Looking Great in 21 Days Marjo Horn, 2008-12 Marjo Horn shows you the way to an attractive skin. Apart from the 21-day plan, the book contains a wealth of information on beautifiers for the skin. It has information for all ages and skin types. Looking Great in 21 Days is a rejuvenation method that really works. The programme comprises a 21-day, mildly vegetarian diet focusing on the acid-base balance of the body, plus several very easy massages and facial exercises that can be done in spare moments, and masks made from natural ingredients that most people have in their kitchen. You can follow the 21-day programme if you want to look great, but you can also take the advice in the book merely to improve your skin and slow down the ageing process. The fact that the Marjo Horn method does work is evident from the photographs of participants taken before and after. You have nothing to lose, you can only win -- a beautiful, radiant skin. The book contains a wealth of information: how to treat dry, greasy, combined and normal skin and the skin with wide pores; discover your type of skin; beautifiers - what's good, what's not good voor your skin; what causes wrinkles- what to do to prevent wrinkles; masks of natural ingredients; how to massage the skin (skin massages); how to train the facial muscles (derma fitness); how to treat and prevent a double chin (tongue lift); how to treat and prevent sacking cheeks (cheek lift); how to treat and prevent drooping eyelids (eye lift). In her inspiring new book, Victoria tells people to “put down that knife and get on with your life!” But *Spiritual Facelift* is not your typical natural health and beauty book. It’s also a spiritual guide to inner beauty that’s packed full of ancient and modern-day spiritual wisdoms and techniques to help one naturally tap into the eternal fountain of youth that can transform both lives and looks. Natural Face Lift Dorling Kindersley Publishing Staff,2005-02-01

Dr. Cargill's Natural European Facelift and Rejuvenation Cargill,2018-06-20 Dr. Cargill learned the technique of European natural face rejuvenation from 3 distinguished physicians from the last generation, Dr. Paavo Airola, Dr. Rose Arvigo, and Dr. Loretta Hilschur. After many years of doing the facial work on patients, Dr. Cargill decided to write down the techniques and materials that he uses and make the information available to the next generation. The facial work can be done on yourself. It is not quite as effective as having a skilled practitioner do it, but it will work doing it on yourself. Be careful on the preparations of the herbs and oils and follow the directions exactly. Pay particular attention to the work on the face muscles and the cleansing of the skin. Ageing is normal,

to an extent, but if your appearance can be remarkably improved by following the directions in this little book, then why not do it? Throw away your makeup and let your face and neck glow with natural health and stronger face muscles lifted into a more youthful position. When you look better, you will feel better.

The Feel-good Facelift Penny Stanway,2000 This work shows you how to create simple recipes for home-made beauty products and gives expert tips and advice on how to reduce worry lines and relieve unwanted stress. It also reveals exercises to tighten facial muscles (the secret being that they are weight-bearing). It provides many of the tools and techniques that you need to care for your looks the natural way, and avoid the expense, bother and risk of medical intervention.

Give Your Face a Lift Penny Stanway,2000 Readers are encouraged to give themselves a natural face lift using oils, creams, masks, and homemade products that nourish the skin. Step-by-step photos demonstrate how to give a full facial massage. Facial exercises are also included. 120 color photos.
