Adobe After Effects 4.0 ,1999 Explains how to use the multimedia animation program to manage layer speed, transition, create templates, animate backgrounds, and import movies.

The Story of the Selma Voting Rights Marches in Photographs David Aretha,2014-01-01 The Civil Rights Act of 1964 was a momentous victory for civil rights activists, but one major obstacle remained in the path toward equal rights for African Americans: the right to vote. In the South, segregationists prevented African Americans from voting. Civil rights leaders believed it was time for strong action and chose Selma, Alabama, as the rallying point. There, the marches and protests captured the nation's attention. Through gripping primary source photographs, author David Aretha explores this important time in American history.

Semicolon Cecelia Watson,2019-07-30 “Delightful.” —Mary Norris, The New Yorker A page-turning, existential romp through the life and times of the world’s most polarizing punctuation mark The semicolon. Stephen King, Hemingway, Vonnegut, and Orwell detest it. Herman Melville, Henry James, and Rebecca Solnit love it. But why? When is it effective? Have we been misusing it? Should we even care? In Semicolon, Cecelia Watson charts the rise and fall of this infamous punctuation mark, which for years was the trendiest one in the world of letters. But in the nineteenth

century, as grammar books became all the rage, the rules of how we use language became both stricter and more confusing, with the semicolon a prime victim. Taking us on a breezy journey through a range of examples—from Milton’s manuscripts to Martin Luther King Jr.’s “Letters from Birmingham Jail” to Raymond Chandler’s *The Big Sleep*—Watson reveals how traditional grammar rules make us less successful at communicating with each other than we’d think. Even the most die-hard grammar fanatics would be better served by tossing the rule books and learning a better way to engage with language. Through her rollicking biography of the semicolon, Watson writes a guide to grammar that explains why we don’t need guides at all, and refocuses our attention on the deepest, most primary value of language: true communication.

Hurricane Watch Olive Senior, 2022-01-27 Shortlisted for the Raymond Souster Award 2023 by the League of Canadian Poets *Hurricane Watch: New and Collected Poems* brings together Jamaican Poet Laureate Olive Senior's first four books of poetry alongside a new collection. Recipient of the Musgrave Gold Medal in 2005 from the Institute of Jamaica, Senior has long been recognised as a skilful and evocative storyteller but what this book shows is the consistency and range of her achievement. Senior's poems are delicate, formally playful and always finely observed, whether responding to Jamaican birdlife, the larger natural world or the traces of a complicated historical inheritance. Often, and always surprisingly, her poems' brilliant descriptions and vivid, gripping narratives open out into ecological reflections, politics and culture in original, surprising and sensuous ways.
