Secrets of the Mysterious Valley Christopher O'Brien,2011-03-22 No other region in North America features the variety and intensity of unusual phenomena found in the world's largest alpine valley, the San Luis Valley of Colorado and New Mexico. Since 1989, Christopher O'Brien has documented thousands of high-strange accounts that report UFOs, ghosts, crypto-creatures, cattle mutilations, skinwalkers and sorcerers, along with portal areas, secret underground bases and covert military activity. This mysterious region at the top of North America has a higher incidence of UFO reports than any other area of the continent and is the publicized birthplace of the "cattle mutilation" mystery. Hundreds of animals have been found strangely slain during waves of anomalous aerial craft sightings. Is the government directly involved? Are there underground bases here? Does the military fly exotic aerial craft in this valley that are radar-invisible below 18,000 feet? These and many other questions are addressed in this all-new work by one of America's top paranormal investigators. Take a fantastic journey through one of the world's most enigmatic locales!

Death and Croissants Ian Moore,2023-03-14 Laugh-out-loud caper. —Shelf Awareness, Starred Review A fast-paced, witty story for those who enjoy dry British humor. —Library Journal Meet Richard Ainsworth: an almost divorced part time B&B owner, part time film historian, full time self-deprecator. Hoping to continue running his B&B in the quiet Val de Follet, he has no idea of its hidden intrigue, from the mafia to swingers, to the peddling of (il)legal grape seeds. His quiet has flown the coop on a fateful afternoon with a bloody handprint, a missing guest, and one dead Ava Gardner (beloved hen). *Death and Croissants* is an unputdownable, hilarious mystery perfect for fans of Richard Osman's *The Thursday Murder Club*. What readers are saying: Richard Osman meets Sherlock Holmes rampaging through the charming Loire Valley in this raucously funny book. I loved it. A light, very funny mystery with appealing characters in a wonderful French countryside. Oh wow, this was funny. This one just knocks it out of the park. A story full of interesting and diverse characters told with lots of humor. The author gives you everything you want in a humorous, witty mystery that chases you through all the twists and turns with murder, mafia, and mayhem.

Now plying his trade as a private investigator in the North Georgia mountains, he's drawn once again into a dark abyss of depravity, and murder. Tasked with what seems like a routine job, Earl stumbles into a mysterious cornfield where an old mountain legend appears to have awakened. Just as he begins to hear rumors of a place in the woods behind a dark cornfield where a killer collects human skulls, his partner Mary Hawkins vanishes. As the litany of terror grows, the poisoned spirits of Earl's past return to claim their final victims. And on an old train trestle over a swift-running river at the edge of a cornfield Earl will confront his worst fears. Time is running out for Mary—and unless Earl can wrest her from the control of a secretive cabal comprised of some of the area's most elite—and wealthiest—citizens, she could be lost to him forever in *In the Valley of the Devil*, the second harrowing installment of the Earl Marcus mysteries by Hank Early.
