No!o's Quick LLC Anthony Mancuso,2023-02-28 More than ever, we are seeing a high level of interest in forming LLCs by new entrepreneurs, many of whom don't know the first thing about LLCs. This book provides readers without a business background an easy-to-read summary of complex LLC issues, like how LLCs limit personal liability; how

LLCs are taxed; and how profits are split up. And the book is short and to the point, the perfect length for readers who are impatient for answers and want to get started.

Sparks of Neon Gerrit Striker, 2004-08 Tokyo is a city designed long ago as a maze to prevent easy assault on the central castle. Streets curve and loop back unexpectedly. Clear destinations shift and fade off like evaporating mirages. There are social convolutions in the way that the basest criminals can swing into alignment with the highest echelons of society. One naive American navigated the maze that is Tokyo for fifteen years. Some twists brought him unimagined sexual fulfillment. Other turns separated him from longtime friends. There were paths that led him to scenes of living history, others to a mirror world of opposite assumptions. But ultimately his life in Tokyo looped around like the Yamanote circle line and ended where it began. It began in a walk into Kabukicho--Tokyo's red-light district.

Did He Say 'Divorce?' Joni Newman, 2000-08-29 Are you dividing up the pots and pans, or is he stealing your best china that was tucked away in boxes in the garage? Whether you were married to the slob of suckers, or the king of control freaks, you will live vicariously in Joni Newmans humorous depictions of her victories and conquests while she helps you to achieve self-esteem, and leads you back to peace once again. ----- This book is written with the Jilted Wife in mind--you and me. This is a self-help/how to/better-not-do-that/ book, which takes a fresh approach to the subject of divorce through humor. It is intended to show you that the light at the end of the tunnel isnt the train speeding down the tracks in your direction! As a woman, a victim, an outcast, and the object of his evasive attitude and abusive temperament, I am a tad prejudice. If you are a woman who has been stung by her mans betrayal of lifes promises, and are no longer the Queen Bee in his honeycomb, (or do you wish it was his catacomb?) this book will help you through the intense and debilitating smut of a divorce. I will tell you my story, and you can log your own story right beside mine. Well proceed down this bumpy avenue of life that is often gridlocked with his obstructions. Then, well trot uphill onto an elevated crest we never imagined we could reach, in light of a divorce. This book will help you find purpose in life, laugh at the idiocy of his thinking, and put your confused feelings in perspective. Finally, you will learn how to validate your worth--not as his jilted wife--but as being your secure and confidential self. If you think youll never be able to tolerate your divorce, think again. No one taught you how to breathe, or spit, or ovulate, but you managed to perform these activities without training in boot camp! Well go through this together. Ill explore my hurt feelings, and you will recognize them. And through it all, well discard the maniac who disassembled our lives, while we beam with confidence at the pure joy of independence. Well nurture our souls and hearts by building a much better life for ourselves and our families. Well graduate from the whipped-wimp image of ourselves that he molded to suit himself. As we bring in the junior Red Cross to glue our clay-mation Gumby character back to her original formation, well give a new meaning to mutual bonds. Well explore all the avenues on which you may travel, but none will lead you to a dead-end. Also, Ill add a touch of humor. Its difficult, I know, but it is better to laugh at the truth that sometimes seems surreal. At the conclusion of most chapters, I will give you perceptive

perspectives, therapy thoughts, little life lessons, and jokes. Ill also include some husband-bashing, which should make you feel a lot better. All those innuendoes, insults, and intrusive aspersions that we have unjustly suffered, will now be explored, swallowed, and eventually put to death. Well make our heartaches turn into his headaches. Well watch our dreams grow without him putting up obstacles and hurdles, for which we used to apologize and ultimately regurgitate. Youll share with me my thoughts, criticisms, opinions, and plots for revenge. And I know youll come up with a few of your own. Well explore, compare, and examine our divorce through alternative viewpoints: The Three Trimesters of Divorce, and the Five Stages of Grief. Ill even tell you my Secret for Happiness! And in the end, well be much better off without that speed bump we once called a husband. DID HE SAY DIVORCE? D-D-Divorce. Okay, so I stuttered a little at the D word. Who wouldnt stutter if they had the rug pulled out from them, especially if that rug came off the top of his bald head? So, here you are, tripping over that D word too. You may be left with financial burdens, emotional abandonment, and no more supplies of Haagen-Dazs ice cream. How

Hidden History of Toledo Lou Hebert,2019-02-11 Toledo's history as a frontier town turned manufacturing powerhouse is well known. However, few know that it was once home to a champion racehorse. Many are unaware that East Toledo's verdant urban woodlands sprang from the work of just one man or that a local girl's meteoric rise in Golden Age Hollywood saw her play alongside Groucho Marx. Fewer still have heard of Officer Dell Hair, crime fighter and rhyme maker who walked the beat and walked into the history books as a celebrated cop-poet. These tales and more await as award-winning local broadcaster Lou Hebert shines a light into the forgotten corners of Glass City history.
