**Michael Gershe**

**My Life** Lois Brown, 2012-02-29 Lois Brown offers a straight retelling of her history in *My Life*. This autobiography is about growing up on a large farm in Newberry, Florida the daughter of Albert Preston Hodge and Lois Magnolia Stephens. It is interesting to note how simplicity makes the details of Browns story all the more compelling for readers. Perhaps it is the careful, loving attention the author gives to everyone who populates the book. A precision that is clean and bright makes even barbecued goat (her brother Walters favorite) seem a natural and necessary part of living. The book is built with well-organized chapters that manage to take all the threads of family history into a very readable whole. Again, it is Lois Browns talent for storytelling that comes to the fore. Nothing is out of place and each disparate chapter blends into another with nary a bump for the reader. The interesting details continue without flagging and the writing is seen to be a concise, consistent and steady rhythm that is almost hypnotic. The author knows all the details of local color so intimately that the reader is taken straight into the sights and sounds of a tobacco auction or reads of some delicious home cooking whose aromas can almost come out of the page. From early childhood onward, we see how the woman Lois Brown is formed from both the fertile ground of family history and an intelligent personality. Replete with pictures and stories that defined moments and true lives, here is the remarkable result of Lois Browns patience and determination to tell her story.

**My Life in North Florida** Kermit M.

Brown, 2016-08-06 These delightful autobiographical stories take place along the rivers, lakes, and creeks across North Florida from Apalachicola to Tallahassee, Gainesville, and Jacksonville. They start in the mid-20th

century with a nostalgic look at a community and a time gone by. They continue as a boy grows up with guns, boats, airplanes, shark fishing, duck hunting, exhibition shooting, alligators, and adventures.

**Jobless in Gainesville** Rene G. Parent, 2009-04-30

Writing is a conversation with life, our life. It's my hope you recognize yourself within the pages, within the story, within the conversation. I've written a letter to my niece who sweats jobless in Gainesville. I've written on parts of my life as a stay at home parent. I've written on the writing process itself. Though seasons change, what remains is our unity, the human connection, the people who people our lives. I've written on finding meaningful work and finding our place in the sun. Work uniquely defines us. Finding our ideal place to live is a luxury we give to ourselves. I've written on the writing process. Writing is a conversation, more the listening part however. Much like music, and those distant planes, life is readily available as backdrop to our writing. Still we must pause to notice. Enjoy listening along. May it be music to your ears, compelling to read, empowering to your life. My wife says it's called listening.

*Life According to Me* Eileen Gonzalez, 2012-01-31

*Life According to Me* is a project of love in which I have been able to reflect on my life, both the mistakes and the triumphs. I have learned many lessons that I truly cherish and follow day by day, and the most important ones are to identify what I want or need, believe in my capabilities to attain it, and to go make it happen. Life is too short to sit on the sidelines, wishing something better would come along. You need to get up and go make your luck. I want to share with you my life lessons and tell you that without a doubt, there is always hope. There are times you can't see clearly because you are stuck in a painful moment, one that clouds your judgment and keeps you trapped in sadness

and uncertainty. I want you to know that there is always hope and opportunity to overcome challenges in your life. As long as you have life, you have opportunity. I have seen this in my life, and I know its true in yours.

*The Reality of My Life* Mr. Mark Benoit, 2012-02-24 The reason why I wrote *The Reality Of My Life* is to explain to the world what I went through as a child and how impossible it seemed during my growth and development for me to achieve my success educationally. I often wondered why I should go through all these pains as a child and why was I so despised by my mother who should be loving, protecting, and guiding me to the best of her ability. There were times that I felt all hope was going away from me but through the power of the Almighty God, I got the aspiration to change the negative aspect of my life into positivity. While going through the pressures of life, I had no one to turn to. At nine years my older brother became my mentor and the principles he taught me never left me although it was for only one year. Today I can say to the world that I have a voice, and I hope anyone will be encouraged by my ability to fight and win.

**Captain Charming** Melony Ann, 2023-11-19 Given my ladies' man reputation, most people wouldn't think of me as romantic. I'm tough. I can be gruff. A hard ass. I know being a Captain with the Gainesville Police Department has probably gotten me more than a few dates. Truthfully, all I've ever wanted is to settle down. I've just never found the right woman to do it with. Until Mariah Marie comes into my life. She's enchanting. Beautiful. Sweet. Intelligent. Fierce. She has a wicked sense of humor, and a tantalizing way with words. Her popularity as a romance author has grown exponentially in a very short period of time. Wherever she graces with her presence, a call for service is sure to follow. Calls I usually assign myself to. I don't

trust anyone else to keep the girl I'm falling in love with safe. When the innocent adoration of one of her fans becomes sinister, I'll do whatever it takes to protect my girl. Suddenly, we're both thrust into a dangerous world that threatens to destroy us. A world I don't know either of us will make it out of alive. ~ This book is steamy cop romance with heavily detailed mental health themes and life-threatening moments that may not be suitable for all readers. ~

Malphurs,2009-07-08 In the career memoir, *My Life in the VA: Lessons in Leadership*, a thirty-seven year employee of the Department of Veterans Affairs shares an insiders view and valuable insight into the inner-workings of a bureaucracy. Fred Malphurs worked in both the central office as well as the VA healthcare system and spent the last twenty plus years of his career in senior executive service. He provides a compelling look inside the leadership of the VA as well as an interesting commentary on healthcare. Malphurs begins with detailing his experiences learning the ropes as he grappled through his first few years on the job and moves through his career in chronological order. He openly shares the lessons he learned along the way, his challenges both personal and professional, and the high and low points of his career all while shedding light on the political processes, the uncoordinated public policies, the failure to report real information, and the politics of doing or not doing the right thing. His recommendations for healthcare reform and improved government are included. Malphurs fascinating autobiography offers a unique perspective on healthcare, political science, and the distinguished career of a Federal executive.

**I Am Roe** Norma McCorvey, 1994 The spiritual/intellectual distance Roe falls below a Gandhi, a M.L. King, or many other symbolic persons is painfully obvious in her writing (we suppose Andy Meisler could write better but chose to retain the country flavor--or flatness). An un-heroic account of a very common lady swept along by outside forces. Annotation copyright by Book News, Inc., Portland, OR
