Before Topgun Days Dave Baranek, 2016-03-15 Becoming the best doesn't happen overnight; you've got to work for it. Before becoming an instructor in the Navy's Topgun program, Dave "Bio" Baranek was just another kid with a dream. Upon graduating from college, he joined the Navy with the goal of becoming a fighter pilot. But, his eyesight waning, he knew that he would never be able to reach that goal. Undaunted, he plowed ahead and found his niche as a radar intercept operator in the backseat of the sleek, new Grumman F-14 Tomcat. Join Baranek in **Before Topgun Days** as he takes you along for this greatest, most exciting time of his young life: training to become a naval flight officer. Taking place before the events recounted in his previous memoir, **Topgun Days**, Baranek brings to life the anxieties and excitement of entering the fast-paced world of fighter jocks. From a green recruit to an experienced flyer, discover what it took to become a Topgun instructor. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

One-Eyed Princess Susanna Zaraysky, 2016-06-01 One-Eyed Princess shows the journey of a stereoblind person with amblyopia and strabismus doing eye muscle and brain exercises to straighten her eyes and rewire her brain to wake up dormant binocular brain cells to see in 3D. Along the way to seeing the world in more detail and appreciating depth, Susanna learned not only to see the physical world anew but also to feel reborn into a new inner world.

Mary Wroth Josephine A. Roberts, 2016-12-05 Mary Wroth (1587-1653?) was niece and god-daughter of Mary Sidney Herbert. She was married in 1604 to Sir Robert Wroth with whom she joined the Court circle of James I. In 1618 she began work on her enormous prose romance *The Countesse of Mountgomeries Urania*. The first known work of original fiction by an Englishwoman it reflects her experience as an eyewitness to the turbulent Jacobean Court. Drawing upon a wide range of reading Wroth created a vast encyclopedic romance with a network of women placed at the centre. Its publication swiftly unleashed a storm of criticism from powerful noblemen who attacked Wroth for depicting their private lives under the guise of fiction. When protests reached the King, Wroth wrote a letter of disclaimer to George Villiers, First Duke of Buckingham, in

which she stated that copies 'were solde against my minde I never purposing to have had them published'. She explained that she had stopped the sale of the book and asked for the King's warrant to recover other copies. There is no evidence that the book was recalled. The 1621 edition reproduced here is a unique copy containing the author's own handwritten revisions.
