrets to Making Money on eBay that Are Ideal for Complete Beginners “Do you believe you squandered an eBay opportunity? Consider again. eBay is one of the most active online marketplaces, with a multibillion-dollar turnover and over 180 million users.
