*Laughing at Wall Street* Chris Camillo, 2011-11-08 \$20,000 to \$2 million in only three years— the greatest stock-picker you never heard of tells you how you can do it too Chris Camillo is not a stockbroker, financial analyst, or hedge fund manager. He is an ordinary person with a knack for identifying trends and discovering great investments hidden in everyday life. In early 2007, he invested \$20,000 in the stock market, and in three years it grew to just over \$2 million. With *Laughing at Wall Street*, you'll see: •How Facebook friends helped a young parent invest in the wildly successful children's show, Chuggington—and saw her stock values climb 50% •How an everyday trip to 7-Eleven alerted a teenager to short Snapple stock—and tripled his money in seven days •How \$1000 invested consecutively in Uggs, True Religion jeans, and Crocs over five years grew to \$750,000 •How Michelle Obama caused J. Crew's stock to soar 186%, and Wall Street only caught up four months later! Engaging, narratively-driven, and without complicated financial analysis, Camillo's stock picking methodology proves that you do not need large sums of money or fancy market data to become a successful investor.

**This Is Ear Hustle** Nigel Poor, Earlonne Woods, 2022-08-30 A “profound, sometimes hilarious, often heartbreaking” (The New York Times) view of prison life, as told by currently and formerly incarcerated people, from the co-creators and co-hosts of the Peabody- and Pulitzer-nominated podcast *Ear Hustle* “A must-read for fans of the legendary podcast and all those who seek to understand crime, punishment, and mass incarceration in America.”—Piper Kerman, author of *Orange Is the New Black* When Nigel Poor and Earlonne Woods met, Nigel was a photography professor volunteering with the Prison University Project and Earlonne was serving thirty-one years to life at California’s San Quentin State Prison. Initially drawn to each other by their shared interest in storytelling, neither had podcast production experience when they decided to enter Radiotopia’s contest for new shows . . . and won. Using the prize for seed money, Nigel and Earlonne launched *Ear Hustle*, named after the prison term for “eavesdropping.” It was the first podcast created and produced entirely within prison and would go on to be heard millions of times worldwide, garner Peabody and Pulitzer award nominations, and help earn Earlonne his freedom when his sentence was commuted in 2018. In *This Is Ear Hustle*, Nigel and Earlonne share their own stories of how they came to San Quentin, how they created their phenomenally popular podcast amid extreme limitations, and what has kept them collaborating season after season. They present new stories, all with the same insight, balance, and rapport that distinguish the podcast. In an era when more than two million people are incarcerated across the United States—a number that grows by 600,000 annually—Nigel and Earlonne explore the full and often surprising realities of prison life. With characteristic candor and humor, their moving portrayals include unexpected moments of self-discovery, unlikely alliances, inspirational resilience, and ingenious work-arounds. One personal narrative at a time, framed by Nigel’s and Earlonne’s distinct perspectives, *This Is Ear Hustle* reveals the complexity of life for incarcerated and formerly incarcerated people while illuminating the shared experiences of humanity that unite us all.

But when Compton leaves Earth behind—joining forces with Bayta, the Spiders' beautiful, half-human representative aboard the Quadrail—the terrifying scope of a vast, galaxy-wide conspiracy begins to reveal itself. Targeted on all sides by alien assassins of every shape and species, Compton and his enigmatic new partner are suddenly in a race against a clock ticking down to an irreversible doomsday, one in which the galactic night train will derail, carrying all members of humanity screaming to their deaths. **SWEET & SOUR UNCLE** Jim Little,2021-10-20 This is a love story that spans over a sixty-eight-year period. Some of this time was unrequited love for a painful twenty-eight years and also a happy time of reconciliation. The main character of the story is Ralph H. Little (1908-1999). He pursued the "Love of his life," Freda, for all of his adult life. A log house in the Oregon woods defines Ralph more than anything else in his life. He was told

during the courtship of Freda that one condition of marriage was the building of a log house on her father’s 180-acre, Oregon homestead. Logs were cut by hand and hauled to the construction site by horses. The log house was built not only with hard work and sweat, by “Uncle” Ralph, but primarily with love for his beloved Freda. Ralph suffered betrayal and the loss of Freda. After 28 dark and lonely years Freda returned after she suffered a betrayal in her life. There was a happy remarriage and almost immediately Freda suffered illness and became bed-ridden. Freda was expected to live for only six months. Ralph lived out his marriage vows by nursing Freda for 13 years beyond the time she was expected to live. Following the death of Freda, Ralph began showing signs of dementia. He pleaded with his nephew and niece, who became his caregivers, to help him stay in his log house, for as long as possible. He often said, I will have to be handcuffed to leave this house. Sadly it eventually came to pass that is exactly what happened. This story is also about those, “sweet and sour times”, and the resulting family relationships and legal issues often faced by caregivers.

Ignoring her demands that he rescue her ten-year-old sister, the former Western Alliance Intelligence agent sends his unwelcome guest packing—only to find himself under arrest the following day for her brutal murder. Released on bail and determined to do the right thing, Compton makes tracks for the world of New Tigris. But a captive child is not all that he discovers there: Little Rebekah may also hold the key to the ultimate defeat of the Modhri. Suddenly, keeping one small girl safe is the most important—and dangerous—task Compton has ever undertaken. And with the Modhris’ mind-slave “walkers” everywhere, there may be no safe place for an “abomination” and her protector to hide.
