As with other parallel Jain, Hindu, & Buddhist stories & motifs, the work has many unique features, since the Jain story-teller employed it for the edifying presentation of the Jain religion. The present edition is based upon four paper manuscripts, designated, for facility of reference, B, H, P, & S. Contents: (I) Introduction: The Source of the Materials; The Story & Its Significance; Meters; (II) Grammar: Phonology; Morphology; Notes on Syntax; (III) Text: (IV) Translation; (V) Glossary; & (VI) References. Water Resources Management VI C. A. Brebbia,Viktor Popov,2011 The biennial Water Resources Management conference is one of the most important of several water-related conferences organised by the Wessex Institute of Technology.As water becomes an increasingly precious resource, communities all over the world Are under extreme pressure to ensure its continued adequate supply to their populations. Rethinking the Mahabharata Alf Hiltebeitel,2001-10-30 The ancient Indian Sanskrit tradition produced no text more intriguing, or more persistently misunderstood or underappreciated, than the Mahabharata. Its intricacies have waylaid generations of scholars and ignited dozens of unresolved debates. In Rethinking the Mahabharata, Alf Hiltebeitel offers a unique model for understanding the great epic. Employing a wide range of literary and narrative theory, Hiltebeitel draws on historical and comparative research in an attempt to discern the spirit and techniques behind the epic's composition. He focuses on the education of Yudhisthira, also known as the Dharma King, and shows how the relationship of this figure to others-especially his author-grandfather Vyasa and his wife Draupadi-provides a thread through the bewildering array of frames and stories embedded within stories. Hiltebeitel also offers a revisionist theory regarding the dating and production of the original text and its relation to the Veda. No ordinary reader's guide, this volume will illuminate many mysteries of this enigmatic masterpiece. This work is the fourth volume in Hiltebeitel's study of the Draupadi cult. Other volumes include Mythologies: From Gingee to Kuruksetra (Volume One), On Hindu Ritual and the Goddess (Volume Two), and Rethinking India's Oral and Classical Epics (Volume Three).

The Engineer ,1897

I am Nala Rosa Tshuma,2022-07-05 These seven stories narrate powerful and empowering journeys of becoming and overcoming. The women in this anthology are deeply attuned to the challenges and hardships faced by women and girls on the African continent and in the Diaspora. They do not shy away from speaking about these hardships, offering up vulnerable stories that are emblematic of the ongoing disregard of women and girls in Africa and elsewhere. Triumphant, these hardships fuel these inspiring women to claim their right to humanity, in this way effecting change in their societies and trailblazing a path for women and girls in Africa and beyond. Ultimately, these are triumphant stories of change and agency. They pave the way for future generations and make possible for what was previously thought impossible. Each chapter advocates for one of the Sustainable Development Goals and one of the demands of Africa Young Women Beijing+25 Manifesto.The seven stories in this compilation are a testimony to an Africa that is alive and vibrant and whose future brims with brilliance and promise. Readers from all corners of the world will feel this immense pride and inspiration for Africa is in and of the world. Here you will meet women in their twenties and thirties who have broken new ground and attained many firsts in their respective fields, paving the way for women and girls everywhere.

PAHARI PAINTINGS OF THE NALA - DAMAYANTI THEME PUBLICATIONS DIVISION, The paintings reproduced in this beautiful volume were created in the second half of the 18th century in the Dogra Pahari region of North India, mainly in what is now Himachal Pradesh. Apart from their martial qualities and rich folklore, the several schools of Pahari art have been a major contribution of the Dogra-Pahari people to the grand mosaic of Indian culture. Professor B.N. Goswamy has with great competence traced the historical and geographical back-ground in which these painting were produced. I would only add that they combine the beauty and freshness of the mountains with the rare delicacy and grace of the people living in the area.

Nala Charitre - The Legend of Nala (A Short Epic) Saint-Poet Kanakadasa,2020-03-01 This book presents the mythological narrative of Nala-Damayanti as an epic poem in English. Among the luminaries of sixteenth century Bhakti tradition, Kanakadasa's literary and musical compositions (kirtanes) are imbued with philosophical meanings, which show immense formative influence on the cultural and literary scene of Karnataka. Also, Kanakadasa's literary works such as Mohana Tarangini, Haribhaktisara, and the eminent allegorical masterpiece Ramadhanya Charitre incorporate metaphors taken from everyday life, which fascinate the commoners and offers them respite from mundane life-struggles. While such metaphorical expressions represent a remarkable trend in Bhakti poetry, in Kanakadasa's depiction of Nala and Damayanti's misfortunes, the toilsome life of common men and women stares forth. Hauled out of their palatial leisurely living, a curious turn of events compels them to survive amidst endless suffering. On one hand Nala Charitre is a poignant story of love, and on the other, it thematizes human existence, humandivine relationship and simplifies poetry to reach the audience beyond the limited circle of literates. As the Bhakti Literature assimilates the vernacular into devotional poetry, Kanakadasa's epic poem interweaves mythological themes from Mahabharata with struggles of medieval Indian society, thus overcoming the binaries of human and divine.
