**Plea Bargaining?!** João Renato Borges Abreu,2023-06-27 A presente obra realizou o estudo de caso do debate legislativo em torno do Procedimento Abreviado pelo Acordo de Culpa – também conhecido como Acordo Penal. O intuito foi demonstrar se esse instituto jurídico, que comporia a justiça penal negociada no Brasil, seria a alternativa indicada para enfrentar o problema público do congestionamento do sistema de justiça criminal. A modalidade sugerida incluiria no ordenamento jurídico a possibilidade do réu, por meio do reconhecimento de culpa, abreviar o processo para imposição antecipada da sanção penal. A proposta legislativa foi apresentada mediante o Projeto de Lei no 882/2019, o qual ficou conhecido como Pacote de Lei Anticrime. A inclusão do artigo 395-A do Código de Processo Penal objetivava garantir a possibilidade de, após o recebimento da denúncia ou da queixa e até o início da instrução, o Ministério Público ou o querelante e o acusado, assistido por seu defensor, requerer, mediante acordo penal, a aplicação imediata das penas. Por fim, a obra mostra que o Acordo de Culpa se apresenta como um dos instrumentos de uma reforma capaz de minimizar problemas do Sistema de Justiça Criminal. Assim, o trabalho configura um estudo de análise de políticas públicas que consubstanciará a decisão política legislativa para a aprovação do Acordo de Culpa, com nova redação, no Novo Código de Processo Penal (em tramitação no Poder Legislativo).

**The Defense Counsel** William F. McDonald,1983-08 This book presents new research and thinking about the role of the defense counsel in the American criminal justice system. The right to counsel is guaranteed, but can an overworked public defender who is paid for the number of cases taken on really be compared with expensive private attorneys? Original essays explore such issues as performance measurement to ensure proper counsel, the differences between public and private defenders, and the dwindling number of private defense counsels.

Legionnaire Simon Murray,2007-12-18 “A pleasure to read and nearly impossible to put down.” –Army Times “Embodies an experience that many have enjoyed in fantasy-few in reality.” –The Washington Post The French Foreign Legion—mysterious, romantic, deadly—is filled with men of dubious character, and hardly the place for a proper Englishman just nineteen years of age. Yet in 1960, Simon Murray traveled alone to Paris, Marseilles, and ultimately Algeria to fulfill the toughest contract of his life: a five-year stint in the Legion. Along the way, he kept a diary. *Legionnaire* is a compelling, firsthand account of Murray’s experience with this legendary band of soldiers. This gripping journal offers stark evidence that the Legion’s reputation for pushing men to their breaking points and beyond is well deserved. In the fierce, sun-baked North African desert, strong men cracked under brutal officers, merciless training methods, and barbarous punishments. Yet Murray survived, even thrived. For he shared one trait with these hard men from all nations and backgrounds: a determination never to surrender. “The drama, excitement, and color of a good guts-and-glory thriller.” –Dr. Henry Kissinger

**Narcissism To Rebirth** J. H. Simon,2020-05-31 The follow-up to the top-seller 'How To Kill A Narcissist.' Take a hero's journey through the heart of narcissism and emerge into wholeness. You have successfully exposed the narcissist and are on the path toward recovery. 'Narcissism To Rebirth' is a guide for those who want lasting transformation and freedom. The book provides a deep dive into the nature of the Self and how narcissism stunts its development. With the mythology of the hero's journey as a guide, you can work toward transformation in four parts: 1. THE ORIGINS OF SELFHOOD: Understand the building blocks of the Self and how you become actualised by unifying all of its

elements. 2. **THE AGE OF NARCISSISM:** Expand your consciousness. Understand how the tyranny of narcissism descends at all levels; from its psychological roots to its impact on society at large. Explore in detail the roles and dynamics of the narcissistic family and how this blueprint corrupts all manner of social groups, including business, friendship and community. Come to know the fraudulence and emptiness at the heart of these narcissist regimes; structures dominated by a narcissist. 3. **THE HERO'S JOURNEY:** Determining your place in this ecosystem and how it shapes you is crucial. From there, a modern-day spiritual journey takes you from the world of ego and into the source of personal power - your True Self. Here you will reclaim and unite the five fundamental forces of the Self: security, vitality, tenacity, divinity and wisdom. Meanwhile, you will heal your trauma one layer at a time, purging the damage of narcissistic abuse from the inside out. 4. **THE RETURN:** Having sufficiently developed the Self, you awaken into wholeness. The tyranny of narcissism collapses, and you look ahead to an empowered, actualised way of life. You live life your way, and contribute your newly found gifts to the world around you. The hero's journey includes eight stages for Self development: 1. Awakening: Explore how duality leaves you vulnerable to manipulation and put an end to it. 2. Orphanhood: Face and release your abandonment wound. Channel the strength of the Orphan archetype to carry you through the wilderness. 3. Metamorphosis: Use the art of centering to mindfully carve through the confusion and pave the way to your True Self, setting you up for transformation. 4. Reclaiming security: Ground yourself and learn to thrive in the face of uncertainty and fear. 5. Reclaiming vitality: Unleash spontaneity and evolution by merging with the flow of life and learning to truly see and connect with your Self and others. 6. Reclaiming tenacity: Welcome tension as an agent for growth, and use it to increase your assertiveness and capacity to set boundaries. 7. Reclaiming divinity: Learn to validate yourself from within while allowing the fullness of your energy to penetrate all facets of your life. 8. Reclaiming wisdom: Tap into the vast intelligence inside you by embracing shame as an ally, using it for maturity, understanding and insight. Through helping you grow the inherent forces of the Self, 'Narcissism To Rebirth' opens you to an unimaginable state of power. This profound shift transforms the narcissist's influence from a storm into a breeze, allowing you to finally move on and become who you were born to be.

**Disconnections** Michael Stasik, 2012 This book offers an intriguing account of the complex and often contradictory relations between music and society in Freetown's past and present. Blending anthropological thought with ethnographic and historical research, it explores the conjunctures of music practices and social affiliations and the diverse patterns of social dis/connections that music helps to shape, to (re)create, and to defy in Sierra Leone's capital Freetown. The first half of the book traces back the changing social relationships and the concurrent changes in the city's music life from the first days of the colony in the late 18th century up to the turbulent and thriving music scenes in the first decade of the 21st century. Grounded in this comprehensive historiography of Freetown's socio-musical palimpsest, the second half of the book puts forth a detailed ethnography of social dynamics in the realms of music, calibrating contemporary Freetown's social polyphony with its musical counterpart.
