One Year to an Organized Life Regina Leeds,2022-12-06 A comprehensive, week-by-week bible to completely streamline all aspects of your life—now revised & updated for a global pandemic world of working from home and learning to de-stress while you de-clutter. Who would you be if you felt at peace and had more time and money? An organized life enables you to have more freedom, less aggravation, better health, and to get more done. Regina Leeds has helped even the messiest turn their lives around. One Year to an Organized Life is a unique week-by-week approach that you can begin at any time of year. Regina helps you break down tasks and build routines over time so that life becomes simple, not overwhelming. Whether you're living in chaos or just looking for new ways to simplify, this essential book will help you get the whole household organized-and stay that way. Covid has shaken humanity to the core and forced us to slow down and reimagine the way we use our living spaces. In a flash, the space we knew simply as home was suddenly a classroom, our office and the gym. And, at a time when stress and anxiety is at an all-time high, it no longer seems odd to meditate. It feels life-saving. If life is to be re-imagined, shouldn't we also do that with our living spaces? In this revised and updated edition of One Year to an Organized Life, Regina Leeds reveals how to optimize your space—for work, family and daily calmness (with plenty of new affirmations and reward systems built into her organizing tips).

MY LIFE IN CRIME Will Cavanaugh,2012-06-28 MY LIFE IN CRIME is the story of one man's career spent in the criminal justice system as a probation officer. It chronicles many of the people he knew and supervised, and includes his views about the system. Many of his opinions fly in the face of politically-correct attitudes, and his book calls for more understanding and better treatment of offenders. Criminals. Crooks. Perhaps in these pages you will see people you know--or perhaps you will see yourself.
